ANTH 2351 Cultural Anthropology
Study of human behavior (nations and societies) the world over, comparing and describing their cultural patterns. An introduction to the various theories and anthropologists is reviewed as well as the relationship of Cultural Anthropology to the other social science.

BUSI 1301 Business Principles
Introduction to the role of business in modern society. Includes overview of business operations, analysis of the specialized fields within the business organization, and development of a business vocabulary.

CJSA 1308 Crime in America
The study of American crime problems in historical perspective, social and public policy factors affecting crime, impact and crime trends, social characteristics of specific crimes, and crime prevention.

ENGL 1301 Composition I
A study of the principles and techniques of written compositions including sentence structure, paragraph development, and paper organization. Also stresses the development of critical thinking as it applies to the textual analysis of expository prose. **Prerequisite: DSWR 0302 or equivalent with a grade of "C" or above or appropriate test score(s).**

SOCI 2301 Marriage and the Family
A study of problems in courtship, marriage, and family living as they relate to the social structure of American society.

The beautiful thing about learning is that no one can take it away from you. B.B. King
