CRIJ 2301 Community Resources in Corrections
An introductory study of the role of the community in corrections, community programs for adults and juveniles; administration of community programs; legal issues; future trends in community treatment.

ENGL 1302 Composition II
A continuous of ENGL 1301, emphasizes in more depth the principles and techniques of written compositions. Focus of compositions is on the development of critical thinking as it relates to the textual analysis of literary genres: the short story, poetry, drama, and the novel. Prerequisite ENGL 1301

HIST 1301 United States History I
English colonization, the Revolution, adoption of the Constitution, growth of nationalism, cotton and the slavery problem, civil war, and reconstruction

HIST 2381 African American History (HUMANITIES)
The purpose of this course is to familiarize students with the general study of African-American history from the early days of West Africa to American slavery and freedom and ending with the modern civil rights movement of the 1950s and 1960s.

ITSC 1409 Integrated Software Applications
Introduction to business productivity software suites using word processing, spreadsheets, databases, and/or presentation software

PSYC 2301 General Psychology
Basic principles of human experience and behavior involving biological, environmental and sociocultural studies. An overview course including an introduction to the major studies of psychology

The beautiful thing about learning is that no one can take it away from you. B.B. King
