

YOUR BLACKBOARD LOGIN INFORMATION WILL CHANGE!

CTC Blackboard usernames are being modified to protect users' privacy.

Blackboard usernames will no longer contain partial SSNs.

For all students, the new username will be
'c' (lowercase) + the user's 7-digit CTC ID

The passwords will remain the same.

Students can find their CTC ID in WebAdvisor.

- After logging in, go to "Students" menu.
- Click "My Profile" and it will display students' CTC ID.

<https://webadvisor.ctcd.org/WebAdvisor/WebAdvisor>

The changes will be coming in early June and will involve a partial day of Blackboard downtime. Everyone should continue using the current Blackboard username until notified of a specific date and time for the change. Check here for updates and details:

<https://ctc.blackboard.com/>

After the change is made in early June, there will be a link on the Blackboard login screen that students can use to look up their new Blackboard username.
