About CTC

"The ladies that I have met at the Baumholder office were outstanding. When I first met Mrs. Jones, she told me I had a few classes left until I finished my Associate's Degree. I was super excited; I felt as though my goal to complete my degree was near. Then work became hectic and I saw the door closing again. One day, Mrs. Jones saw me and asked me when I was getting into some classes. She told me that she would like to see me graduate this year. Ever since then, she pushed me towards my goals. I thank her for that." - Ms. María D. Hernandez
