The Role of Libraries Today

Libraries today play a major role in shaping educational, social, and political roles of people worldwide. They are conduits to learning and knowledge that bridge the body of information everywhere.
WORKS CITED:

The words Works Cited are centered at the top of a new page in Times New Roman size 12 font. Do not bold, underline, italicize, or enclose in quote marks. References are listed in alphabetical order by author. If there is not an author, the title of the article or book is used. Items are double spaced, and in a hanging indent, one-half inch from the left margin.
