Credit Courses

Community Education is based on the premise that schools belong to the community. We want you to adopt this philosophy and become involved in the varied activities that are available to you through Community Education.

We view education as a lifetime process. Each person has the right to lifelong educational opportunities. We ask that you use these school facilities with all the people in the community. You are invited to take part in the education enrichment, civic, cultural, and recreational programs offered through Community Education

If an activity of your choice is not offered, please call the office, and every effort will be made to start such a class.

For course descriptions, see the *Central Texas College Catalog*

Note

Any alterations in the scheduled courses (times, dates, locations) will depend on the number of students enrolled, availability of the instructors, and availability of supplies. Lab fees are required for some courses.

Please refer to current CTC catalog for residency, TSI and early admission requirements.

Information

Material costs and books are not included in the tuition fees. The instructor will provide information about materials needed at the first class meeting if necessary.

Watch the paper and listen to the radio for additional Community Education activities.

Note

Central Texas College assumes no responsibility for loss of Interscholastic League or NCAA eligibility of high school students enrolled under this program.

Textbooks

Costs vary depending on the course. www.ctcbookstore.com
