

## CURRICULUM REVIEW COMMITTEE MINUTES

Tuesday, April 19, 2005  
3:00-4:00 pm  
Chancellor's Conference Room  
Administration Building

Members in Attendance: Ben Wickersham, Don Mikles, Jim Nixon, Johnelle Welsh, Jim Yeonopolus, Bill Alexander, Jeanette Jost, Bill Beebe, Dana Watson

Members Absent: Bob Grazinski

Agenda Items:

- Ben H. Wickersham called the meeting to order and reviewed the Committee's charge.
- Action Items were presented to the Committee with approval/disapproval so noted.
  - Zhan Aljoe presented a request for changes for the agriculture department. The request to add six courses to the core requirements offerings drew mixed discussion. It was decided to review the courses to determine their inclusion in the core requirements as offered by other Texas institutions. If the courses are included and thus have been accepted by THECB and Texas institutions then they will be included in the 2005/2006 CTC catalog. Approved.
  - Jeanette Jost presented a proposal to change the admission requirements for students wishing to enter the CTC nursing programs. The requirement changes include a minimum GPA of 2.5 and passing of all entrance-related exams. The entrance process will involve a weighted admissions review and those students with the highest score fill the available spots first. Approved.
- Information Items Distributed Included:
  1. None
