DISTANCE LEARNING

online.ctcd.edu

CENTRAL TEXAS COLLEGE is a leader in Distance Learning. Our student-centered approach makes it possible for students worldwide to enroll in and take classes through CTC—whether or not a CTC office is available locally. Online mentors and counselors help distant learners with admissions, degree selection, enrollment, financial aid, and the full-range of student services.

To succeed in distance learning courses in general, and self-paced classes in particular, you must be self-disciplined and motivated. We invite you to visit our Student Page at <http://online.ctcd.edu/student.cfm> to check that you are ready for distance education and to ensure that you have the technical requirements for completing distance education courses.

To accommodate your needs and requirements, we offer

- courses starting at least once a month
- terms of 4-16 weeks
- multiple delivery modes including fixed schedules, self-paced (flexible schedule), and multi-media options for students without consistent Internet access.

All CTC courses have a fixed start and end date. However, self-paced classes allow you to access the course, complete and submit your assignments, and take your tests at your own rate rather than according to a fixed schedule. **Online courses** are completed using “Blackboard” and require a consistent and reliable internet connection. **Blended courses** combine online with a face-to-face component.

Residency

Distant Learners

A bona fide Texas resident located out-of-state or out-of-country who is taking an electronic course delivered from the Central Campus may be classified as a resident for tuition purposes. The student is required to complete the residency questions on the CTC Application for Admissions and provide substantiating documentation that he or she

has a right to resident classification. Example: A spouse or dependent child of a member of the U.S. Armed Forces who was a Texas resident at the time he or she joined the service and has maintained Texas as his or her domicile may be eligible to be classified as a resident for tuition purposes. The spouse must have established Texas residency at least 12 months prior to enrollment. The spouse or dependent children of military Texas residents should submit a completed CTC Active Duty Military ID Card Verification form, their sponsor's leave and earning statement (LES), and if applicable the sponsor's DD 214 showing Texas as the home of record. The LES must be 12 months prior to the census date of the semester in which the student enrolls. Based on individual circumstances, other documents may be required.

For additional information on residency for tuition purposes, refer to the Residency Determination section under "College Costs" in the CTC catalog at <http://www.ctcd.edu/catintro.htm>.

Tuition and Fees

Tuition costs are established by campus and approved by the CTCD Board of Trustees. Tuition and fees are explained in the CTC catalog. For tuition information for CTC sites outside Texas, contact your local CTC office or online.mentors@ctcd.edu. *Tuition and fees are subject to change without notice as necessitated by college, contract, or legislative action.*

Arrange a Test Site/Test Proctor Submission Form

You must identify and receive approval for a local testing site. Go to <http://online.ctcd.edu/testing.cfm> for information on locating and arranging for local testing. Complete the Test Proctor Submission Form linked from that page. Your enrollment is not considered complete until the form is submitted. (eArmyU students who are not located at a military institution should also submit the Test Proctor Submission Form.)

Technical Skills and Hardware/Software Requirements

Online courses are not designed to teach you how to use software, manage files, navigate the Internet, or use email. Rather you must have these skills before enrolling to ensure success in an online environment. See the *Distant Learner Handbook* at <http://online.ctcd.edu/handbook.cfm> for Distant Learner Requirements and Responsibilities. Internet access is required.

It is the student's responsibility to own or have access to a personal computer with the hardware/software required for the course, and an email account. **Minimum Technical Requirements** for all online courses are listed at http://online.ctcd.edu/course_info.cfm#requirements. Compatible devices for multi-media courses using SD cards may be found on the same page. Any special course requirements are found by clicking on the course title at the online catalog at http://online.ctcd.edu/catalog/catalog_index.cfm.

Textbooks and Instructional Materials

Check www.ctcd.edu/im/im_main.asp or click on the "What Books/Instructional Materials Do I Need?" on the student webpage.

Students should order instructional materials a minimum of two weeks prior to the first class day to ensure that there is sufficient time for the instructional materials to be delivered. If you have not received your materials the Friday, prior to your first class day, you should 1) contact your instructor to determine what options, if any, are available and 2) consider dropping the class before it begins to ensure that you do not incur a financial penalty.

If you are not registering at the Central or Fort Hood Campus, contact the site where you are registering for additional information BEFORE placing your order. Killeen area students may purchase books on the CTC Central Campus or through MBS Books at <http://direct.mbsbooks.com/ctc.htm>. Students outside Texas may order books online from MBS Books at <http://direct.mbsbooks.com/ctc.htm>. Be sure you order your instructional materials early because you are required to have them by your 1st class day.

Online Course Access and FERPA

Before your class starts, you will receive a welcome letter with instructions for accessing your course. You may also access your course through the Distance Education website at <http://online.ctcd.edu>.

In compliance with the Family Educational Rights and Privacy Act of 1974, as amended, information classified as “directory information” may be disclosed to the general public without prior written consent from a student unless the Central Texas College Records Office is notified in writing. For complete information on distance learning policies go to <http://online.ctcd.edu/handbook.cfm>.

Email Address Changes

If your email address changes, notify your instructor, the CTC Testing Office, and the CTC Distance Learning Records Office at least two weeks in advance. Use the Email Change Form at http://online.ctcd.edu/change_email.cfm to formalize this request. GoArmyEd students must also update their address via the portal.

Social Security Number Disclosure

Section 7(b) of the Privacy Act of 1974 (5 U.S.C. 552a) requires that “Any federal, state, or local governmental agency which requests an individual to disclose his social security number shall inform that individual whether the disclosure is mandatory or voluntary, by what statutory authority such number is solicited, and what uses will be made of it.”

If you are seeking admission to CTC, the disclosure of your SSN is strongly recommended in view of the administrative difficulties that would be encountered in maintaining accurate student records if the SSN were unavailable. The SSN is used for reporting, record keeping, and research. The SSN is used for such items as determining and verifying your eligibility for admissions; determining and recording student tuition and fee payments and financial aid eligibility; obtaining a student ID card; registering and parking your vehicle on campus; recording grades; checking out and returning library materials; registering for placement services; processing enrollment verification requests; and other related activities. Requests for disclosure of a social security number are in accordance with state and federal statutes and institutional policy. If you choose not to disclose your social security number, you may request that a random number be assigned.

Americans with Disabilities Act

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodations of their disabilities. If you believe you have a disability requiring an accommodation, please contact the Disabilities Support Services Office in building 111, room 115, or by phone at (254) 526-1339 or TDD 526-1378. Assistance is also available from Learning Disabilities Services at (254) 526-1195, or in person in building 106, room 207.

Public Notice

Central Texas College does not discriminate in admissions or access to, or treatment or employment in, its programs and activities on the basis of race, color, religion, national origin, gender, disability, age, or veteran’s status. Central Texas College has established programs to ensure that a lack of English language skills will not be a barrier to admission and participation in all educational and vocational programs.

For more information about student rights and grievance procedures, contact the Director of Student Life in building 106, room 100, (254) 526-1258, or the Director of Student Support Services in Student Support Services building 119, room 135, (254) 526-1357.

Important Information for Students Who Drop or Withdraw from Courses

Under Section 51.907 of the Texas Education Code, “an institution of higher education may not permit a student to drop more than six courses, including any course a transfer student has dropped at another institution of higher education.” This statute was enacted by the State of Texas in Spring 2007 and applied to students who enroll in a public institution of higher education as first-time freshman in fall 2007 or later. Any course that a student drops is counted toward the six-course limit if

“(1) the student was able to drop the course without receiving a grade or incurring an academic penalty; (2) the student’s transcript indicates or will indicate that the student was enrolled in the course; and (3) the student is not dropping the course in order to withdraw from the institution.”

Central Texas College reserves the right to adjust or correct course scheduling, including but not limited to, class cancellation, starting and ending times of classes, locations of classes, and semester start and end dates. For updated information check WebAdvisor or the GoArmyEd portal.

GoArmyEd Registration Instructions

Because tuition rates vary and are governed by contract and MOU based on your location when you enroll it is essential that you are placed in a course section that corresponds with the correct tuition rate. This publication lists sections by tuition rate. At the time of publication, GoArmyEd course numbers were not available for cross reference. To determine the correct course number, you may:

- Use our course # search at www.ctcd.edu/armyedinfo, or
- Search on the GoArmyEd portal using the section numbers in this publication.

To select the correct section, refer to the first letter of the section number and choose based on the descriptions below. If you are unsure which section to use, contact your CTC site representative or online.mentors@ctcd.edu Microsoft Certification courses are included in the listing but have a different section numbering method.
