

## **I've taken the CELT. What do I need to do next?**

**First**      **Complete an Application for Admissions.** You can get an application at the front desk in Building 119 or go to the CTC website.

- Go to our website [www.ctcd.edu](http://www.ctcd.edu)
- Click on *Prospective Students*.
- Under **How to Enroll**, click on *Application for Admission*.
- Click on *Downloadable Application Instructions* (blue)
- Click on *Application for Admissions* (blue)

You can complete the application online and then print it, or you can print the blank application and complete it with a pen.

**Second**      **Wait 2 days and go to Building 119 to see a counselor. Bring your Application for Admission.**

When you go in the front door, turn right. There will be a reception desk. Tell the person at the desk, "I want to see a counselor about enrolling in ESL." They will tell you to take a seat in the waiting area and they will call your name when a counselor is available. The counselor will help you register. After you register, you may want to locate your classroom, so you know where to go on the first day of class.

**Third**      **Come to your classes on the first day of class.**

**Congratulations! You just completed the scariest part of going to school - beginning! If you have any questions, please call us!**
