

Central Texas College District  
Human Resource Management Operating  
Policies and Procedures Manual

Policy No. 720: Inclement Weather  
(Same as Policy No. 125 in the Safety Policies and Procedures Manual)

## **I. PURPOSE**

To establish procedures for the decision and notification chain for inclement weather curtailment of CTCD operations.

## **II. SCOPE**

This policy applies to Texas Campuses, including the Mayborn Science Theater, and to all other campuses as amended by the Campus Deans.

## **III. POLICY**

CTCD does not expect its employees or students to risk personal injury in order to maintain regular operating hours. Therefore, during periods of inclement weather or threat of inclement weather, CTCD may choose to curtail or limit operations if in the view of the Campus President, Texas Operations & Online Programs, or his designated representative, the continuation of operations might create a significant risk of injury or illness to students or employees. The status of Fort Hood's military operations and the area public school systems will be considered for decisions regarding central campus. Regardless of the campus decision, it remains the responsibility of the individual employee/student to assess and evaluate their situation.

## **IV. PROCEDURES**

### **A. Campus President, Texas Operations & Online Programs:**

1. Initiates contact with Campus Police for recommendations and coordinates with the Chancellor and Director, Marketing & Outreach and others as desired by 5:30 a.m. on an inclement morning, or two hours prior (or as soon as practicable) to scheduled opening or any class start time that will be affected during a bad weather day, to alert them of plans to close or limit operations for the day(s). When a delayed opening decision has been reached and it is subsequently determined that a closure is necessary, the Campus President will notify all parties no later than two hours prior (or as soon as practicable) to the specified delayed opening hour.
2. The Campus President shall notify his decision(s) to the following individuals for implementation actions:

- a. Director, Marketing & Outreach (526-1999).
  - b. Campus Police, (526-1200).
  - c. Deputy Chancellor, Finance and Administration (526-1331).
  - d. Deputy Chancellor, Academic & Student Services (526-1733).

- v. KNCT-TV (Channel 46, PBS).
  - vi. News8 Austin
- c. Newspaper:
- i. Killeen Daily Herald (daily, morning).
  - ii. Temple Daily Telegram (daily, morning).
6. A code word or number will be established by each media entity and provided to the Director, Marketing & Outreach which will “weed out” bogus closing reports.
7. The order of calling varies depending upon the time of day and the ability to get through on very busy phone lines. KNCT (FM/TV) will usually be the first media contact, followed by other TV and radio stations with newspapers to be the last contacted. Electronic notifications will be used as directed by stations. KNCT is the official station for notification of closings or delays.

D. Campus Police:

Campus Police Officers will respond regardless of weather conditions and will provide a communications link for the college decision making authority.

E. Director, Facilities Management:

- 1. Will ensure all essential buildings and parking areas are accessible.
- 2. Grounds personnel will be responsible for clearing and sanding entrances, parking areas and pathways as needed.
- 3. Mechanical personnel will ensure environment control of essential buildings and proper operation of utilities.
- 4. If closure/early release occurs during the duty day, coordinate with Marketing & Outreach to send message to building coordinators with information.

F. Director, IT Customer Service:

- 1. Will facilitate any technical support necessary for updating the weather phone line and/or website.

G. Director, Planetarium:

- 1. Will monitor weekend weather and will follow central campus progress for re-opening or continued closure.
