**CENTRAL TEXAS COLLEGE DISTRICT
RIGHT TO AN ACADEMIC FRESH START (AFS)**

Texas residents who apply for admission (or readmission) to a Texas public college or university and enroll as an undergraduate student may be able to begin a new course of study with a clear academic record.

Section 51.931 of the Texas Education Code “Right to an Academic Fresh Start” allows a Texas resident who has credits for college courses taken 10 or more years prior to the planned enrollment date to have those credits ignored for enrollment purposes.

To take advantage of this option, applicants must request it prior to their first enrollment at CTC or prior to readmissions if returning after 10 years. Applicants must submit an Application for Fresh Start to the Office of the Dean of Student Developmental Services at the time they apply for admissions or readmissions.

Academic Fresh Start is an all or nothing option. Applicants are not able to pick and choose which courses to ignore and which courses to count. If an applicant chooses the “Academic Fresh Start” option, the applicant will not receive any credit for courses taken 10 or more years prior to enrollment. This means courses taken previously

- Cannot be used to fulfill new prerequisite requirements,
- Cannot be counted towards the student’s new degree or certificate program,
- Will not be counted in the student’s new grade point average calculations.

Academic Fresh Start clears only the student’s academic record. Prior credits earned will still be counted when determining a student’s eligibility for financial aid and veterans administration benefits.

Even if an applicant is approved for Academic Fresh Start, the student must still complete the usual admissions process, including providing information on all colleges and universities previously attended and providing official copies of transcripts from all schools previously attended. Nothing in this law prohibits a public Texas higher education institution from applying standard admissions criteria generally applicable to persons seeking admission to the higher education institution.

Students approved for Academic Fresh Start must still meet the Texas Success Initiative requirements unless they are TSI exempt or were already exempt under any of the grandfathered TASP exemptions.

Other information:

- Academic Fresh Start may be requested only upon application or readmission to CTC and will not be applicable to currently enrolled students.
- Once enrolled, a student may only request Academic Fresh Start upon application for readmissions to CTC. Students can apply for readmission after 12 consecutive months of nonattendance at CTC. The Academic Fresh Start application must be completed and approved prior to re-enrolling.
- Coursework completed between the 10 year prior date and the new enrollment date is not affected.
- Admittance under Academic Fresh Start is annotated on the individual’s educational record after official enrollment in at least one course during the initial semester admitted under Academic Fresh Start.
- The courses and grades forgiven under AFS remain on the student’s permanent academic record (transcript), but the grades are not computed in the student’s grade point average.

The Dean of Student Developmental Services has the final authority on applying or interpreting Texas Education Code 51.931, Right to an Academic Fresh Start.
