W: 7:00am – 7:30am; 9:00am – 10:30am
Phone: 526-1869
Location: Bldg 152, Room 234
Email: Jennifer.Cabaniss@ctcd.edu (best way to reach me)
Website: <http://www.ctcd.edu/math>

1. Grading scheme: Unit Exams: 800 points
Final Examination: 200 Points

1000 Points
2. Students are required to take unit examinations in an examination booklet. A new booklet is required for each examination.
3. Students will be required to show all work on unit exams. **Two-thirds credit will be deducted from problems when work is not shown.**
4. A graphing calculator is required for this course.
5. Students who come late to class or leave before class is dismissed will be considered “absent”.
6. **No makeup exams will be given after the exam date.** If a student misses an exam, his/her grade on the Final Exam will count for the first missed exam. A zero will be given for additional missed exams. If a student does not miss any exams and he/she scores higher on the Final Exam than on a chapter test, this higher grade will replace the lower Chapter test grade.
