It is each student’s responsibility to familiarize themselves with the regulations and requirements contained within this catalog.
Program and Course Availability

Central Texas College first began providing education opportunities throughout the Pacific Far East in 1976 and currently operates under contract number FA5215-04-D-0005, awarded December 1, 2003. Courses are contracted to be delivered via two methods; traditional classroom and alternate delivery (CD-ROM) as listed on page 3. Programs of study are offered when sufficient interest indicates a level of enrollment required for program continuation. CTC reserves the right to adjust course schedules, to include class cancellations, when enrollments or other circumstances make such actions necessary.

Degree program and course offerings vary with each location and may not be available at all locations each term. Individuals interested in programs that are not locally available should consult with the education office or visit www.ctcd.edu or www.pfec.ctcd.edu.

Refunds/Withdrawal Policy

Tuition refunds can only be processed in the case of course cancellation or official withdrawal. For students receiving military tuition assistance, the effective date of the withdrawal is the date the Application for Withdrawal/Refund is signed by the designated education office representative or processed through the Go ArmyEd portal for Army TA.

For full-pay students refunds are computed from the filing date posted on the Application for Withdrawal/Refund.

Special conditions apply to students who receive federal, state, and/or institutional financial aid or VA benefits. The refund is generally calculated based upon the student’s last date of attendance.

It is the student’s responsibility to officially withdraw from any course which they are unable to complete within the prescribed time. Failure to fully execute an official withdrawal may result in a final grade of “FN” (Failure for Non-attendance) and would not meet the criteria for a refund.

Although the following refund schedule is provided, actual refunds for tuition and fees are based upon the contract, at the location for which the College operates. Students enrolled in distance learning courses delivered from the Central Campus in Killeen, Texas, should refer to the Texas Campuses Catalog.

• 100% Withdrawal before the first day of the term or semester.
• 75% Withdrawal if not more than 1/8 of the term or semester has elapsed.
• 50% Withdrawal if not more than ¼ of the term or semester has elapsed (25 % for students outside PFEC).
• 0% Withdrawal if more than ¼ of the term or semester has elapsed.

This refund schedule is not applicable to eArmyU students.
