

QEP Core Committee

November 13, 2003

If you're not standing on the edge, you're taking up too much space.

Charge

It is the Committee's responsibility to ensure that the plan is technically responsive to requirements outlined in the Quality Enhancement Plan section of the *DRAFT Handbook for Institutional Analysis* by the Southern Association of Colleges and Schools, Commission on Colleges, 2003; to keep the Leadership Team and the world-wide College community engaged and informed of progress; and to update and maintain the QEP Link at the CTC Website.
