### Services for Faculty

#### **NEW! Allied Health Room**

The library announces its new Allied Health Room (Room 106). The room is set up for students in the allied healthcare fields. Students will have access to detailed models of human anatomy for study. The area has computer stations with 3D, interactive *Visible Body* software, and pads with AR technology to enhance students learning. The Allied Health Room is located on the first floor, and open during regular library hours.

#### **NEW! Faculty Resource Center (FRC)**

The Faculty Resource Center (Room 117) has been created to serve as office workspace for CTC faculty. The FRC has Wi-Fi computer workstations available for use. Faculty will be able to use this area to do research, develop course plans, or other instructional related activities. Some office equipment is also available for use. Access to FRC is through the library’s Multimedia Lab. For more information, contact the library at 254-526-1621, or by email at [ReferenceRequest@ctcd.edu](mailto:ReferenceRequest@ctcd.edu).

## Workshops

### **Library Connections: Unplugging Your Child** **Saturday, October 5, 2019 at 10:00—11:00 am.**

Dr. Adrian Gaty, a pediatrician from Round Rock, Texas will speak on the technology industry and its effect on children.

He will discuss the correlation between cell phones, social media and depression in teens and children. He offers key suggestions on how to unplug your child and bring them out of technological addiction. Open discussion will follow.

Register at the library desk or call 254-526-1621.

If you would like to propose a workshop to be held at the library, contact the Outreach Librarian by phone at 254-526-1621, or by e-mail at [ReferenceRequest@ctcd.edu](mailto:ReferenceRequest@ctcd.edu).
