Pandemic Library Services

During this time, all in-person and virtual library services will continue, uninterrupted, to current CTC students, faculty, and staff. Check-in is required at the library’s circulation desk, so please have your CTC ID card with you when you arrive. Social distancing and face masks requirements are to be followed when inside the building. To facilitate access to the library’s print collection, and reduce contact exposure, the library also offers curb side pick-up of books. In addition to our in-person services, all of the library’s electronic resources are available through the library’s web site.

No more pain, no more tears
No more fights, and after all these years
I've survived, I've begun a new life
No more fear of making a mistake
Walking on eggshells, afraid they would break
No more hiding behind a smile so fake
Sadness piercing through my heart like a stake
I'm so much better without you
I didn't know just what to do
Cling to misery just a bit longer ...
