## Associate of Arts in General Studies (AA-GST4) (AGS)

Enlisted Education Program

All Sites: Distance Learning. Fort Hood, TX; Fort Knox, KY; Fort Lee, VA; Fort Leonard Wood, MO; Fort Lewis, WA; Fort Polk, LA; Fort Richardson, AK; Fort Riley; KS, Fort Stewart, GA; Fort Wainwright, AK; Hunter AAF, GA; Schofield Barracks, HI; Texas ARNG, TX; Tripler AMC, HI.

Degree Objective-Provides graduates with a general education core curriculum foundation, which are appropriate for transfer to a fouryear college or university program, and allows students to structure a program based on their interests and educational goals. Degree plan comprises 60 semester credit hours that includes 42 semester hours of core curriculum courses. The remaining 18 semester credit hours may be in an area of interest to the student. Program results in a two-year Associate of Arts in General Studies.

The Enlisted Education Program, part of the U.S. Army Training and Doctrine Command's (TRADOC) College of the American Soldier, is designed to expand existing civilian education choices for entry-level Soldiers in CMFs 11 Infantry, 13 Field Artillery, 14 Air Defense Artillery, and 19 Armor to provide them with degree options that will maximize college credit granted for military experience and NCO training. Associate degrees designated as "Enlisted Education Program" support TRADOC's pentathlete concept (leadership, supervision, management, and project management skills).

## Notes:

- 1) An "X" in a column indicates that the Institution guarantees to accept credit from the source shown for at least part of the requirement.
- 2) This column indicates whether a school accepts transfer credit for courses taken through distance learning. It does not mean that the school offers the course through distance learning.
- 3) A course may be used toward one requirement only.
- 4) Only lower-level courses are accepted in transfer.
- 5) Students enrolled in the AA program will receive maximum credit from evaluation of military education, training, and experience. These credits will fulfill all or part of the electives. Students are encouraged to take courses in an area of interest for a major field of study or for career exploration. Fields of study may include business, computer science, criminal justice, early childhood development, fire protection, hospitality management, management, mental health services, paralegal and others.

  6) The student is responsible for meeting course prerequisites. It is recommended that the student take placement tests prior to enrolling in mathematics, reading-intensive, and writing courses. Based on

scores, the student may be required to take a series of developmental study courses.

\*If the student takes more than the minimum 42 semester credit hours required in general education, the number of hours required in free electives is reduced accordingly to meet the minimum 60 semester. hours required for the degree.

Date Effective:	1-Oct-19
Term Effective:	T760
