

HESI A2 Nursing Test

The HESI Admission Assessment (A2) exam is a computerized test that can include up to five academic exam sections. CTC School of Nursing requires applicant's to take the following sections, each section shows the recommended time allotment:

- Math
- Reading Comprehension
- Vocabulary/General Knowledge
- Personality profile / Learning styles
- **For EMT/Paramedic** – Grammar

CTC does not require the A&P, Biology, Physics, or Critical Thinking sections. Testing Services will not administer the exam for students who are applying to a different school. The computerized HESI-A2 is offered at CTC-Testing Services.

FAQ'S

How can I prepare?

Review related class notes and/or nursing entrance exam review books. HESI publishes a review book specifically for this exam. If you have taken the exam previously, you can review content related to missed items through the website: www.evolve.elsevier.com

You **MUST** set up your Evolve account prior to arriving on test day. To do this, go to www.evolve.elsevier.com , click on "Student Site", "Quick Links" then "Register for HESI". After filling in your personal information you will be given your user name and password. Remember this in order to expedite your login on test day.

There is a pretest available in the Learning Resource Center, Building 118, and room 15. This Pretest has no affiliation with Evolve as a company; it was created by the Learning Resource Center as a way to study for the exam. It is given during business hours, Monday – Thursday 7:30am – 10:00pm.

Appointments are not needed you are welcome to take the pretest anytime it is offered, but if you have any questions you can contact them at 254-526-1344.

Is the test timed?

At CTC Testing Services there is a maximum time of three and one-half hours to complete these required sections. Most students easily complete the required exams. If you are considering other schools besides CTC and need to take more sections, you may want to test at a Prometric Testing Center where additional time is allowed.

Can I use a calculator for the math exam?

There is a drop-down calculator in the exam that may be used. No scientific or programmable calculators are allowed.
