Welcome to our Ed2go online instruction program!

Our instructor-facilitated online courses are informative, fun, convenient and highly interactive. Our instructors are famous for their ability to create warm and supportive learning communities. It’s no wonder many long-lasting friendships have formed in our lively and intelligent discussion areas.

All courses run for six weeks (with a two-week grace period at the end). Courses are project-oriented and include lessons, quizzes, hands-on assignments, discussion areas, supplementary links and more. You can complete any of these courses entirely from your home or office at any time of the day or night.

PROFESSIONAL DEVELOPMENT

Project Management Professional Certification Prep Program

The Project Management Professional (PMP®) credential is the most important industry-recognized certification for people working in project management. Our program is a 10-meeting course that delivers the critical details needed for a successful, accelerated learning experience. You will learn how to initiate, plan, execute, monitor, control and close projects. Upon completion, you will be able to demonstrate you have the experience, education and competency to successfully lead and direct projects. The certification exam is not included in the price of the course. There will be a 20-minute lunch break during the Saturday course (lunch is not included). There are two required textbooks: PMBOK® Guide, fifth edition, 2013, PMI and PMP® Exam Prep, 2013, Rita Mulcahy. Albert Hernandez is a retired Army, PMI-certified project management professional with more than 15 years of experience in project management. (6 or 10 meetings) (4 CEUs, 40 PDUs)

JUN 11-18 SAT 8 AM-5 PM
COST/$95

HAZWOPER Refresher (8 Hours)

This course is the annual refresher designed for employees who have had the 40-hour course “HAZWOPER for Clean-up Operations” in hazardous waste clean-up operations (RCRA, CERCLA and/or voluntary) according to 29 CFR 1910.120(e)(HAZWOPER). The course provides updated information on the classification of hazardous materials, detection and monitoring, the use of protective equipment (including protective suits and breathing apparatus) and the implementation of safety practices. The OSHA coverage was extended to state government employees by the Environmental Protection Agency in 40 CFR 311.1. Participants are required to successfully complete an end-of-course examination proving competency or attainment of the course objectives. After initial training, refresher training is required annually. Participants must be at least 16 years old. There will be a 30-minute lunch break (lunch is not provided). Tim Garland, owner of safety and consulting business, educates employers and employees in occupational safety. Tim Garland (see Hazwoper Refresher) (5 meetings)

JUL 11-15 M-F 8 AM-2:30 PM
COST/$525

PMP® Exam Boot Camp

To earn your PMP® credential, you must meet the experience and education requirements and pass the PMP® examination - a 200-question, multiple choice test. Regardless of how advanced your project management experience or education might be, you should still prepare vigorously for the exam. In this class, you will review test-relevant material, complete practice exercises and receive a four-hour take home exam that can be taken multiple times. There are two required textbooks: PMBOK® Guide, fifth edition, 2013, PMI and PMP® Exam Prep, 2013, Rita Mulcahy. Albert Hernandez (see PMP Certification Program). (8 meetings) (3.2 CEUs, 32 PDUs)

JUL 11-AUG 3 M/W 6-10 PM
COST/$649

FOR MORE INFORMATION, CALL 254-526-1586 OR VISIT US ON THE WEB AT WWW.CTCD.EDU/CE
**HAZWOPER (40 hours)**

This course is designed to fulfill training requirements for hazardous waste cleanup workers listed within Title 29 Code of Federal Regulations 1910.120(e). Topics include scope, application and definitions; safety and health programs; site characterization and analysis; site control; training; medical surveillance; engineering controls, work practices and personal protective equipment; monitoring; site safety and health plans; drums and containers; decontamination; and on-site emergencies. Must be at least 16 years old. There will be a 30-minute lunch break (lunch is not provided). Tim Garland (See see Hazwoper Refresher) (5 meetings)

*No class Sep 3

**How Money Works**

Stop living paycheck to paycheck and save more money for the future. Learn how to lower your monthly insurance expenses, save money for your children’s education and decrease monthly debt payments. After completing this course, you will have the tools to make wiser, more informed financial decisions! Participants must be at least 18 years old. Norman Mitchell is a number one best-selling author in the financial world and his financial practice has been voted number one in central Texas every year since 2000. (4 meetings)

JUN 6-27 MON 5:30-6:30 PM
COST/$35

**360° PERSONAL FINANCE**

**NEW! Credit Reporting: The Missing Link to Rising Scores**

You know your credit score, but what does it really mean: Consumers are often under informed and this course will shed light on what goes into good credit. High scores, low scores, no scores, there is always room for improvement, especially when you have been denied points. Learn the laws governing your rights and the limits of those who extend credit. Learn about the missing links and better ways to communicate when challenging a credit rating. Kawanda Polk is a subject matter expert in the credit and lending industry who has worked for national lending agencies and dedicated more than 17 years assisting and educating consumers in making better credit decisions. (2 meetings)

JUN 4-11 SAT M/W 10 AM-1 PM
AUG 8-10 M/W 6-9 PM
COST/$35

**Wedding Planning Basics**

Planning a wedding involves endless details, deadlines, drama and, far too often, enough stress to make you want to just elope. Get solid advice and tips to help you handle the big day including the wedding budget, design and décor, etiquette and how to handle all of the intricate parts of planning a wedding. A Q&A time will allow students to bring their own concerns to the table. Geri Schwartzman, certified wedding planner, is the owner of the award-winning event planning company which was named Best in Central Texas. (4 meetings)

JUN 9-30 THU 6-8 PM
AUG 4-25 THU 6-8 PM
COST/$39

**WORKFORCE TRAINING GRANT**

Small businesses with fewer than 100 employees have access to valuable workforce training at CTC through the Texas Workforce Commission’s Skills for Small Business program.

For more information or to fill out an application, go to ssb.texasworkforce.org, by emailing skills@twc.state.tx.us or by calling toll-free 1-877-463-1777

**TIPS AND TRICKS**

**Continuing Education Summer 2016 Course Schedule**
How to Get a Federal Job
Federal jobs are very competitive with an average of 300–500 people applying for just one position, which often keeps individuals from ever applying. Don’t be discouraged! Learn how to analyze a federal job announcement for key words, answer the qualifying questionnaire and support the questionnaire by linking answers to your resume. Participants will also learn how to write an effective federal resume by addressing specific details federal agencies require and by matching your qualifications to the core competencies in the job announcement. Special hiring authorities, veteran preferences and military spouse preferences will also be discussed. Dress is relaxed or business casual. Cindy Guzman is the owner of a career coaching business and has been teaching individuals how to apply for federal jobs for more than five years. (2 meetings)

JUL 19-21 T/TH 6-8 PM
COST/$25

Adobe Photoshop
Learn how to design artwork and manipulate photographs to create beautiful graphic images. This class is a basic introduction to tools and concepts used to create images and edit photographs. Projects include cleaning up old or damaged photos, building a collage and incorporating text and graphics. Students must have basic computer knowledge. Bring a USB thumb drive to class. Krista Kasper has 10 years of experience in graphic design. (3 meetings) (.9 CEUs)

JUN 10-24 FRI 5:30-8:30 PM
COST/$89

Massage Therapy
Massage therapy is a healthcare profession regulated by the Texas Department of State Health Services (TDSHS). Central Texas College Continuing Education’s 600-hour certificate of completion program exceeds state requirements and includes 550 hours of classroom training followed by a 50-hour internship. The program prepares the graduate to sit for the State of Texas licensure examination through the Federation of State Massage Therapy Boards’ Massage and Bodywork Licensing Exam (MBLEX®). A passing score on the MBLEX extends licensure to 41 states. The program costs approximately $4,000 plus the cost of textbooks, course supplies, equipment and exams. Classes must be taken as a cohort in the order in which they are offered. Call 254-526-1586 for more information. (This program is approved for the use of VA educational benefits, including Voc Rehab, the GI Bill and MyCAA.

Watch for more information on Next LMT Evening Program - projected start date is Monday, Nov. 7, 2016.

Professional Truck Driving
Just 160 hours of training can get you into a high-paying career. Truck drivers are in big demand around the country. Almost 100 percent of our students get their Class A license and move right into the driver’s seat after completing the four-week class. Employment assistance is available. The class includes 40 hours of classroom and 120 hours of practical and behind-the-wheel training. Financing is available. *Call ACT at 254-501-8600 or 325-665-1243 or visit www.ctcd.edu/academics/instructional-dePARTments/industrial-technology/professional-truck-driving for more information. (This program is approved for the use of VA educational benefits, including Voc Rehab, the GI Bill and MyCAA.

Massage Internship
TUESDAY - SATURDAY, JULY 5 – 30, 2016

Online scheduling opens Monday, June 20 at 9 a.m. at www.MassageBook.com

Our office no longer accepts cash or personal checks! Payment must be made by credit/debit card, money order or cashier’s check.
Healing Powers of Reflexology
Reflexology is a natural healing art based on the principle there are “reflexes” in the feet which correspond to every part, gland and organ of the body. Through application of pressure on these reflexes, reflexology relieves tension, improves circulation and helps promote the natural function of the related areas of the body. Wear comfortable clothing. Tawni Lay, a trained reflexology practitioner with more than eight years of experience, previously worked at the Fort Hood Reset Clinic treating soldiers with post-traumatic stress disorder. (1 meeting)
AUG 19 FRI 2-5 PM
COST/$25

Clinical Medical Assistant
According to the U.S. Department of Labor, employment of medical assistants is expected to increase 29 percent through the year 2022. Clinical medical assistants work in a physician’s office or a clinic setting helping physicians carry out procedures, care for patients, perform basic lab tests and administer medications. Learning objectives include identification of body parts and their functions, medical terminology, specimen collection, administration of oral and injectable medications and patient communication. Students must be at least 18 years of age, possess a high school diploma or equivalent and are required to take an English and math assessment the first day of class. Additionally, graduates will be qualified to take an optional certification exam offered by the National Healthcareer Association (NHA). Payment options are available. To learn more about this exciting career field and additional class requirements, contact the Continuing Education Department at 254-526-1586 or visit www.ctcd.edu/students/continuing-education/professional-development-workforce-training. (51 meetings) (32 CEUs)

COST/$2,495 *No class Jul 4

Pharmacy Technician
Train to become a pharmacy technician in less than one year! Course prepares you to take the PTCB national test required by the state of Texas. Topics include law, ethics, terminology, body systems, calculations, purchasing, inventory, communication and professionalism in the workplace, study skills and more. This course consists of 200 hours of classroom instruction. Financing is available. To learn more about this exciting career field and additional class requirements, contact the Continuing Education Department at 254-526-1586 or visit www.ctcd.edu/students/continuing-education/professional-development-workforce-training. (34 meetings) (20 CEUs)
AUG 2-NOV 29* T/TH 10 AM-4 PM COST/$1,795 *No class Nov 24

Certified Nurse Aid
The need for dependable, well-trained bedside nursing care is as prevalent as ever, ranging from hospitals to home health agencies to long-term care facilities. The Certified Nurse Aide (CNA) plays an important role providing basic care while ensuring the safety and comfort of patients. Course curriculum includes an overview of the field, resident rights, communication, patient care, basic nursing skills and more. This course has been updated to the new requirements for nurse aide training effective September 1, 2013. Call for more information. Prior to admission, program applicants must provide a high school graduation or GED transcript, proof of immunizations, two references and a background check. Additional expenses include a workbook, background check, scrubs, watch with a secondhand, white water-resistant, nursing shoes, state exam fee and textbook. Contact Continuing Education at 254-526-1586 or visit www.ctcd.edu/students/continuing-education/pdf/ce-cna-summary for more information. (22 meetings)

NEED CPR FOR HEALTHCARE PROVIDERS?
See First Aid & Safety pg. 9
Reading the natural text:

**Heartsaver® AED with First Aid**

Make sure you are prepared to help someone you love in a life-threatening situation. Knowing how to administer CPR effectively could save the life of a family member, friend or co-worker. Students are required to purchase a course book. The course book is included in the price of the class. This course meets requirements for childcare workers. Jared Koppes is a certified CPR instructor. (1 meeting)

**JUN 8 WED 8:30 AM-4:30 PM**  
**COST/$69**

**CPR for Healthcare Providers**

Basic life support training reinforces healthcare professionals’ understanding of the importance of early CPR and defibrillation, basic steps of performing CPR, relieving choking and using an AED and the role of each link in the chain of survival. The course book and pocket mask are included in the price of the class. Jared Koppes is a certified CPR instructor. (1 meeting)

**COST/$49**

**Basic Math Review**

Multiplication, division, fractions, proportions, percentages, measurements, basic algebraic expressions and equations...words that can strike terror into the hearts of our bravest souls! But, fear not, we have a solution for your problem with basic math. The class focuses on real life practical applications and examples and will help you improve your skills before taking college placement exams and better prepare you for the working industry. Bring pencils, paper and a scientific calculator (not graphing) to class. A textbook is optional, which will be explained on the first day of class. Andrea Chambers has a Bachelor of Science in mathematics and is currently working on a master’s degree in mathematics. She has tutored more than two years for the CTC Developmental Studies program. (4 meetings)

**JUN 4-25 SAT NOON-4 PM**  
**JUL 9-30 SAT NOON-4 PM**  
**AUG 6-27 SAT NOON-4 PM**  
**COST/$55**

**Math Prep for Employment or Service Member Qualification**

Gain the basic math skills needed to prepare for the ASVAB, Civil Service exam or other employment tests. Class focuses on addition, subtraction, multiplication, division, computing with fractions, decimals, ratio and proportion, converting temperature, household measure, metric system, solving algebraic equations, basic geometry and application of general math skills. Temisha Baker has more than 20 years of tutoring experience ranging from basic math and pre-calculus to preparing students to take HESI, ASVAB, TEAS, GED and Civil Service Exam. (8 meetings)

**JUN 18 SAT 8:30 AM-12:30 PM**  
**JUN 18 SAT 1:30-5:30 PM**  
**JUN 24 FRI 8:30 AM-12:30 PM**  
**JUN 24 FRI 1:30-5:30 PM**

**JUL 12- AUG 4 T/TH 5:30-8:00 PM**  
**COST/$75**
**DRAMA**

**Adult Beginner’s Improv**
Think on your feet! This class focuses on learning the basics of short-term beginner’s improvisational theater similar to what you see in shows like “Whose Line is it Anyway?” Emma Merlo studied theater in college and toured with the Missoula Children’s Theater for two years where she learned to hone her improvisational skills all over the country. (1 meeting)

JUN 10 FRI 6-8 PM  
COST/$19

**FOCUS ON YOU**

**NEW! Introduction to Essentials Oils**
Learn how to improve your overall health and wellness by implementing essential oils into your life. Discover how essential oils work and how you can give your medicine cabinet a makeover by utilizing specific combinations of essential oils. These combinations may be used to care for everything from allergies and aches to reducing stress and anxiety. Students will be able to smell, touch and ask questions about essential oils after the lecture portion of the class. Deanna Cayce has integrated essential oils into every aspect of her family’s healthcare for more than a year. (1 meeting)

JUN 4 SAT 2-4 PM  
AUG 20 SAT 2-4 PM  
COST/$19

**Becoming a Person of Influence**
Whatever your vocation or aspiration, you can increase your impact on others by becoming a person of influence. Mangers will see their employees respond with new enthusiasm. Parents will connect with their children on a deeper level. Coaches will see players blossom and pastors will reach more people. Salespeople will break more records. Learn simple, insightful ways to interact more positively with others and watch your personal and organizational success go off the charts! Participants must be at least 18 years old to register. Bring $13 to purchase a book from the instructor. Norm Mitchell, a public speaker and best-selling author, has trained using John Maxwell’s Leadership programs for more than 15 years. (4 meetings)

JUN 6-27 MON 7-8 PM  
COST/$19

**OUR WORLD**

**NEW! Introduction to Beekeeping**
When the idea of bees comes up, most people think about honey. But, did you know it is estimated one-third of the human food supply depends on pollination by insects, birds and bats, most of which is accomplished by bees? Class topics include honey bee identification, protective clothing, acquisition of honey bees and equipment, setting up and managing honey bee hives, pest management and bee hive products. Frank Morgan, a member of local and state beekeepers associations, is a small-scale journeyman beekeeper and business owner who has been working with Langstroth and Kenya Top-Bar beehives for the past 15 years. (3 meetings)

JUN 24-JUL 8 FRI 1-3 PM  
COST/$29

**GET PHYSICAL**

**Physical Conditioning**
Explore a variety of exercise routines, workout techniques and basic fitness information to help you get in shape. Workouts emphasize cardio respiratory improvement and toning exercises using dumbbell weights, circuit training and some running. Wear appropriate gym clothing (t-shirt and shorts or sweats). Bring a towel and water bottle to each class. Bruce Vasbinder is a certified group fitness instructor and has 15 years of experience teaching a variety of CTC kinesiology courses. (5 or 6 meetings)

JUN 3-JUL 1 FRI 11:45 AM-1 PM  
JUL 8-AUG 12 FRI 11:45 AM-1 PM  
COST/$35

**Water Spin**
This aerobic workout tones your legs, buttocks, abdomen and arms. Class includes a warm up, 30 to 40 minutes of water cycling and a cool down. No swimming skills are necessary but you must be comfortable using a pool noodle or jog belt to suspend your body in water up to six feet deep. Bring a towel and wear a one-piece swimsuit or swim trunks. Kathleen McDonald (see Water Fitness Training). (4 meetings)

JUN 3-29 FRI 5:30-6:30 PM  
JUL 8-29 FRI 5:30-6:30 PM  
COST/$29

**Water Boot Camp**
Safely tone your body in a low-impact environment. Each student will work at their own pace using water weights, kick boards, aerobic exercise, Pilates and yoga with the goal of increasing their endurance level while toning their body. No swimming skills are necessary. Bring a towel and wear a one-piece swimsuit or swim trunks. Kathleen McDonald (see Water Fitness Training). (8 meetings)

JUN 6-29 M/W 6-7 PM  
JUL 11-AUG 3 M/W 6-7 PM  
COST/$49

**Zumba**
Zumba combines high-energy and motivating music with unique moves and combinations that allow participants to dance away their worries and get in shape. It is based on the principle a workout should be fun and easy to do. With a fusion of Latin and international tunes, Zumba combines the principles of interval and resistance training to maximize caloric output, fat burning and total body toning. Bring a water bottle and towel to each class. Demeka Randolph is a licensed Zumba instructor. (6 or 8 meetings)

JUN 7-30 T/TH 6-7 PM  
AUG 2-25 T/TH 6-7 PM  
COST/$35

**Introduction to Beekeeping**
This aerobic workout tones your legs, buttocks, abdomen and arms. Class includes a warm up, 30 to 40 minutes of water cycling and a cool down. No swimming skills are necessary but you must be comfortable using a pool noodle or jog belt to suspend your body in water up to six feet deep. Bring a towel and wear a one-piece swimsuit or swim trunks. Kathleen McDonald (see Water Fitness Training). (4 meetings)

**Adult Swim Lessons**

This course teaches students water entry and exit, breath control, submerging, buoyancy on front and back, treading water and swimming on front and back, arm and leg movements, floating and fully submerging their faces in water. Ladies must wear a one-piece or tankini (no midriff showing), males must wear swim shorts (no speedos). Children are not permitted in the gym/pool area. Instructors are certified water safety instructors with the American Red Cross. (4 meetings)

**Viniyoga Workshop: A Breath-Centered Approach to Yoga**

Viniyoga is an ancient approach to yoga using repetition in postures and breath to help heal and balance the body and spine. Students will be introduced to this approach with sequences that prevent injury and offer many available modifications and adaptations to fit various physical needs. Students will learn about the biomechanics of the breath and the movement of the spine. There will be lecture, demonstration and practice. Wear comfortable clothing and bring a yoga mat and snack or light lunch. Tawni Lay, a 500-hour registered viniyoga teacher with more than 17 years of experience. (1 meeting)

**DANCE**

**Belly/Oriental Dance**

Learn Oriental dance, better known in the western world as belly dance. This ancient, mesmerizing form of dance plays an integral part in Middle Eastern celebrations. It is also a fun form of exercise for students of all ages and sizes. Prior experience is not necessary. Class focuses on flexibility and muscle isolations, improving posture and fundamental moves. You will also learn how to combine moves and dance on your own. No pre-requisite for this class. Wear comfortable, form-fitting exercise clothing. Shoes are not necessary but ballet, jazz or similar dance shoes or socks are recommended. Hip scarves are not required but make dancing more fun and help define the hip line. A long or large triangular scarf will work. Bring water to class to stay hydrated. Sabine, also known as Mahasin, has been happily dancing since 2003 and teaching since 2009. (8 meetings)

**Tribal Belly Dance**

Tribal belly dance is a fun improvisational group dance. Dancers learn movement vocabulary and cues that allow them to dance in unison in a “Simon says” fashion. These dance movements find their origin in the more folkloric styles of Oriental dance and from tribes all across the Middle East, North Africa and the Romani people. Pre-requisite: students must have belly/Oriental dance experience and instructor’s approval to take this course. Wear comfortable clothes you can move in (nothing too baggy.) Hip scarves are not required but make dancing more fun and help define the hip line. A long or large triangular scarf will work. Bring water to class to stay hydrated. Janet Adams started dancing at age four with classical ballet and has experience with Oriental dance and currently specializes in tribal style and gypsy dance. (8 meetings)

**Semi-Private Lessons**

Semi-private lessons are available for voice and a wide variety of instruments (call for details). Semi-private lessons include two students and one instructor. Each student must pay the appropriate fee (listed below). Semi-private lessons are an excellent alternative to individual lessons for families with more than one child taking music instruction. It is up to the student or parent to find the second student for semi-private lessons. Instruction is individually designed for each student according to age, ability and personal goals. Students must have the instrument available for daily practice. Music supply costs will vary per student. Call to arrange 30- or 45-minute lessons. (6 meetings)

ARTS AND CRAFTS

Acrylic Painting
Develop the skills needed to create amazing paintings. Learn how to blend and mix colors, convey expressions and bring everyday items to life with a splash of color! You will begin with a simple painting and finish with a masterpiece. Be prepared to spend $50-$70 on supplies (supply list available when registering.) Keep receipts for all supplies until the first day of class. Wear clothes you can get messy! Graciela Olivarez (see Beginning Sketching and Drawing). (6 meetings)
JUN 21-30 T/W/TH 9-11 AM
COST/$49

Watercolor
Illuminate the artist inside you! Learn basic watercolor skills and techniques to create your own masterpiece. Be prepared to spend $50-$70 on supplies (supply list available when registering.) Keep receipts for all supplies until the first day of class. Graciela Olivarez (see Beginning Sketching and Drawing). (6 meetings)
JUL 19-28 T/W/TH 9-11 AM
COST/$49

Beginning Sketching and Drawing
Learn basic sketching and drawing skills using pencil and charcoal. Students will sketch and draw a still life setting and learn to SEE with their eyes. Be prepared to spend $50-$70 on supplies (supply list available when registering.) Keep receipts for all supplies until the first day of class. Graciela Olivarez is pursuing a degree in art. (6 meetings)
AUG 2-11 T/W/TH 9-11 AM
COST/$49

CREATIVE CUISINE

Introduction to Raw Foods
Learn why raw organic fruits, vegetables, nuts and seeds are so beneficial for sustaining health and vitality in the human body. Students will explore processed foods and the danger of eating too many. Class includes a demonstration on how to prepare a raw drink, meal and dessert. Recipes will be provided. Tawni Lay has been eating a primarily raw diet since 2007 and enjoys teaching others how to find radiant health through raw organic foods. (1 meeting)
JUN 3 FRI 2-5 PM
COST/$39

Date Night: Surf ‘n’ Turf
Whether you’ve got a new special someone you’re trying to impress or you’re sharing a romantic evening with your long-time love, make your date sizzle with an impressive entree and seductive dessert. Menu includes succulent oysters Rockefeller, surf ‘n’ turf, grilled wrapped asparagus, chocolate molten lava cake. Please wear sleeved shirts and closed-toed shoes. Bring an apron and food container. Chef Melinda has a degree in culinary arts and is a professional baker and pastry chef. (2 meetings)
JUL 8-9 F/SA 10 AM-3 PM
COST/$75

Date Night: Beef Wellington
The kitchen is a great place to bond with that special someone in your life. Tonight’s menu includes chicken or beef wellington, creamy risotto and grilled seasoned vegetables. Please wear sleeved shirts and closed-toed shoes. Bring an apron and food container. Chef Virgil has a degree in culinary arts. (1 meeting)
JUL 28 THU 6-9:30 PM
COST/$45

Basic Food Preparation: Knife Skills
There are fundamentals all good chefs must learn: knife skills, how to operate kitchen equipment, sanitation and safety. This class focuses on knife techniques such as how to fabricate (butcher, cut and trim) a chicken and preparing cuts of carrots and potatoes. Students will combine stocks, sauté and the ingredients listed above to make a savory chicken lazone. Please wear sleeved shirts and closed-toed shoes. Bring an apron and food container. Chef Virgil has a degree in culinary arts. (1 meeting)
JUL 26 TUE 6-9:30 PM
COST/$45
LIFELONG LEARNING
YOU MUST BE 50+ TO ENROLL IN THESE LIFELONG LEARNING CLASSES.

EXERCISE

Water Aerobics
Water aerobics is a fun workout with easy-to-follow exercise routines to improve cardiovascular conditioning. Using the resistance of the water, this class is a total body workout including aerobics, toning and stretching. It can also improve your strength and flexibility leading to better muscular endurance and balance. CTC maintains pool water at approximately 80 degrees. Bring a towel and wear swimsuits and aqua socks (shoes for water). Judith Mills is a certified water aerobics instructor. (12 meetings)

Wear comfortable clothing and bring a yoga mat and snack or light lunch. Tawni Lay, a 500-hour registered viniyoga teacher with more than eight years of experience, previously worked at the Fort Hood Reset Clinic treating soldiers with post-traumatic stress disorder. (1 meeting)

AUG 19 FRI 2-5 PM
COST/$25

COMPLIMENTARY HEALTHCARE TRAINING

Healing Powers of Reflexology
Reflexology is a natural healing art based on the principle there are “reflexes” in the feet which correspond to every part, gland and organ of the body. Through application of pressure on these reflexes, reflexology relieves tension, improves circulation and helps promote the natural function of the related areas of the body. Wear comfortable clothing. Tawni Lay, a trained reflexology practitioner with more than eight years of experience, previously worked at the Fort Hood Reset Clinic treating soldiers with post-traumatic stress disorder. (1 meeting)

Swim Lessons (Age 3-12)
Make sure your kids know how to swim! Children (age 3-4) will learn arm and leg movements, floating and fully submerging their faces in water. The five and older group focuses on elementary water skills with assistance, water entry and exit, breath control, submerging, buoyancy on front and back, treading water and swimming on front and back. Students in both classes will also learn water safety practices in or around water. Children five and under must be accompanied by parents. Students should bring a noodle, towel and wear a swimsuit. Lessons are held at an indoor pool. Yair Colon (see Parent and Child Swim). (4 meetings)

Water Fitness Camp (Age 8-14)
This class helps students develop strength and flexibility while improving posture. Instruction includes 30 minutes of aerobic exercises, 15 minutes of strength exercises and 15 minutes of stretching. Focus is on safety, improving individual students’ fitness level and fun! Students must wear a one piece bathing suit and bring a towel. Kathleen McDonald (see Water Fitness). (4 meetings)

JUN 17-JUL 15* FRI NOON-1 PM
JUL 22-AUG 12 FRI NOON-1 PM
COST/$25
*No class Jul 1

Our office no longer accepts cash or personal checks! Payment must be made by credit/debit card, money order or cashier’s check.
**Lego Robot Arms**  
**Age 7-12**  
Take your Lego building skills to the NeXT level as you create and program a series of robotic arms with Lego robotics. You will bring robot arms to life using sensors and the Lego NXT-G programming language. Students will get an introduction to foundational science, technology, engineering and math concept skills. Bring a snack for the break. Michael Owens (see We Do Robotics). (4 meetings)  
**JUN 20-23**  
**M-TH**  
**1-4:30 PM**  
**COST/$149**

**We Do Robotics II**  
**Age 7-12**  
We will review and expand upon the building and programming skills taught in the WeDo Robotics class. Using the WeDo expansion kit and multiple motors and sensors, students will build bigger and more complex interactive robot projects like the crane, the Ferris wheel, the smart house and the race car. The class culminates in a day of student choice builds from the Lego Engineering, the Next Level. Bring a snack for the break. Prerequisite: WeDo Robotics. Mike Owens (see WeDo Robotics). (4 meetings)  
**JUN 27-30**  
**M-TH**  
**8:30 AM-NOON**  
**COST/$149**

**Rocket Science**  
**Age 6-12**  
Three, two, one ... blastoff! Learn all about rockets including where they were invented, what gives them thrust, how they blast off and how to build your own model rockets to take home. Carroll Beckom (see Sea Quest). (1 meeting)  
**JUL 6**  
**WED**  
**9 AM-NOON**  
**COST/$35**

**COMPUTERS**

**App Inventor**  
**Age 10-14**  
Learn how to create your very own app - from the simplest app to a complex game. Students will use App Inventor, a free cloud-based application that allows them to create apps with blocks instead of programming in Java. Have fun while learning software engineering concepts like logics, variables, loops and data types. Anderson Fernandes has several years of experience working as a webpage designer and program coder. (4 meetings)  
**JUN 20-23**  
**M-TH**  
**9 AM-NOON**  
**COST/$75**  
**JUL 25-28**  
**M-TH**  
**9 AM-NOON**  
**AUG 8-11**  
**M-TH**  
**NOON- 3 PM**  
**COST/$75**

**Programming for Teens**  
**Age 14+**  
Explore the basics of programming in any language using Java. Students will learn concepts like variables, data types, logic, loops, algorithms, version control as well as principles of object-oriented programming that could be applied to any modern programming language. Anderson Fernandes (see App Inventor). (4 meetings)  
**JUL 11-14**  
**M-TH**  
**9 AM-1 PM**  
**COST/$99**

**ENGINEERING**

**Rockets, Planes and Balloons**  
**Age 7-12**  
Discover flight in many forms as you construct a variety of flying contraptions including rockets, planes and hot air balloons. Students will get an introduction to foundational science, technology, engineering and math concept skills. Bring a snack for the break. Michael Owens (see We Do Robotics). (4 meetings)  
**JUN 27-30**  
**M-TH**  
**1-4:30 PM**  
**COST/$75**

**Young Science Lab Rats**  
**Age 6-8**  
Young scientists will discover the amazing world of science as they race boats using soap for power, cultivate ghost crystals, make a technicolor milkshake and much more. Each participant will work from real science kits! Wear comfortable clothes you can get messy. Melinda Wright has more than 20 years of teaching experience and has presented science workshops at local, state and national levels. (2 meetings)  
**JUN 9-10**  
**TH/FRI**  
**1-3:30 PM**  
**COST/$85**

For more information, call 254-526-1586 or visit us on the web at www.ctcd.edu/ce
**Chemistry Lab Rats (Age 8-12)**

Science has never been this much fun! Make rotten egg gas, find out what sewer maggots are, dispose of ghost poop, make your own bouncy balls and much more. You can even bring a foam gnome to life. Each participant will work from real science kits! Wear comfortable clothes you can get messy! Melinda Wright (see Young Science Lab Rats). (2 meetings)

**JUN 9-10**  **TH/FRI 4-6:30 PM**
**COST/$85**

**Science Girls Rock! (Age 7-14)**

Learn how much fun science can be in this class designed specifically for girls! Learn about the science that goes into making beauty projects and then make some of your own. Students will make lip balm, toothpaste and much more. Wear comfortable clothes you can get messy! Melinda Wright (see Young Science Lab Rats) (1 meeting)

**JUN 13**  **MON 1-3:30 PM**
**COST/$29**

**Slippery Slimy Science (Age 5+)**

Become a mad scientist in training and learn some fun science stuff! Make ooze, a lava lamp, plastic milk, worms and other slimy and fun take-home projects that will help you learn about scientific principles. Students will use the scientific method in order to document outcomes in a science notebook. Students will also receive worksheets so projects can be repeated at home or for a school science project. Course price includes all project supplies. Wear experiment-proof clothing! Nilka Evans (see Slippery Slimy Science). (4 meetings)

**JUN 13-16**  **M-TH 1-4PM**
**JUL 11-14**  **M-TH 1-4PM**
**AUG 1-4**  **M-TH 1-4PM**
**COST/$75**

## Let's Experiment Cont.

**Snap, Crackle, Pop: A Chemistry Journey (Age 5+)**

Eager young scientists will mix safe concoctions that will either snap, crackle or sizzle before they pop. They will receive a journal to document experiences in case they want to repeat them for science fairs or home demonstrations. Make your summer sizzle in this fun-filled science adventure! Wear experiment proof clothing. Nilka Evans (see Slippery Slimy Science).

(J4 meetings)

**Gross Science (Age 6-12)**

Call it the ewww! factor, but nothing engages kids in science more than down and dirty hands-on experiments. We’ll inspire students while reinforcing science concepts with these icky, creepy, smelly and gross investigations. Kids will check out the layers of their skin and learn how to create fake blood, snot and wounds and be ready for Halloween! Carroll Beckom (see Sea Quest). (1 meeting)

**JUL 8**  **FRI 9 AM-NOON**
**COST/$39**

**Invention Convention (Age 6-12)**

Come up with an invention using your creativity. Develop a structure that can support weight and find out how inventors come up with cool ideas. Enter your project in the National Museum of Education's invention competition. Included is a show at the CTC Mayborn Science Theater. Bring a notebook, something to write with and a snack and drink for the break. Carroll Beckom (see Sea Quest). (1 meeting)

**JUL 12**  **TUE 9AM-NOON**
**COST/$39**

**Extraterrestrials (Age 6-12)**

Enjoy an exciting afternoon filled with eerie, out-of-this world creatures! As a member of our space team, you will predict what aliens might look like on various planets. What would ET look like if it lived on Jupiter? How would the environment, gravity and atmosphere change the appearance of an alien living on Mercury? Find the answers and become an alien taxonomist. A show in the Mayborn Science Theater is included. Wear comfortable clothing. Bring a notebook and something to write with. Carroll Beckom (see Sea Quest). (1 meeting)

**JUL 13**  **WED 9 AM-NOON**
**COST/$39**

Our office no longer accepts cash or personal checks! Payment must be made by credit/debit card, money order or cashier’s check.
COLLEGE FOR KIDS CLASSES

Hocus Focus! (Age 6-12)
Children will learn how to increase their concentration power and sharpen their focus with optical illusions. Instruction includes explaining, demonstrating, guiding and enabling each child to learn about the science behind optical illusions. There will be activities for pre-readers and readers and opportunities for small group, large group and individual work. A variety of art, craft, games, videos and demonstrations will be used. Wear comfortable clothing and bring a notebook, something to write with plus a snack and drink for the break. Carroll Beckom (see Sea Quest). (1 meeting)

JUL 18 MON 9 AM-NOON
COST/$39

Sea Quest (Age 6-12)
Discover the ocean and the creatures that call it home! Students will learn about coral reefs and ocean structures like volcanoes, learn about jellyfish, sharks, sea turtles and whales and make an ocean ecosystem in a bottle. Carroll Beckom is an educational program assistant at the Mayborn Science Theater. (3 meetings)

JUN 13-15 M-W 9 AM-NOON
COST/$89

Galaxy Quest (Age 6-12)
Learn about the power of our sun, gravity, stars, what lasers really do and much more! Explore science through hands-on experiments. Students will also make a constellation projector, use a solar telescope and a sun spotter. The last day of class will be spent watching a show in the Mayborn Science Theater. Course price includes all supplies. Carroll Beckom (see Sea Quest). (3 meetings)

JUN 20-22 M-W 9 AM-NOON
COST/$89

You Rock! Fossil Hunting in Central Texas (Age 5+)
Discover the fun of fossil hunting in central Texas. Students will get an overview of the fossilization process and the environments in which fossils are made. Learn how to find and identify fossils for your own collection during a walking field trip (on campus). Each student will create their own 3D-layered fossil landform. A show in the Mayborn Science Theater is included. Wear appropriate clothing and sunscreen. Bring bottled water for the field trip. Nilka Evans (see Slippery Slimy Science). (4 meetings)

JUN 20-23 M-TH 9AM-NOON
COST/$75

Dino Quest (Age 6-12)
Unearth an adventure and discover the most fascinating creatures from the past - dinosaurs! Explore the 15 types of dinosaurs, learn the difference between hungry herbivores and cranky carnivores, create your own dinosaur and make your own fossils. Class also discusses what a paleontologist does. Wear comfortable clothing. Carroll Beckom (see Sea Quest). (3 meetings)

JUN 27-29 M-W 9 AM-NOON
COST/$89

Temperature, Water and Weather...Oh My! (Age 5+)
Have fun making thermometers, barometers and a cloud in a bottle while learning about the water cycle and how it affects weather all over the planet! Students will use the scientific method to document outcomes in a science notebook. Students will also receive worksheets so projects can be repeated at home or for a school science project. A show in the Mayborn Science Theater is included. Course price includes all project supplies. Wear experiment-proof clothing! Nilka Evans (see Slippery Slimy Science). (4 meetings)

JUL 18-21 M-TH 1-4PM
COST/$75

If you are interested in designing a class, call (254) 526-1586 to request an application. You can also check out our website www.ctcd.edu/ce and go to the “Can You Teach?” section to download a course proposal form.
Animal Heroes (Age 5-10)
Calling all animal lovers! This class is perfect for anyone who wants to learn more about animals and make a difference in their lives. Learn interesting facts about animals while you participate in fun, hands-on projects that will benefit homeless pets, primates and more. Wear comfortable clothing and shoes. Melinda Wright (see Young Science Lab Rats). (1 meeting)
JUN 13 MON 10AM-NOON
COST/$29

Young Naturalist (Age 6-12)
Learn how to apply the scientific method while investigating the science behind aquatic ecosystems, natural resources, the food chain and endangered species. Build an "insect zoo," a birdbath and terrarium. Have fun while satisfying the requirements for the Girl Scout’s junior animal habitats badge, Cub Scout’s wildlife conservation awards for belt loop and academic pin and the Webelo naturalist skill award. Wear comfortable clothing and bring a snack. Carroll Beckom (see Sea Quest). (1 meeting)
JUL 11 MON 9 AM-NOON
COST/$39

Gardening for Kids (Age 9-14)
If you love being outside or have a green thumb, gardening is for you! This Junior Master Gardener (JMG) class engages children in hands-on group and individual learning experiences that provide a love of gardening, develop an appreciation for the environment and cultivate the mind. JMG also inspires youths to be of service to others through service learning and leadership development projects and rewards them with certification and recognition. Children can get involved in exploring their world through meaningful activities that encourage leadership development, personal pride and responsibility and community involvement. It helps young people develop critical thinking skills, the ability to identify community concerns and take action to address them through individual group projects. JMG is an international youth gardening program of the university cooperative extension network. Please wear comfortable clothing and bring a notebook, something to write with and a snack and drink for the break. Carroll Beckom (see Sea Quest). (1 meeting)
JUL 20 WED 9 AM-NOON
COST/$35

Spanish (Age 7-11)
Get ahead in school with your knowledge of Spanish. Learn various customs and courtesies along with phrases, numbers, colors, weeks, months and elementary sentence construction for initial conversation. Nilka Evans (see Slippery Slimy Science). (4 meetings)
JUN 27-30 M-TH 9-11 AM
JUL 25-28 M-TH 1-3PM
AUG 8-11 M-TH 9-11 AM
COST/$45
French (Age 7-13)
Have fun learning how to speak French. Class focuses on the alphabet, numbers and basic grammar. Students will also practice making introductions and asking for directions. Bring a pen and notebook to class. Nilka Evans studied French in college and lived in Europe for about seven years. (4 meetings)

FOCUS ON YOU

Early Learners Program
(Age 3-5)
This class offers developmentally appropriate programs in a fun, safe environment for early learners! Students will learn literature, art, math, science, dramatic play, healthy snacks, music and movement through indoor and outdoor play. Educationally interactive materials and equipment are both offered to promote exploration and discovery, which supports the growth and development of the whole child. All experiences are play-based and designed to enhance creativity, intellect, healthy emotion, social skills and physical wellbeing. The beginners class is for non-school aged children age 3-4, the intermediate class is for children age 4-5 entering kindergarten and the advanced class is for children age five and older entering first grade. Price includes all supplies and a daily snack, which is tailored around the lesson being taught that day. Students will be able to keep the projects they make using these supplies. Please inform the instructor on the first day of class if your child has any food allergies. Students must be potty trained to attend class. Wear comfortable clothing suitable for exercise. Kaili Stanton has taught an early literacy program for the past six years. (4 meetings)

STRATEGY

Beginning Scholastic Chess
(Age 8-14)
Join other scholastic chess players for a chess experience you won’t forget. Our daily program features a balance of fun and formal chess instruction plus friendly competition. All participants will receive both group and individual instruction. Coach Darieck Foster has taught chess for 16 years and his team has won local, regional, state and national tournaments. (4 meetings)

JUN 13-16 M-TH 1-3 PM
JUL 11-14 M-TH 1-3 PM
COST/$49

Advanced Scholastic Chess
(Age 8-14)
Learn various advanced chess strategies necessary to compete at any level. Part I includes the three phases of a chess match (opening, middle and end), strategies to improve game play and practice methods to improve skills. Part II covers additional strategies, recording, analysis, tournament rules and how to play on a clock. Darieck Foster (see Beginning Scholastic Chess). (4 meetings)

PART I
JUN 20-23 M-TH 1-3 PM

PART II
JUN 27-30 M-TH 1-3 PM
COST/$49

Chess Basics and Strategies
(Age 6+)
Playing chess is a great way to improve critical thinking skills and strategy. Learn the fundamentals of chess in five minutes and put what you’ve learned into practice within the first 30 minutes of play. Students will discover strategies and tips for winning in competitions or enjoying a leisurely game of chess. Wanda Gunter has coached scholastic chess for more than seven years and has published a chess instruction guide. (4 meetings)

COLLEGE FOR KIDS

FIRST AID/SAFETY CONT.

Dog and Cat First Aid (Age 9-16)
Being prepared for emergencies involving a dog or cat is the least you can do for your furry family members! This class teaches you how to protect yourself and the animal from further harm, injury or suffering during emergencies by teaching prompt, effective first aid actions and care. Wear comfortable clothes. No tank tops or shorts. Please indicate whether you are a “dog” or “cat” person when registering. Kenya Andrews (see Babysitter Training). (2 meetings)
JUL 11&13  M/W  9 AM-NOON
COST/$59

New!
Basic Aid Training (Age 6-10)
Safety is all about being prepared and understanding what to do in case of an emergency. Students will learn how to be prepared for emergencies, give general care, protect themselves from harm and follow safety procedures during an emergency with prompt, effective first aid actions and care. This is a great class for students who would like to earn first aid badges. Wear comfortable clothing. Kenya Andrews (see Babysitter Training). (2 meetings)
JUL 14-15  TH-F  9 AM-1 PM
COST/$65

FOOD

New!
Basic Cake Decoration (Age 6+)
Try your hand at cake decorating. Learn how to use basic equipment and master techniques like icing a cake with buttercream, using gel colors, decorating with a variety of tips and creating roses to make a formal spray of flowers. These techniques can also be used to decorate cookies. Students will choose from a variety of seven-inch pre-baked cakes to decorate and take home. Please wear sleeved shirts and closed-toed shoes. Bring an apron and cake container.
Be prepared to spend about $10-$15 on supplies (supply list available when registering). Chef Lezo is a professor in the CTC Culinary Arts and Hospitality department. (2 meetings)
JUN 9-10  TH-F  11 AM-4:30 PM
COST/$99

New!
Food Art (Age 8+)
Garnishes will turn your plate presentation from ordinary to extraordinary. Your guest will feel extra special when you present them with plates that include strawberry fans; a variety of flowers made from onions, carrots, tomatoes; cucumber sharks; and swans made from melons. Please wear sleeved shirts and closed-toed shoes. Bring $20 if you would like to purchase an optional garnishing kit. Bring an apron and food container. Chef Virgil has a degree in culinary arts. (1 meeting)
JUN 11  SAT  11 AM-4 PM
COST/$59

New!
Barbecue Styles from Around the World (Age 13+)
Whether your barbecue preference is well-marinated, skewered or using spice rubs, you’ll be in good company as we explore barbeque recipes from around the world. Get ready for char siu pork (Hong Kong), churrasco beef (Brazil) and souvlaki chicken (Mediterranean). Please wear sleeved shirts and closed-toed shoes. Bring an apron and food container. Chef Virgil (see Food Art). (5 meeting)
JUN 13-17  M-F  10 AM-2 PM
COST/$115

Creative Cookies (Age 7+)
Learn how to make, cut out, bake and decorate homemade sugar cookies. Bring your creative ideas, nimble fingers and favorite cookie cutter. Students will leave with one dozen decorated cookies to share with friends and family. Please wear sleeved shirts and closed-toed shoes. Bring an apron and food container. Chef Melinda has a degree in culinary arts and is a professional baker and pastry chef. (1 meeting)
JUN 24  FRI  11 AM-2 PM
COST/$49

Our cooking classes are open to students age 13+...
See p. 12

LEARN TO
COOK
NEW! Create a Chef (Age 8+)

Show your dad just how special he is this Father’s Day by cooking him a “manly” burger. Our burger line-up includes Thai tuna burger, grilled shrimp burger and inside out burger. Please wear sleeved shirts and closed-toed shoes. Bring an apron and food container. Chef Virgil has a degree in culinary arts. (1 meeting)

JUN 25 SAT 11 AM-4 PM
COST/$59

NEW! Cupcake Safari (Age 6+)

ROAR! Whether you’re a beginner or more advanced, create six different fondant animal cupcakes using basic tools. Practice on Styrofoam cupcake dummies and transfer them to your own homemade cupcakes so your family and friends can enjoy them. Students will choose one dozen pre-baked cupcakes cakes to decorate and bring home. Please wear sleeved shirts and closed-toed shoes. Bring an apron and cake container. Chef Lezo (see Basic Cake Decoration). (2 meetings)

JUL 14-15 TH-F 11 AM-4:30 PM
COST/$99

NEW! More Barbeque Styles from Around the World (Age 13+)

Grab your tongs as we continue our culinary excursion around the globe. On the menu this trip is yakiniku beef (Japan), tandoori chicken (India) and shrimp on the barbie (Australia). Please wear sleeved shirts and closed-toed shoes. Bring an apron and food container. Chef Virgil (see Food Art). (5 meetings)

JUL 18-22 M-F 10 AM-2 PM
COST/$115

NEW! The Science of Food (Age 6+)

Science isn’t just for the classroom, it’s in the kitchen too! Swap your lab coat for an apron and investigate how chemical reactions alter the taste, shape and texture of everyday ingredients. Menu items include spheres made from yogurt, fruit with fizzy explosion flavors as well as foams and airs to create 10-minute cakes. Please wear sleeved shirts and closed-toed shoes. Bring an apron and food container. Chef Lezo (see Basic Cake Decoration). (2 meetings)

AUG 4-5 TH-F 11 AM-4:30 PM
COST/$99

Weather Phenomena (Age 6-12)

Join us as we take a trip through the weather phenomena on our planet and others in our solar system. As we take this journey, we will create our very own Texas tornados, sweet snowflakes and more hands-on activities as we venture through each unique type of weather on various planets. Wear clothing you can get dirty in because the unexpected rain storms may cause a little mud! Carroll Beckom is an educational program assistant at the Mayborn Science Theater. (1 meeting)

AUG 13 SAT 1-4 PM
COST/$35

Up-Cycling: Christmas in July (Age 6-12)

Make your own decorations and gifts from materials you have in your own home, like paper tubes, containers and household odds and ends. Project ideas include handy napkin rings, a light saber and holiday. Wear comfortable clothing and bring a snack. Carroll Beckom (see Weather Phenomena). (1 meeting)

JUL 9 SAT 1-4 PM
COST/$39

The Moon Made Me Do It! (Age 6-12)

Explore truths and myths about the moon. What effects do lunar cycles really have on living organisms? Lunar cycles have been linked with many aspects of human biology, behavior and folklore including crime, birthrates, fertility, werewolves and vampirism. In this lesson, students will discuss various phenomena in living organisms attributed to lunar cycles. Wear comfortable clothing and bring a notebook, something to write with plus a snack and drink for the break. Carroll Beckom (see Weather Phenomena). (1 meeting)

AUG 13 SAT 1-4 PM
COST/$35

Our office no longer accepts cash or personal checks! Payment must be made by credit/debit card, money order or cashier’s check.

FOR MORE INFORMATION, CALL 254-526-1586 OR VISIT US ON THE WEB AT WWW.CTCD.EDU/CE
Central Texas College District does not discriminate in admissions or access to, or treatment or employment in, its programs and activities on the basis of race, color, religion, national origin, gender, disability, age or veterans status.
WHAT ABOUT PARKING?
Parking permits will be issued to those who are registered in our classes. Be sure to display it prominently. Do not park in reserved parking places. Anyone parking in a reserved parking space will receive a parking ticket.

WHAT IF A CLASS IS FULL?
You may register for a class any time prior to the first meeting. However, it’s a good idea to sign up early. Class size is limited! If the class you want to take is full, ask to be placed on a waiting list. Then, if an opening occurs, we will call you.

WHERE’S MY TEACHER?
Teachers rarely miss a class, but if a class is unexpectedly canceled, we make every effort to call you. However, since cancellations often happen on short notice, we post a sign at your class to notify you. The class will then be rescheduled.

HOW DO I PAY FOR MY CLASS?
Payment options are listed at the top of the inside back pages. Payment is always due at registration. Our office no longer accepts cash! Credit cards, money orders or cashier’s checks are accepted for payment.

WHEN CAN I REGISTER?
You may register for a class as soon as the course schedule is available. We highly recommend you register and pay for a class a minimum of three business days before the class starts.

CANCELLATION POLICY
No tuition refunds will be made except in case of course cancellations or official withdrawal from a course. The refund policy for non-credit courses is as follows:

1. All refunds will be processed based on the date the withdrawal form is filed with the Records Office.
2. For courses that meet for more than one class session, refunds of 100% will be made only if the application for refund/withdrawal is filed before the second class meeting.
3. For courses that meet for only one class session, refunds of 100% will be made only if the application for refund/withdrawal is filed with the Records Office before the beginning of the class.
4. Emergency withdrawal will be considered filed as of the date of the emergency leave orders or medical certification of family emergency. Refunds under emergency conditions will follow the schedule of above.
5. Any exceptions to the above policy will require approval of the appropriate dean and the bursar.

WHAT ARE CEUs?
CEUs are nationally recognized to record satisfactory completion of certain approved occupationally-related programs. One CEU is awarded for each 10 contact hours of instruction included in a specified continuing education program or activity. Successful completion is attendance-based unless otherwise noted. 90 percent attendance is required for successful completion of most classes. Some classes require 100 percent attendance.

QUESTIONS?
Call Continuing Education at (254) 526-1586 or email us at continue.education@ctcd.edu. We are located on the main CTC campus in Building 136, Room 139. Our hours are 8 am-5 pm, Monday through Thursday, and 8-11 am on Friday.

CAN YOU TEACH?
We are always looking for instructors who can develop and teach noncredit courses in a variety of areas including foreign language, creative arts, personal skills, painting, drawing, music, career development, outdoor activities, exercise, dance, sign language, craft classes, floral design, College for Kids classes, food and entertainment, travel, culture and writing. For more information about our programs, to discuss a class idea or to request a course proposal package, please contact our office.

Although we have made every effort to ensure the accuracy of information in this brochure, we cannot always control errors or omissions. CTC reserves the right to cancel, combine or divide classes, to change the time, day or place or to change instructors without notification without incurring obligation.
