## Join us at our 2024 College for Kids Community Event on May 4th!

Mark your calendars for **May 4th** and join us for a fun-filled community event where you can learn more about our College for Kids program and meet our dedicated team of instructors. From **12:00 pm to 4:00 pm** at building 559 (Clear Creek Building) families will have the opportunity to:

- Explore course offerings for children ages 5-17, including geology, Spanish, fashion design, and more!
- Meet our passionate instructors and learn about their expertise and teaching approach.
- Participate in interactive demonstrations and activities showcasing the excitement of learning at College for Kids.

## Enroll Your Child in Engaging Courses

Our College for Kids program offers a diverse range of courses that cater to different interests and learning styles. Whether your child is passionate about science, art, technology, or languages, we have something special in store for them. Some of our upcoming courses include:

- **Slippery Slimy Science:** Dive into the fascinating world of science with hands-on experiments and discoveries.
- **Fashion Design Camp:** Unleash your creativity and design your own fashion masterpieces under the guidance of industry professionals.
- **Basic Aid Training:** Equip your child with essential life-saving skills and knowledge in emergency first aid.
- **Registration:** A limited number of summer courses will be available for registration before the start of summer.
