**FOR STUDENTS OF THE REAL WORLD**

Date: March 17, 2020

Subject: Coronavirus (COVID-19)

Central Texas College (CTC) continues to monitor the Coronavirus (COVID-19) related developments. We understand your concerns; your health and safety is our number one priority. While there are no reports of confirmed COVID-19 cases in any of our classes or working facilities, we continue to focus our efforts on prevention, planning, and preparation. CTC is taking the necessary steps to maintain a safe and healthy environment. We will continue to follow the official guidance in minimizing risk and mitigating the spread of COVID-19. Some of our offices are closed until further notice, but the full array of our services continue to be available online.

Students should check out the class schedules at <https://www.ctcd.edu/locations/europe/> and contact their local CTC site coordinator at [www.ctcd.edu/fieldsites](http://www.ctcd.edu/fieldsites). Our staff works remotely and monitors all correspondence to provide all the needed support and guidance. Blended and In-Person classroom classes are now offered remotely as WeBB Learning (classes take place in Blackboard and via Skype) and Distance Learning (fully online). Students can pursue their education from the safety of their home because we provide remotely all the support they might need, seven days a week. All WeBB Learning and Distance Learning courses cover the same core objectives and learning outcomes, require the same instructional materials and have the same content as traditional classroom (face-to-face) classes. Free online tutoring services with webcam capabilities are available five business days a week (maximum of two hours of tutoring per day).

For support after the office hours and during weekends, please contact

[centraltexascollege@europe.ctcd.edu](mailto:centraltexascollege@europe.ctcd.edu).

Thank you for all you are doing during this challenging time to safeguard your own health and that of others. Stay safe!
