Europe Campus

2022-2023

Who we are
For more than 50 years, Central Texas College (CTC) has been committed to the mission of providing students from the local area and around the world with quality education. CTC serves military personnel and their families stationed at military installations in Europe, Alaska, Hawaii as well as throughout the continental United States.

What we offer
The Europe Campus of Central Texas College is contracted to offer members of the military community Associate of Applied Science degrees and certificates in a variety of career and technical programs.

Admissions
CTC is an open-enrollment public community college. There is no application fee.

A student who has graduated from an accredited high school or has a GED certificate, and is a valid U.S. uniformed services ID card holder, is eligible for admission. Adults, veterans and military personnel 18 years or older who have not completed high school may be admitted if the individual can demonstrate the ability to benefit from instruction.

Establishing credit
CTC evaluates and accepts many kinds of education experiences including military, civilian, traditional and nontraditional for credit toward an associate's degree.

College courses from degree granting institutions which are accredited by a regional accrediting association in which the student has earned a grade of "C" or better or "P" will be accepted as transfer credit.
