INDEPENDENT AUDITORS' REPORT

Board of Trustees Central Texas College District Killeen, Texas

Report on the Financial Statements

We have audited the accompanying financial statements of Central Texas College District, (the College) as of and for the years ended August 31, 2016 and 2015, and the related notes to the financial statements, which collectively comprise the College's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the

INDEPENDENT AUDITORS' REPORT (CONTINUED)

overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of Central Texas College District as of August 31, 2016 and 2015, and the respective changes in financial position, and cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis as listed in the table of contents and the Schedule of College's Share of Net Pension Liability and Schedule of College Contributions as listed in the table of contents be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the College's basic financial statements. The supplemental schedules (schedules A through D), as described in the table of contents, are presented for purposes of additional analysis and are not a required part of the basic financial statements. The accompanying schedule of expenditures of federal awards (schedule E) and schedule of expenditures of state awards (schedule F) are presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, and the State of Texas Single Audit Circular, and are also not a required part of the basic financial statements.

The supplemental schedules, the schedule of expenditures of federal awards and the schedule of expenditures of state awards are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such

INDEPENDENT AUDITORS' REPORT (CONTINUED)

information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole.

The additional information (Schedules G, G-1, and G-2 – all marked "unaudited") have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by Government Auditing Standards

lott, Vernon & Co., D.C.

In accordance with Government Auditing Standards, we have also issued our report dated December 2, 2016, on our consideration of the College's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the College's internal control over financial reporting and compliance.

Temple, Texas

December 2, 2016

Central Texas College District Annual Financial Report Management's Discussion and Analysis For the Year Ended August 31, 2016

This section of the Central Texas College District (the College) annual financial report presents a discussion and analysis of the financial performance of the College during the fiscal year ended August 31, 2016. This discussion has been prepared by management along with the financial statements and related footnote disclosures and should be read in conjunction with the financial statements and footnotes. This discussion and analysis is designed to focus on current activities, resulting change and current known facts. For management's discussion and analysis, we have presented the previous year's financial information in order to provide a comparison. The financial statements, footnotes and this discussion are the responsibility of management.

BASIC FINANCIAL STATEMENTS

The basic financial statements are prepared in accordance with the Governmental Accounting Standards Board (GASB) Statement No. 34, "Basic Financial Statements and Management's Discussion and Analysis for State and Local Governments" and Statement No. 35, "Basic Financial Statements and Management's Discussion and Analysis for Public Colleges and Universities". Three primary statements are required: the Statement of Net Position; the Statement of Revenues, Expenses and Changes in Net Position; and the Statement of Cash Flows.

Financial statements for the College's component unit, the Central Texas College Foundation (the Foundation) are issued independent to those of the College but are presented with the College's basic financial statements.

One of the most important questions asked about the College's finances is whether or not the College's financial position has improved as a result of the year's activities. The key to understanding this question is the Statement of Net Position, Statement of Revenues, Expenses and Changes in Net Position and the Statement of Cash Flows. These statements present financial information in a form similar to that used by corporations. The College's net position is one indicator of its financial health. Over time, increases or decreases in net position are one indicator of the improvement or erosion of the College's financial health when considered with non-financial facts such as enrollment levels and the condition of the facilities.

The Statement of Net Position includes all assets and liabilities. It is prepared under the accrual basis of accounting, whereby revenues and assets are recognized when the service is provided and expenses and liabilities are recognized when others provide the service, regardless of when cash is exchanged.

The Statement of Revenues, Expenses and Changes in Net Position presents the revenues earned and the expenses incurred during the year. Activities are reported as either operating or non-operating.

Management's Discussion and Analysis For the Year Ended August 31, 2016

The utilization of long-lived assets, referred to as Capital Assets, is reflected in the financial statements as depreciation, which amortizes the cost of an asset over its expected useful life.

Another important factor to consider when evaluating financial viability is the College's ability to meet financial obligations as they mature. The Statement of Cash Flows presents the information related to cash inflows and outflows summarized by operating, capital and non-capital financing and investing activities.

Required supplementary audited financial information related to pensions is presented as well as Schedules A through F. Each of these schedules presents in detail information from the basic financial statements.

Schedules G, G-1 and G-2 are provided to reflect the campus organizational structure of the College. These schedules are not required by GASB and are not audited.

FINANCIAL AND ENROLLMENT HIGHLIGHTS

- The combination of Cash and Investments and total assets remained very similar to the previous fiscal year.
- The college continues to operate multiple federal contracts with revenues in excess of \$14 million. This is a slight increase from the previous fiscal year and is primarily due to an increase of courses ordered by the Navy under the navy afloat contract.
- Tuition and Fees were down approximately \$3.3 million. This is a 7.3% decrease from the previous fiscal year. Higher Education enrollments are down nation-wide and the effect on Central Texas College is magnified due to our strong and close relationship with Military Voluntary Education (Vol-Ed). Vol-Ed enrollments have been hampered by a shift in tuition assistance regulations. These changes have severely reduced our Vol-Ed enrollments worldwide.
- Distance Education tuition and fees represent approximately \$20 million or 47% of total tuition and fees. Operating revenues clearly reflect military and distance learning initiatives.
- The College Board of Trustees maintained the local ad valorem tax rate for maintenance and operation at \$.1366 in 2016.

Management's Discussion and Analysis For the Year Ended August 31, 2016

STATEMENT OF NET POSITION

The Statement of Net Position includes all assets and liabilities using the accrual basis of accounting, which is similar to the accounting used by most private sector institutions. Net position - the difference between assets and liabilities - are one way to measure the financial health of the college.

Federal, state and local statutes require certain net positions be restricted for future use. Other net positions are unrestricted; however, a majority of these net positions have been designated or reserved for specific purposes such as: working capital for instructional programs, future construction projects and reserves for insurance and post retirement benefits.

STATEMENT OF REVENUES, EXPENSES AND CHANGES IN NET POSITION

The Statement of Revenues, Expenses and Changes in Net Position present the operating results of the college, as well as the non-operating revenues and expenses. Annual ad valorem tax revenues, while budgeted for operations, are considered non-operating revenues in GASB 34-35. Additionally, State appropriations, which previously have been classified as operating revenues, were reclassified as non-operating revenues in accordance with directives from the Texas Higher Education Coordinating Board (THECB). This reclassification is designed to align Texas Community College's financial presentation with that of other States.

OPERATING EXPENSES (by functional classification)

(In Millions)

	<u>2016</u>	2015	% Chan	<u>ge</u>	<u>2014</u>
Instruction	\$ 40.8	\$ 40.8	-	\$	43.2
Public service	1.5	1.6	(6.3)		1.5
Academic support	8.6	10.0	(14.0)		9.2
Student services	10.6	11.2	(5.4)		11.6
Institutional support	21.3	20.9	1.9		19.8
Operation and maintenance of plant	7.4	7.4	-		7.6
Scholarships and related expenses	24.7	27.4	(9.9)		29.7
Auxiliary activities	6.8	7.2	(5.6)		8.0
Depreciation	3.8	4.0	(_5.0)		3.9
Total Expenses	\$125.5	\$130.5	(3.8)	\$	134.5

Management's Discussion and Analysis For the Year Ended August 31, 2016

OPERATING EXPENSES (by natural classification)

(In Millions)

	<u>2016</u>	<u>2015</u>	% Change	<u>2014</u>
Salaries and wages	\$ 53.7	\$ 55.8	(3.8)	\$ 57.2
State Benefits	4.6	3.9	17.9	3.1
Local Benefits	11.2	11.9	(5.9)	13.0
Scholarships and related expenses	24.5	27.4	(10.6)	29.6
Supplies and related expenses	27.7	27.5	.7	27.7
Depreciation	3.8	_4.0	(5.0)	3.9
_	\$ 125.5	\$130.5	(3.8)	\$134.5

Salaries and wages, which clearly represent the largest operating expense, decreased slightly from the previous fiscal year which is a direct result of the decrease in voluntary education and as a result staffing requirements district wide were decreased.

STATEMENT OF CASH FLOWS

The Statement of Cash Flows provides information about cash receipts and cash payments during the year. This statement also helps users assess the college's ability to generate net cash flows, its ability to meet its obligations as they come due and its need for external financing.

(In Millions)

	<u>2016</u>	<u>2015</u>	% Chang	<u>e</u>	2014
Cash provided by (used in):					
Operating activities	\$(50.5)	\$(56.5)	(10.6)	\$	(54.0)
Non-capital financing activities	55.0	59.7	(7.9)		61.6
Capital and related financing activities	(4.8)	(8.0)	(40.0)		(4.2)
Investing activities	(6.6)	8	(925.0)	_	.9

Cash - beginning of year	<u>99.6</u>	103.6	(<u>3.9)</u>	_	99.3
Cash - end of year	\$ 92.7	\$ 99.6	(6.9)	\$	103.6

Management's Discussion and Analysis For the Year Ended August 31, 2016

Cash flows from operating activities represents the difference in the incoming and outgoing cash for all educational operations while cash flows from non-capital financing activities represents the collection from local ad valorem taxes, State appropriations and federal, non-operating revenue. Cash flows from operating activities was down due to decreased enrollments as explained at the beginning of this discussion. Cash flows from capital and related financing activities represent's the cash paid to contractors during the year for construction projects and for the purchase of other capital assets. The decrease was due to the fact that we were in the planning or start-up phase for several major projects and expenditures were down accordingly. Cash flows from investing activities for the fiscal year were up significantly as the college saw a change in investment philosophy and moved large sums from investment pools into bonds.

THE WAY AHEAD

We are continuing our partnership with the Killeen Independent School District with the Early College High School that will bring 300 juniors to our central campus in fiscal year 2018 and a combination of 600 junior's and senior's in 2019 taking full college schedules. Our expanded course offerings through our re-engineered Evening and Weekend College and extended course offerings through the Dual Enrollment program with the various school districts in our service area to include the start-up of our new campus in Fredericksburg, Texas have continued to grow despite the competition from private and 4 year universities. We will continue to meet the educational needs of our taxing district and provide our students with high quality instruction in new and renovated facilities with modern practical equipment. Central Texas College has always strived to provide this high quality instruction in state of the art facilities at the lowest possible cost to students and taxpayers and will continue with those efforts, however, increases to our tuition and tax rate may be necessary to maintain our facilities and our highly qualified staff. These items don't come without a cost. The college implemented a 5% tuition increase January 1, 2017 and additional increases my be required in the future. Rest assured that the tuition and tax rate for Central Texas College will still remain among the lowest in the state of Texas.

CENTRAL TEXAS COLLEGE DISTRICT NOTES TO THE FINANCIAL STATEMENTS August 31, 2016

1. Reporting Entity

The Central Texas College District (CTCD) was established in July, 1965, in accordance with the laws of the State of Texas, to serve the educational needs of the public and the surrounding communities. CTCD is considered to be a special purpose, primary government according to the definition in Governmental Accounting Standards Board (GASB) Statement 14. While CTCD receives funding from local, state and federal sources, and must comply with the spending, reporting and record keeping requirements of these entities, it is not a component unit of any other governmental entity.

2. Summary of Significant Accounting Policies

Reporting Guidelines

The significant accounting policies followed by CTCD in preparing these financial statements are in accordance with the *Texas Higher Education Coordinating Board's Annual Financial Reporting Requirements for Texas Public Community and Junior Colleges*. CTCD applies all applicable GASB pronouncements. CTCD is reported as a special purpose government engaged in business-type activities.

Tuition Discounting

Texas Public Education Grants

Certain tuition amounts are required to be set aside for use as scholarships by qualifying students. This set aside, called the Texas Public Education Grant (TPEG), is shown with tuition and fee revenue amounts as a separate set aside amount (Texas Education Code §56.0333). When the award is used by the student for tuition and fees, the amount is recorded as tuition discount. If the amount is dispersed directly to the student, the amount is recorded as a scholarship expense.

Title IV, Higher Education Act Program Funds

Certain Title IV HEA Program Funds are received by the College to pass through to the student. These funds are initially received by the College and recorded as revenue. When the award is used by the student for tuition and fees, the amount is recorded as tuition discount. If the amount is dispersed directly to the student, the amount is recorded as a scholarship expense.

Other Tuition Discounts

CTCD awards tuition and fee scholarships from institutional funds to students who qualify. When these amounts are used for tuition and fees, the amount is recorded as a tuition discount. If the amount is dispersed directly to the student, the amount is recorded as a scholarship expense.

Basis of Accounting

The financial statements of CTCD have been prepared on the accrual basis whereby all revenues are recorded when earned and all expenses are recorded when they have been reduced to a legal or contractual obligation to pay.

Budgetary Data

Each community college district in Texas is required by law to prepare an annual operating budget of anticipated revenues and expenditures for the fiscal year beginning September 1. The District's Board of Trustees adopts the budget, which is prepared on the accrual basis of accounting. A copy of the approved budget and subsequent amendments must be filed with the Texas Higher Education Coordinating Board, Legislative Budget Board, Legislative Reference Library and Governor's Office of Budget and Planning by December 1.

Cash and Cash Equivalents

CTCD's cash and cash equivalents are considered to be cash on hand, demand deposits and short term investments with original maturities of three months or less from the date of acquisition.

Deferred Outflows

In addition to assets, CTCD is aware that the Statement of Net Position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense) until then. Governments are permitted only to report deferred outflows in circumstances specifically authorized by the GASB. A typical deferred outflow for community colleges is a deferred charge or refunding debt.

Investments

In accordance with GASB Statement No 31, Accounting and Financial Reporting for Certain Investments and External Investment Pools, investments are reported at fair value. Fair values are based on published market rates. Short-term investments have an original maturity greater than three months but less than one year at time of purchase. Long-term investments have an original maturity of greater than one year at the time of purchase.

Inventories

Inventories consist of consumable office supplies, physical plant supplies and bookstore stock. Inventories are valued by the first in, first out method and are charged to expense as consumed.

Capital Assets

Capital assets are recorded at cost at the date of acquisition, or fair value at the date of donation. For equipment, CTCD's capitalization policy includes all items with a unit cost of \$5,000 or more and an estimated useful life in excess of one year. Renovations of \$100,000 to buildings, infrastructure and land improvements that significantly increase the value or extend the useful life of the structure are capitalized. CTCD charges costs of normal maintenance and repairs that do not add to the value of the asset or mater5ially extend asset's lives to operating expense in the year in which the expense is incurred. Depreciation is computed using the straight-line method over the estimated useful lives of the assets. The following lives are used:

Buildings	50 years
Facilities and Other Improvements	20 years
Library Books	15 years
Furniture, Machinery, Vehicles and Other Equipment	10 years
Telecommunications and Peripheral Equipment	5 years

Pensions

CTCD participates in the Teacher Retirement System of Texas (TRS) pension plan, a multiple-employer cost sharing defined benefit pension plan with a special funding situation. The fiduciary net position of TRS has been determined using the flow of economic resources measurement focus and full accrual basis of accounting. This includes for purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, pension expense, and information about assets, liabilities and additions to/deductions from TRS's fiduciary net position. Benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with benefit terms. Investments are reported at fair value.

Unearned Revenue

Tuition and fees of \$10,891,346 and \$10,978,695 have been reported as unearned revenues at August 31, 2016 and August 31, 2015 respectively.

Deferred Inflows

In addition to liabilities, CTCD is aware that the Statement of Net Position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so is not recognized as an inflow of resources (revenue) until that time. Governments are permitted only to report deferred inflows in circumstances specifically authorized by the GASB.

Estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Operating and Non-Operating Revenue and Expense Policy

The College distinguishes operating revenues and expenses from non-operating items. The College reports as a BTA and as a single, proprietary fund. Operating revenues and expenses generally result from providing services in connection with the College's principal ongoing operations. The principal operating revenues are tuition and related fees. The major non-operating revenues are state appropriations and property tax collections. Operating expenses include the cost of sales and services, administrative expenses, and depreciation on capital assets. The operation of food service is not performed by the College.

Prior Year Restatement

Beginning net position as of September 1, 2014, has been restated as follows for the implementation of GASB Statement No. 68, Accounting and Financial Reporting of Pensions, as amended by GASB Statement No. 71, Pension Transition for Contributions Made Subsequent to the Measurement Date.

Beginning net position	\$225,658,651
Prior period adjustment-implementation of GASB 68:	
Net pension liability (measurement date of August 31, 2014)	(23,505,952)
Deferred outflows-District contributions made during	
FY 2014	1,816,932
Recognition of additional contribution adjustment	(55)
Beginning net position, as restated	<u>\$203,969,576</u>

3. Authorized Investments

The Central Texas College District is authorized to invest in obligations and instruments as defined in the Public Funds Investment Act (Sec. 2256.001 Texas Government Code). Such investments include (1) obligations of the United States or its agencies, (2) direct obligations of the State of Texas or its agencies, (3) obligations of political subdivisions rated not less than A by a national investment rating firm, (4) certificates of deposit, and (5) other instruments and obligations authorized by statute. The Board of Trustees of Central Texas College district has adopted a written investment policy regarding thee investment of its funds as defined in the Public Funds Investment Act of 1995 (Chapter 2256, Texas government Code). The investments of the College District are in compliance with the Trustee's investment policies. In addition, there were no instances of non-compliance with regards to the Public Funds Investment Act.

4. Deposits and Investments

Cash and Deposits included and reported on Exhibit 1, Statement of Net Position; consist of the items reported below:

13. Employees' Retirement Plans

The State of Texas has joint contributory retirement plans for almost all of its employees.

Defined Benefit Pension Plans

Plan Description

The CTCD participates in a cost-sharing multiple-employer defined benefit pension that has a special funding situation. The plan is administered by the Teacher Retirement System of Texas (TRS). TRS's defined benefit pension plan is established and administered in accordance with the Texas Constitution, Article XVI, Section 67 and Texas Government Code, Title 8, Subtitle C. The pension trust fund is a qualified pension trust under Section 401(a) of the Internal Revenue Code. The Texas Legislature establishes benefits and contribution rates within the guidelines of the Texas Constitution. The pension's Board of Trustees does not have the authority to establish or amend benefit terms.

All employees of public, state-supported educational institutions in Texas who are employed for one-half or more of the standard work load and who are not exempted from membership under Texas Government code, Title 8, Section 822.002 are covered by the system.

Pension Plan Fiduciary Net Position

Detailed information about the Teacher Retirement System's fiduciary net position is available in a separately-issued comprehensive Annual financial Report that includes financial statements and required supplementary information. That report may be obtained on the Internet at http://www.trs-state.tx.us/about/documents/cafr.pdf#CAFR; by writing to TRS at 1000 Red River Street, Austin, TX 78701-2698; or by calling (512) 542-6592.

Benefits Provided

TRS provides service and disability retirement, as well as death and survivor benefits, to eligible employees (and their beneficiaries) of public and higher education in Texas. The pension formula is calculated using 2.3 percent (multiplier) times the average of the five highest annual creditable salaries times years of credited service to arrive at the annual standard annuity except for members who are grandfathered, the three highest annual salaries are used. The normal service retirement is at age 65 with 5 years of credited service or when the sum of the member's age and years of credited service equals 80 or more years. Early retirement is at age 55 with 5 years of service credit or earlier than 55 with 30 years of service credit. There are additional provisions for early retirement if the sum of the member's age and years of service credit total at least 80, but the member is less than age 60 or 62 depending on date of employment, or if the member was grandfathered in under a previous rule. There are no automatic post-employment benefit changes; including automatic COLAs. Ad hoc post-employment benefit changes, including ad hoc COLAs can be granted by the Texas Legislature as noted in the Plan description above.

Contributions

Contributions requirements are established or amended pursuant to Article 16, section 67 of the Texas Constitution which requires the Texas Legislature to establish a member contribution rate of not less than 6% of the member's annual compensation and a state contribution rate of not less than 6% and not more than 10% of the aggregate annual compensation paid to members of the system during the fiscal year. Texas Government Code section 821.006 prohibits benefit improvements, if as a result of the particular action, the time required to amortize TRS' unfunded actuarial liabilities would be increased to a period that exceeds 31 years, or, if the amortization period already exceeds 31 years, the period would be increased by such action.

Employee contribution rates are set in state statute, Texas Government Code 825.402. Senate Bill 1458 of the 83rd Texas Legislature amended Texas Government Code 825.402 for member contributions and established employee contribution rates for fiscal years 2014 thru 2017. The 84th Texas Legislature, General Appropriations Act (GAA) established the employer contribution rates for fiscal years 2016 and 2017.

Contribution Rates

	<u>2015</u>	<u>2016</u>
Member	6.7%	7.2%
Non-Employer Contributing Entity (State)	6.8%	6.8%
Employers	6.8%	6.8%
FY 2015 Member Contributions	\$2,563,270	
FY 2015 State of Texas On-behalf Contributions	\$ 736,205	
FY 2015 District Contributions	\$1,869,815	

CTCD's contributions to the TRS pension plan in 2016 were \$1,098,769. Estimated State of Texas on-behalf contributions for 2016 were \$736,205.

As the non-employer contributing entity for public education and junior colleges, the State of Texas contributes to the retirement system an amount equal to the current employer contribution rate times the aggregate annual compensation of all participating members of the pension trust fund during that fiscal year reduced by the amounts described below which are paid by the employers. Public junior college districts are required to pay the employer contribution rate in the following instances:

- On the portion of the member's salary that exceeds the statutory minimum for members entitled to the statutory minimum under "Section 21.402 of the Texas Education Code.
- During a new member's first 90 days of employment.
- When any part or all of an employee's salary is paid by federal funding sources, a privately sponsored source, from non-educational and general, or local funds.
- When the employing district is a public junior college or junior college district, the employer shall contribute to the retirement system an amount

- equal to 50% of the state contribution rate for certain instructional or administrative employees; and 100% of the state contribution rate for all other employees.
- In addition to the employer contributions listed above, when employing a retiree of the Teacher Retirement System the employer shall pay both the member contribution and the state contribution as an employment after retirement surcharge.

Actuarial Assumptions

The total pension liability in the August 31, 2015, actuarial valuation was determined using the following actuarial assumptions:

•	Valuation Date	August 31, 2015
•	Actuarial Cost Method	Individual Entry Age Normal
•	Asset Valuation Method	Market Value
•	Single Discount Rate	8.00%
•	Long-term expected Investment Rate of Return*	8.00%
•	Inflation	2.50%
•	Salary Increases including inflation	3.50% to 9.50%
•	Payroll Growth Rate	2.50%
•	Benefit changes during the year	None
•	Ad hoc post-employment benefit changes	None

^{*}Includes Inflation of 2.5%

Actuarial methods and assumptions were updated based on a study of actual experience for the four year period ending August 31, 2014, and adopted on September 24, 2015, by, the TRS Board of Trustees, who have sole authority to determine the actuarial assumptions used for the plan. The most significant changes were related to the update of the post-retirement mortality rates based on the most recent TRS member experience and the decrease in the assumption for general wage inflation from 3.0% to 2.5%. Other changes to overall assumptions and methods had a minor impact on the results of the actuarial valuation and the related pension liability.

There were no changes of benefit terms that affected measurement of the total pension liability during the measurement period.

Discount Rate

The discount rate used to measure the total pension liability was 8.0 percent. There was no change in the discount rate since the previous year. The projection of cash flows used to determine the discount rate assumed that contributions from plan members and those of the contributing employers and the non-employer contributing entity are made at the statutorily required rates. Based on those assumptions the pension plan's fiduciary net position was projected to be available to make all future benefit payments of current plan members.

Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability. The long-term rate of return on pension plan investments is 8%. The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimates ranges of expected future real rates of return (expected returns, net of pension plan investment expenses and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of geometric real rates of return for each major asset class included in the Systems target asset allocation as of August 31, 2015 are summarized below:

Asset Class	Target Allocation	Long-Term Expected Geometric Real Rate of Return	Expected Contribution to Long-Term Portfolio Returns*
Global Equity	mocation	Rate of Return	Tortiono Returns
U.S.	18.0%	4.6%	1.0%
Non-U.S. Developed	13.0%	5.1%	0.8%

Discount Rate Sensitivity Analysis

The following schedule shows the impact of the Net Pension Liability if the discount rate used was 1% less than and 1% greater than the discount rate that was used (8%) in measuring the 2015 Net Pension Liability.

	1% Decrease in	Discount Rate	1% Increase in
	Discount Rate	(8%)	Discount Rate
	(7.0%)		(9.0%)
CTCD's proportionate			
Share of the net pension			
Liability:	\$34,973,888	\$22,321,695	\$11,783,204

Pension Liabilities, Pension Expenses, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions.

At August 31, 2016 the CTCD reported a liability of \$22,321,695 for its proportionate share of the TRS's net pension liability. This liability reflects a reduction for State pension support provided to the CTCD. The amount recognized by the CTCD as its proportionate share of the net pension liability, the related State support, and the total portion of the net pension liability that was associated with the CTCD were as follows:

CTCD's Proportionate share of the collective net pension liability	\$22,321,695
State's proportionate share that is associated with CTCD	8,786,149
Total	\$31,107,874

The net pension liability was measured as of August 31, 2015 and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The employer's proportion of the net pension liability was based on the employer's contributions to the pension plan relative to the contributions of all employers to the plan for the period September 1, 2014 thru August 31, 2015

At the measurement date of August 31, 2015, the employer's proportion of the collective net pension liability was 0.063147%, which was a decrease of 11.887091% from its proportion measured as of August 31, 2014.

For the year ended August 31, 2016 the CTCD recognized pension expense of \$1,251,885 and revenue of \$1,251,885 for support provided by the State.

At August 31, 2016 the CTCD reported its proportionate share of the TRS's deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Deferred Outflows	Deferred Inflows
	of Resources	of Resources
Differences between expected and actual economic experience	\$246,217	\$857,843
Changes in actuarial assumptions	\$1,034,856	\$796,340
Difference between projected and actual investment earnings	\$5,497,336	\$4,388,157
Changes in proportion and difference between the employer's	(\$12)	\$1,952,170
Contributions and the proportionate share of contributions Contributions paid to TRS subsequent to the measurement date	¢1,000,760	
1	\$1,098,769	
Total	\$7,877,166	\$7,994,510

The net amounts of the employer's balances of deferred outflows and inflows of resources related to pensions will be recognized in pension expense as follows:

Year ended August 31:	Pension Expense Amount
2017	\$(440,081)
2018	\$(440,081)
2019	\$(440,081)
2020	\$1,022,638
2021	\$(367,047)
2022	\$(551,461)

Optional Retirement Plan

Plan Description. Participation in the ORP is in lieu of participation in the TRS. The ORP provides for the purchase of annuity contracts and operates under the provisions of the Texas Constitution, Article XVI, Sec. 67, and Texas Government Code, Title 8, Subtitle C.

Funding Policy. Contribution requirements are not actuarially determined but are established and amended by the Texas state legislature. The percentage of participant salaries currently contributed by the state and each participant are 6.6 and 6.65%, respectively. CTCD contributes 1.9% for employees who were participating in the optional retirement program prior to September 1, 1995. Benefits fully vest after one year plus one day of employment. Because these are individual annuity contracts, the state has no additional or unfunded liability for this program. S.B. 1812, effective September 1, 2013, limits the amount of the state's contribution to 50% of eligible employees in the reporting district.

The retirement expense to the State for the CTCD was \$2,162,692 and \$1,610,866 for the fiscal years ended August 31, 2016 and August 31, 2015 respectively. This amount represents the portion of expended appropriations made by the State Legislature on behalf of CTCD.

The total payroll for all College employees was \$53,661,657 and \$55,858,091 for fiscal years 2016 and 2015, respectively. The total payroll of employees covered by the Teacher Retirement System was \$37,739,400 and \$38,257,762 and the total payroll of employees covered by the Optional Retirement System was \$7,136,735 and \$7,951,975 for fiscal years 2016 and 2015, respectively.

Additionally, substantially all employees of CTCD participate in a defined contribution pension program which is subject to the provisions of the Employment Retirement Income Security Act of 1974, as amended. Participating employees are required to contribute 6% of covered compensation, while CTCD contributes 7%. Total employer contributions made by CTCD during the years ending August 31, 2016 and 2015 were \$2,497,624 and \$2,555,230 respectively. In July 1991, CTCD implemented a supplemental retirement program to comply with the Omnibus Budget Reconciliation Act of 1990. All part-time employees are required to contribute 3.75% of covered compensation while CTCD contributes 3.75%. Total employer contributions made by CTCD during the year ending August 31, 2016 and 2015, were \$253,561 and \$266,531 respectively.

14. Deferred Compensation Program

College employees may elect to defer a portion of their earnings for income tax and investment purposes pursuant to authority granted in Government code 609.001. As of August 31, 2016, the CTCD had no employees participating in the program and no payroll deductions had been invested in approved plans.

15. Compensable Absences

Full-time employees earn annual leave from .83 to 2.08 days per month depending on the number of years employed with the CTCD. CTCD's policy is that an employee may carry their accrued leave forward from one fiscal year to another fiscal year with a maximum number of days up to 50 for those employees with 20 or more years of service. Employees with at least six months of service who terminate their employment are entitled to payment for all accumulated annual leave up to the maximum allowed. CTCD recognized the accrued liability for the unpaid annual leave in the amounts of \$1,639,185 and \$1,619,742 for fiscal year 2016 and fiscal year 2015. Sick leave, which can be accumulated up to 480 hours, is earned at the rate of 8 hours per month. It is paid to an employee who misses work from illness. Employees are not entitled to payment for accumulated sick leave upon termination. CTCD's policy is to recognize the cost of sick leave when paid. The liability is not shown in the financial statements since experience indicates the expenditure for sick leave is minimal.

16. Health Care and Life Insurance Benefits

Certain health care and life insurance benefits for active employees are provided through an insurance company whose premiums are based on benefits paid during the previous year. The state recognizes the cost of providing these benefits by expending the annual insurance premiums. The state's contribution per full-time active was \$572.58 per month for the year ended August 31, 2016 (\$537.66 per month for Fiscal Year 2015) and totaled \$2,479,293 for Fiscal Year 2016 (\$2,363,289 for the year ended 2015). The cost to the state of providing those benefits for 210 retirees in the year ended August 31, 2016 was \$967,869 (retiree benefits for 212 retirees cost \$767,350 in Fiscal Year 2015). For 390 active employees, the cost of providing benefits was \$1,511,424 for the Year ended August 31, 2016 (active employee benefits for 459 employees cost \$1,595,939 for the Year ended August 31, 2015). S.B. 1812, effective September 1, 2013, limits the amount of the state's contribution to 50% of eligible employees in the reporting district.

17. Postemployment Benefits Other than Pensions

Plan Description. In addition to providing pension benefits, the state provides certain health care and life insurance benefits for retired employees. Almost all of the employees may become eligible for those benefits if they reach normal retirement age while working for the state. CTCD contributes to the State Retiree Health Plan (SRHP), a cost-sharing, multiple-employer, defined benefit postemployment healthcare plan administered by the Employees Retirement System of Texas (ERS). SRHP provides medical benefits to retired employees of participating universities, community colleges and state agencies in accordance with Chapter 1551, Texas Insurance Code. Benefit and contribution provisions of the SRHP are authorized by State law and may be amended by the Texas Legislature.

ERS issues a publicly available financial report that includes financial statements and required supplementary information for SRHP. That report may be obtained from ERS via their website at http://www.ers.state.tx.us/.

Funding Policy. Section 1551.055 of chapter 1551, Texas Insurance Code provides that contribution requirements of the plan members and the participating employers are established and may be amended by the ERS Board of Trustees. Plan members or beneficiaries receiving benefits pay any premium over and above the employer contribution.

The employer's share of the cost of retiree healthcare coverage for the current year is known as the implicit rate subsidy. It is the difference between the claims costs for the retirees and the amounts contributed by the retirees. The ERS board of trustees sets the employer contribution rate based on the implicit rate subsidy which is actuarially determined in accordance with the parameters of GASB statement 45.

The employer contribution rate represents a level of funding that, if paid on an ongoing basis, is projected to cover normal costs each year and amortize any unfunded actuarial liabilities (or funding excess) of the plan over a period not to exceed thirty years.

Beginning September 1, 2013, SB 1812 limited the state's contribution to 50% of eligible employees for community colleges.

The college's contributions to SRHP for the years ended August 31, 2016, 2015, and 2014, were \$1,073,067, \$1,005,788 and \$897,089, respectively, which equaled the required contributions each year.

18. Pending Lawsuits and Claims

On August 31, 2016, various claims involving CTCD were pending. While the ultimate liability with respect to litigation and other claims asserted against the College cannot be reasonably estimated at this time, this liability, to the extent not provided by insurance or otherwise, is not likely to have a material effect on the College.

CTCD's contracts with the U.S. Government are subject to examination by the Defense Contract Auditing Agency. Management believes that adjustments, if any, resulting from such examination will have no significant impact on the financial condition or results of operations.

19. Disaggregation of Receivables, Payables and Other Operating Revenues Balances

Receivables

Receivables at August 31, 2016 and August 31, 2015 were as follows:

	Fiscal Year 2016	Fiscal Year 2015
Student Receivables	\$ 9,046,594	\$ 7,599,325
Taxes Receivable	327,086	325,500
Federal Receivables	8,117,022	10,233,666
Accounts Receivable	734,886	1,046,682
Interest Receivable	1,184,476	<u>697,687</u>
Subtotal	19,410,064	19,902,860
Allowance for Doubtful Accounts	(5,079,318)	_(4,295,117)
TOTAL RECEIVABLES	\$ <u>14,330,746</u>	\$ <u>15,607,743</u>

Payables

Payables at August 31, 2016 and August 31, 2015, were as follows:

	Fiscal Year 2016	Fiscal Year 2015
Vendors Payable Salaries & Benefits Payable	\$ 4,958,686 16,380,471	\$ 4,082,811 16,416,590
TOTAL PAYABLES	\$ <u>21,339,157</u>	\$ <u>20,499,401</u>

20. **Funds Held in Trust by Others**

There are no balances or transactions of funds held in trust by others on behalf of CTCD.

21. **Contract and Grant Awards**

Contract and grant awards are accounted for in accordance with the requirements of the American Institute of Certified Public Accountants. For federal contract and grant awards, funds expended, but not collected, are reported as Federal Receivables on Exhibit 1. Non-federal contract and grant awards for which funds are expended, but not collected, are reported as Accounts Receivable on Exhibit 1. Contract and grant awards that are not yet funded and for which the institution has not yet performed services are not included in the financial statements. Contract and grant awards funds already committed, e.g., multi-year awards, or funds awarded during fiscal years 2016 and 2015 for which monies have not been received nor funds expended total \$23,192,331 and \$22,632,105. Of these amounts, \$22,598,528 and \$22,240,788 were from Federal Contract and Grant Awards, and \$593,803 and \$391,317 were from State Contract and Grant Awards.

22. **Self Insured Plans**

First dollar worker's CTCD does not currently maintain self-insured arrangements. compensation insurance coverage is carried for all College operations. Employee health and medical malpractice plans are funded. Coverage for unemployment compensation is maintained through the State of Texas as well as numerous other states in which the College contracts education. Accrued liabilities are generally based on actuarial valuation, and represent the present value of unpaid expected claims. Estimated future payments for incurred claims are charged to current operations.

23. **Ad Valorem Taxes**

The District's ad valorem property tax is levied each October 1 on the assessed value listed as of the prior January 1 for all real and business personal property located in the District.

At August 31:

	Fiscal Year 2016	Fiscal Year 2015
Assessed Valuation of the District:	\$10,492,657,401	\$10,057,295,232
Less: Exemptions	(1,606,848,814)	(1,416,595,664)
Net Assessed Valuation of the District	\$8,885,808,587	\$8,640,699,568

]	FY 2016		FY 2015			
	Current Operations	Debt Service	Total	Current Operations	Debt Service	Total	
Authorized Tax Rate per \$100 valuation (Maximum per enabling legislation)	.25	.25	.50	.25	.25	.50	
Assessed Tax Rate per \$100 valuation	.1366	-0-	.1366	.1366	-()-	.1366	

Taxes levied for the year ended August 31, 2016 and 2015 are \$12,138,015 and \$11,803,196 respectively, (which includes any penalty and interest assessed if applicable). Taxes are due on receipt of the tax bill and are delinquent if not paid before February of the year following the year in which imposed.

	F		FY 2015			
Taxes Collected	Current Operations	Debt Service	Total	Current Operations	Debt Service	Total
Current Taxes Collected	\$11,970,524		\$11,970,524	\$11,643,219		\$11,643,219
Delinquent Taxes Collected	79,790		79,790	65,937		65,937
Penalties and Interest Collected	75,485		75,485	67,022		67,022
Total Gross Collections	12,125,799		12,125,799	11,776,178		11,776,178
Tax Appraisal & Collection Fees Bad Debt Expense	(185,015)		(185,015)	(180,713)		(180,713)
Total Net Collections	\$11,940,784		\$11,940,784	\$11,595,465		\$11,595,465

Tax collections for the year ended August 31, 2016 and 2015 were 98.6% and 98.6%, respectively of the current tax levy. Allowances for uncollectible taxes are based upon historical experience in collecting property taxes. The use of tax proceeds is restricted to either maintenance and operations or general obligation debt service.

The District participates in a tax increment financing district (TIF). The following table summarizes the obligations of the District's involvement in the TIF.

	Percentage of	Taxes	Taxes	
	Incremental Tax	Forgone in	Forgone in	
	Committed	2016	2015	
Killeen Tax Increment Reinvestment Zone number Two	100%	\$12,166	\$10,172	

24. Branch Campus Maintenance Tax

N/A

25. Income Taxes

The College is exempt from income taxes under Internal Revenue Code Section 115, *Income of States, Municipalities, Etc.*, although unrelated business income may be subject to income taxes under Internal Revenue Code Section 511 (a)(2)(B), *Imposition of Tax on Unrelated Business Income of Charitable, Etc. Organizations*. CTCD had no unrelated business income tax liability for the year ended August 31, 2016 and 2015.

26. Component Units

Central Texas College Foundation - Discrete Component Unit

Central Texas College Foundation (the Foundation) was established as a separate nonprofit organization in 1992, to raise funds to provide student scholarships and assistance in the development and growth of the College. Under Governmental Standards Board Statement No 39, Determining Whether Certain Organizations are Component Units, the Foundation is a component unit of CTCD because CTCD provides financial support to the Foundation and the economic resources received or held by the Foundation are entirely or almost entirely for the benefit of CTCD.

Accordingly, the Foundation financial statements are included in the College's annual report as a discrete component unit (see table of contents). Complete financial statements of the Central Texas College Foundation can be obtained from the administrative office of the Foundation.

27. Related Parties (Not a Component Unit)

The CTC Employee's Pension Plan and Trust provided certain services on behalf of the CTCD during the year ended August 31, 2016. The Employee's Pension Plan and Trust serves as fiduciary for the CTCD's defined contribution pension programs. The members of Trust are employees of the District who do not receive any additional compensation or incur any expenses.

REQUIRED SUPPLEMENTARY INFORMATION SCHEDULES (RSI)

CENTRAL TEXAS COLLEGE DISTRICT SCHEDULE OF DISTRICT'S SHARE OF NET PENSION LIABILITY For the Year Ended August 31, 2016

Fiscal year ending August 31,*	2016**	2015**
CTCD's proportional share of collective net pension liability	0.063147%	0.071666%
CTCD's proportional share of collective net pension liability	\$ 22,321,695	19,142,979
Portion of NECE's total proportionate share of NPL associated with the CTCD	8,786,179	6,961,584
Total	31,107,874	26,104,563

Note 2: Significant accounting policies used in preparing the schedule.

The expenditures included in the schedule are reported for the college's fiscal year. Expenditure reports to funding agencies are prepared on the award period basis. The expenditures reported above represent funds which have been expended by the college for the purposes of the award. The expenditures reported above may not have been reimbursed by the funding agencies as of the end of the fiscal year. Some amounts reported in the schedule may differ from amounts used in the preparation of the basic financial statements. Separate accounts are maintained for the different awards to aid in the observance of limitations and restrictions imposed by the funding agencies. The college has followed all applicable guidelines issued by various entities in the preparation of the schedule.

Note 3: Expenditures not subject to federal single audit.

CTCD receives amounts under contractual agreements with various U.S. military and other organizations for training programs and other services provided that are not subject to The Uniform Guidance audits and therefore are not included in the above Federal schedule.

Note 4: Student Loans Processed and Administrative Costs Recovered

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Trustees Central Texas College District Killeen, Texas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of Central Texas College District (The "College"), as of and for the years ended August 31, 2016 and 2015, and the related notes to the financial statements, which collectively comprise the College's basic financial statements, and have issued our report thereon dated December 2, 2016.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the College's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the College's internal control. Accordingly, we do not express an opinion on the effectiveness of the College's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the College's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS (CONTINUED)

weaknesses or, significant deficiencies. Given these limitations, during out audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the College's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, including the Public Funds Investment Act (Chapter 2256, Texas Government Code), noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* or the Public Funds Investment Act (Chapter 2256, Texas Government Code).

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the College's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the College's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Trustees Central Texas College District Killeen, Texas

Report on Compliance for Each Major Federal Program

We have audited Central Texas College District's compliance with the types of compliance requirements described in the OMB Compliance Supplement that could have a direct and material effect on each of its major federal programs for the year ended August 31, 2016. The College's major federal programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the College's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the College's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE (CONTINUED)

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the College's compliance.

Opinion on Each Major Federal Program

In our opinion, Central Texas College District complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended August 31, 2016.

Report on Internal Control Over Compliance

Management of the College is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the College's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the College's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE (CONTINUED)

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Temple, Texas

December 2, 2016

ett, Verman + Co., P.C.

CENTRAL TEXAS COLLEGE DISTRICT

Schedule of Findings and Questioned Costs August 31, 2016

I. Summary of Auditors' Results

Financial Statements

1. Type of auditors' report issued Unmodified

Internal control over financial reporting:
 Material weakness(es) identified?

Significant deficiency(ies) identified? None reported

3. Noncompliance material to financial statements noted?

Federal Awards

4. Internal control over major programs:
Material weakness(es) identified?
No

Significant deficiency(ies) identified? None reported

5. Type of auditor's report issued on compliance for major programs Unmodified

6. Any audit findings disclosed that are required to be reported in accordance with section 200.516a of the Uniform Guidance?

None

7. Identification of major programs:

Federal Programs

Loans

Student Financial Assistance Cluster:

- Federal Supplemental Ed	ucational
Opportunity Grants	84.007
- Federal Work-study	
Program	84.033
- Federal Pell Grant	
Program	84.063
- Federal Direct Student	

84.268

CENTRAL TEXAS COLLEGE DISTRICT

Schedule of Findings and Questioned Costs (Continued) August 31, 2016

8. Dollar threshold used to distinguish between type A and type B federal programs

\$750,000

9. Auditee qualified as low-risk auditee for federal single audit?

Yes

II. <u>Findings Relating to the Financial Statements Which are Required to be Reported in Accordance With Generally Accepted Government Auditing Standards</u>
None

III. <u>Findings and Questioned Costs for</u>
<u>Federal Awards</u>
None
