

Bachelor of Science in Homeland Security & Emergency Management pathway

CENTRAL TEXAS COLLEGE

To earn a bachelor’s degree from National University students must complete a minimum of 180 quarter units. Requirements include but are not limited to the university’s general education program (to include one upper division and cultural diversity course), the major core coursework and any additional courses necessary to fulfill overall program requirements.

The table below maps National University’s Homeland Security Major Requirements.

Click [here](#) for NU catalog and detail information about the program.
