Notes

GE Requirements and offerings are subject to change. Please refer to National University's current catalog: <https://www.nu.edu/catalog/> For current and updated information please contact articulations@nu.edu

+ Diversity Enriched Offering - A plus (+) after any course on the list of approved General Education courses signifies a diversity-enriched course. Students must complete at least one (1) diversity-enriched course in the General Education program

***Students who complete all General Education coursework at the Community College will be required to take one (1) Upper-Division General Education Elective for their program in order to meet the Upper-Division General Education requirement. Listed 300-Level NU courses are for informational and planning purposes only and are not articulated with Community College transfer coursework**

Remedial courses taken to achieve minimum levels of collegiate-level competency in the areas of writing and mathematical concepts and systems do not satisfy any portion of the General Education requirement

Honors Coursework – any Honors section of the same course will fulfill the same requirement
