**Evaluation Notes:**

Italicized courses are not included in the AAS in Medical Coding and Billing degree plan but are equivalent to Purdue Global degree requirements. Associate's degree must be composed of at least ninety quarter credits to fulfill Purdue Global's prior degree requirement. Any credits completed above the required ninety quarter credits can be applied to the open elective requirements.

This worksheet does not constitute an official evaluation of a student's prior learning. All students who possess prior learning are encouraged to submit evidence of such and apply for credit evaluations. All prior learning is reviewed on a case-by-case basis, and credit is awarded ultimately at the discretion of the University. To be considered, official transcripts and exam scores should be sent to the following address:
