Test Specific

4. **Diagnostic Test.** A 9.0 is required in reading, language and total math to enroll in a level 1 certificate program. Students have five attempts to pass the Diagnostic Test. Remediation/tutoring is available to assist students in preparing for the test. There is a 48-hour waiting before retesting. The waiting period maybe reduced to 24 hours with successful completion of a tutoring session and instructor permission.

5. **EMT Pre-HESI Test.** Appointments are required. Passing score for all sections is 50%. Students have five attempts to pass the EMT Pre-HESI Test. There is a 48-hour waiting before retesting.

6. **HESI Practice Test.** Appointments are needed for initial testing and paper based testing. Students may access the on-line tests through our Course Site. The LRC practice test is not affiliated with EVOLVE.

7. **GED.** The GED Ready (official practice test) is an on-line test through GED Testing Service. To schedule, pay for and take the GED Ready students must go to GED.com. The LRC does not administer the tests. Students may use a computer in the LRC to take the test. An appointment is recommended to ensure a computer is available. Students can access their score and get study plans through GED.com.
