FAQ'S

How can I prepare?

Remember to bring your username and password on your test date to be able to be logged in to the HESI exam. You **MUST** set up your Evolve account **before** arriving on test day. To do this visit, www.evolve.elsevier.com.

Review related class notes and/or nursing entrance exam review books. Elsevier publishes a HESI review book specifically for this exam. If you have taken the exam previously, you can review content related to missed items through the website: www.evolve.elsevier.com

Is the exam timed?

You are given a maximum time of 3 hours 30 minutes to complete all required sections. Each section of the test is **individually timed**. If individual sections are completed before the allotted time of that section, the remaining time does not accrue towards the remainder of the test. If the maximum time is used for each section it may take up to the maximum time given to finish the entire HESI A2.

Can I use a calculator for the math exam?

There is a calculator given during the exam that may be used. It will be on the right-hand side of the screen and will say "Show Calculator". No scientific or programmable calculators are allowed.

What if I need the department ID?

Please contact the Department of Health Sciences to request the appropriate department ID for the program you are applying for at 254.526.1890 or DHS@CTCD.EDU.

Remember:

- ✓ The HESI A2 **must** be completed with passing scores by deadlines posted on the CTC Nursing Website.
- ✓ No HESI A2 exams **greater than two years old** will be accepted.
