Where Can We Take You?

Deciding what to study in college may be one of the most important decisions you will ever make! You will select a type of program based on your goals:

**Associate of Arts and Associate of Science degree programs** are designed to allow for the transfer of credits earned at Central Texas College to the bachelor degree requirements at most four-year public colleges and universities. Completion of the 42 semester hours of core curriculum in each degree guarantees transferability of the minimum 42 semester credit hours of state-mandated core curricula toward the general education requirements of a bachelor’s degree program at state supported colleges and universities in Texas.

**Associate of Arts in General Studies degree** includes the 42 semester credit hours of state-mandated core curricula toward the general education requirements of a bachelor’s degree program at state supported colleges and universities in Texas, and 18 semester credit hours of electives that allow students to structure a program from courses that fulfill the student’s educational goals.

**Associate of Applied Science degrees** are designed to prepare students for employment. Within many of the associate of applied science degrees, there are certificates of completion that can be finished in less than two years. Many of the fastest growing careers in the state of Texas require these certificates and degrees.

**Non-Credit and Continuing Education programs**, usually offered through the CTC Continuing Education Department offer short-term, career-skills training to prepare you for a job or refine your skills for the job you have. Popular programs include massage therapy, phlebotomy, truck driving and our police academy.

**Auditing Now Available!** Enrich your knowledge without testing and other graded course requirements. Subject to instructor approval and space availability. Admissions application and tuition payment required. No academic credit is available for audited classes.

Our schedules fit yours

CTC offers a variety of options for students with busy lives, including:

- **Classroom** courses on Central Campus in Killeen are offered during the day or in the evening or on weekends through our Evening & Weekend College.
- **Competency-based, open entry** career and technical education programs that you can start any time.
- **Online** courses that start monthly. Choose from more than 450 online courses, 35 degrees and 35 certificates that can be completed online. Look for Open Educational Resources (OER) classes that use no-cost instructional materials.

Most classes range from 8 to 16 weeks in length, although some may be completed in as little as 3 weeks.

*Important! If you do not want to or cannot come to the Central Campus for Academic/TSI Advising or weekday standard hours aren’t convenient, contact the Eagles on Call Center or visit the Evening & Weekend Advisor, CATE Center or make an appointment.*

New Student Enrollment Checklist

Avoid the Rush! New and returning students who have not attended CTC within the last 12 months are encouraged to complete Steps 1-3 prior to October 21 to avoid long wait times.

Step 1: Apply for Admission  www.ctcd.edu/apply
- Submit Application for Admissions online at the CTC webpage. Active Duty Army, National Guard and Army Reserve should use the GoArmyEd portal if they intend to use tuition assistance. Submit:
  - Residency documentation as requested by email to admissions@ctcd.edu or to Admissions department (Bldg. 119, Lobby)
  - Official high school transcript with graduation date or certificate of high school equivalency (GED transcript) if you completed high school within the last five years
  - Official copies of transcripts from previously attended colleges or universities
  - Official copies of test scores
  - Proof of bacterial meningitis vaccination (new students age 21 and under and returning students who have had a break in a fall or spring semester). Students taking only online classes or Dual Enrollment on the high school campus or active duty service members are waived from this requirement. The exemption does not apply to students who live within on-campus housing.
  - College credits taken at least 10 years ago? Review the Academic Fresh Start information in the Texas catalog at http://www.ctcd.edu/academics/catalog/catalog-texas/

Step 2: Testing - Texas Success Initiative (TSI)
- Meet, call or email an Advisor to determine TSI status. If TSI testing is needed:
  - Take TSI pre-assessment and TSI assessment in Bldg 111, Room 233
  - For more information on the TSI go to http://www.ctcd.edu.tsi

Step 3: Academic Planning/Advising
- Not sure what you want to study? Browse our programs at www.ctcd.edu/programs
- Meet or email an Academic Advisor in Student Services Building (Bldg. 119), CATE Center Advisor (Bldg. 118), the Evening/Weekend College Academic Advisor in the Library (Bldg. 102) or email the Eagles on Call Center.
- Appointments can be made at www.ctcd.edu/advisorappointment
  - Select certificate or degree plan with an advisor
  - Your automated degree plan will be available through Student Planning in WebAdvisor.

Step 4: Financial Assistance
- Apply online www.fafsa.ed.gov CTC school code is 004003
- Visit the Financial Aid Office (Bldg. 111, Room 121)
- Complete required documents by deadline indicated and keep personal copy
  - If necessary, you will be notified by email if additional information is required
- Accept award online at www.webadvisor.ctcd.org

Step 5: Registration and Tuition Payment
- Register for classes at www.webadvisor.ctcd.edu prior to the start of the term
- Check the amount of your bill. Verify your residency status. If the status seems incorrect, contact Admissions
- Check your pending financial aid in WebAdvisor to determine if there is a balance due
- Pay balance due at Business Office in Bldg. 119 or through WebAdvisor

Step 6: Apply for On-Campus Housing if Needed
- Complete the Campus Housing Application and Release of Background Information (RBI) Form located online at the CTC webpage (http://www.ctcd.edu/locations/central-campus/campus-housing/)
- Submit all documents to Morton Hall (Bldg. 120) or via email to housing.department@ctcd.edu

Step 7: Obtain a Student I.D. Card
- ID cards are issued in Room 106 of Building 119. Bring a photo ID to verify your identity

Step 8: Books
- Books are available at the CTC Bookstore located in Bldg. 156 or online at www.ctcbookstore.com

Step 9: Student Parking Permits
- Student parking permits are issued by the Campus Police department (Building 137). A copy of your state vehicle registration, CTC photo ID and driver's license are required

Step 10: Attend New Student Orientation, Thursday, January 9,
  Check in 8:15 a.m.  Event begins 9 a.m.,
  Anderson Campus Center and other required training online
- Texas law requires that entering freshmen and undergraduate transfer students attend an orientation on the institution’s campus sexual assault policy during their first semester or term. Students will receive an email to their assigned student Eagle Email Address with online orientation information prior to the end of their first term.
WebAdvisor (Online) Registration*

Spring 2020 WebAdvisor Registration with Same Day Payment Starting October 21

Note: WebAdvisor cannot be used to drop or add a course after the official registration period has ended.

*Students should register online through WebAdvisor. The only exceptions are students who are unable to register online (WebAdvisor) because of blocks such as prerequisites and academic holds, and high school students enrolled in Early College High School program or enrolling for dual credit and/or early admissions.

For the most current class availability, logon to webadvisor.ctcd.edu

Tuition bills are not mailed. Go to your WebAdvisor account to view your account and make payments.

Payment is expected at the time of registration. If you do not meet the payment deadline, you will be dropped from all classes in which you have registered. If you anticipate having a PELL grant, loan or other financial aid, you must ensure that your aid awards cover your tuition balance.

If you decide not to attend classes, you must officially drop your classes prior to the first day of the semester/term or you will be responsible for repaying financial aid monies applied to your account.

Americans with Disabilities Act

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides certain protections for persons with disabilities. If you believe you have a disability requiring an accommodation, please contact the Disabilities Support Services Office in Building 111, Room 207, or by phone at (254) 526-1195. Students are encouraged to visit the disability website at www.ctcd.edu/disability-support to learn more about disability services and the process that students are required to follow to request classroom accommodations in accordance with state and federal disability laws.

Public Notice

Central Texas College does not discriminate in admissions or access to, or treatment or employment in, its programs and activities on the basis of race, color, religion, national origin, gender, disability, age, or veteran’s status. Central Texas College has established programs to ensure that a lack of English language skills will not be a barrier to admission and participation in all educational and vocational programs.

For more information about student rights and grievance procedures, contact Mariceli Vargas in the Student Life office in Building 106, Room 134, (254) 526-1258, or the Director, Disability Support Services in Building 111, Room 207, (254) 526-1195.

How to Register on WebAdvisor
See complete instructions at www.ctcd.edu/webadvisor. Active Duty Army, National Guard, and Army Reserves using military tuition assistance should utilize the GoArmyEd portal for all enrollment actions (i.e. register, drop, and withdraw). The “Student Planning and Registration” section has been changed to “Eagle Self-Service.” Registration will be through the “Eagle Self-Service” section in WebAdvisor. You will no longer see the “Student Planning and Registration” section.

Step 1: Enter User Name
Username is the letter “c” (lowercase) plus your seven-digit CTC ID. Example: c0654321.

Step 2: Enter Password
Enter your date of birth (mmddyy). The first time you log in, you will be prompted to change your password. Note this password for future use. Once you change your password, you may proceed with registration.

Step 3: Student Planning
Within the Students menu, look for the “Eagle Self-Service” link under the Academics and Registration header. Then go to Student Planning.

Step 4: Section Search
When you open Student Planning you will see your Degree Program, GPA and view the classes you need to complete your program by selecting:
• View your progress (for returning or transfer students)
• Plan your Degree & Register for Classes (for new students)
• Click on "Course Catalog" to browse the courses offered
• Select your courses and either add them to your plan or put them on your schedule and register

WebAdvisor Availability to Drop a Class
You must drop a class before the class starts to avoid a financial penalty. The last day to drop a classroom course through WebAdvisor is the Sunday before the term start date. The last day to drop a distance education course through WebAdvisor is the Thursday before the Monday term start date. After the WebAdvisor drop date passes, students may complete the Schedule Change Request eForm and submit the eForm to Central Records-Reg. Or, students may fax a request to drop a distance education course to the Central Campus Records and Registration office at (254) 526-1961 or email the drop request to central.registration@ctcd.edu. Drop requests must be received no later than the Sunday (applicable Central Standard Daylight Time) before the Monday start date.

My Progress Report for Students – Degree Planning
Students may view their degree plan, explore other programs, and register for courses required on their degree plan through WebAdvisor’s “Student Planning.” Log into WebAdvisor and select “Eagle Self-Service,” and then go to “Student Planning.” Click “Go to My Progress.” The My Progress is your automated degree plan that lists all courses required for your degree or certificate, classes you have completed and all courses still needed. The course requirements listed on your automated degree plan are based on the catalog year that is listed for you in the college’s student information system. Contact your advisor if you wish to update this information. Academic advising is a shared responsibility between the student and academic advisor. You and your advisor will use your automated degree plan to discuss your goals and track your academic progress. Do you want to know how close you might be to completing another program of study? Use the “View a New Program” tool in My Progress. This will not change your program of study.

Campus Living is for You!
Central Texas College operates a co-ed Residence Hall for full-time, single students.

The Residence Hall features newly renovated furnished rooms with microwave, mini-fridge, beds, desk, chair and closet. The rooms also have free internet access. A lounge, study room, game room and laundry facilities are also available.

The Residence Hall has single and double occupancy rooms available. Cost for the Spring 2020 semester, including a 5-day meal plan is $3,010 for a single-occupancy room and $2,590 for a double-occupancy room. For CATE Center students we also offer housing, including a 5-day meal plan for $700 a month for double occupancy and $820 a month for single occupancy rooms. Room requests are assigned by semester and honored on a first-come, first-served basis and single-occupancy rooms are limited. Those interested in the Residence Hall or for more information should contact the Residence Hall Manager at (254) 526-1790, Building 120, Room 119a.

For additional information regarding campus housing, go to the Central Campus Location Housing link at http://www.ctcd.edu/locations/central-campus/campus-housing.

Please Note: Students will be charged the non-resident tuition rate for any course in which the student has previously enrolled, or a course of substantially the same content and level as the one enrolled, two or more times. These courses are not eligible for state funding, and as such, are not eligible for any tuition exemption or waivers. Tuition bills are not mailed. Payments are due at the time of registration. Your registration is not complete until payment is received. It is your responsibility to make sure that your registration is finalized. You can verify this by reviewing your account on WebAdvisor. Failure to pay in full may be cause for you to be dropped for nonpayment from your registered classes.

If you anticipate having a Pell grant, loan or other financial aid, you must ensure that your aid awards cover your tuition balance. If you decide not to attend classes, you must officially drop prior to the first day of the semester/term or you will be responsible for repaying financial aid monies applied to your account.

Students are responsible for any additional amounts due CTC from post-enrollment audits and corrections, including all fees and waivers; i.e. registration assessing errors, dropping or adding classes, invalid employment or third-parties' waivers, etc. CTC will accept tuition assistance (sponsor) agreements in lieu of payment at time of registration, but students will be responsible for all amounts owed if sponsoring agency does not remit payment in full. Students who register for classes during late registration will not be eligible to receive a 100% refund on the dropped classes.

Credit Courses-Refund Schedule

Refunds are calculated based upon the start date and the length of the class in weeks. If your class has a different start date is not 16 weeks in length, your refund will not be reflected in the table below. For classes that are less than 16 weeks in length, you can refer to the CTC web site under Business Office Tuition and Fees. Once there scroll down to the refund section.

Students who officially withdraw from the institution or who reduce their semester credit hour load shall have their tuition and mandatory fees refunded as follows:

Any refund applicable for dropped courses will first be applied to any outstanding balance remaining on the student’s account before a check will be issued. Requests for exceptions to the refund policy must be requested within 4 months of the class end date.

Soldiers utilizing the GoArmyEd portal will follow the GoArmyEd refund schedule which is posted at https://www.goarmyed.com/public/facility_pages/Central_Texas_College/courseinfo.asp and also posted on the “Class Details” screen in the GoArmyEd Class Schedule.
Central Texas College will allow hours to be dropped and re-added without penalty to the student if the following conditions are met:

- The transaction must be completed prior to the census date of the dropped hours.
- The start date of the added hours must be prior to the census date of the dropped hours.
- The exchange must be an equal one.
- The exchange must occur simultaneously as a single transaction.

**Important Information for Students who Drop or Withdraw from Courses**

Under Section 51.907 of the Texas Education Code, “an institution of higher education may not permit a student to drop more than six courses, including any course a transfer student has dropped at another institution of higher education.” This statute was enacted by the State of Texas in spring 2007 and applies to students who enroll in a public institution of higher education as first-time freshmen in fall 2007 or later. Any course that a student drops is counted toward the six-course limit if:

1. The student was able to drop the course without receiving a grade or incurring an academic penalty;
2. The student’s transcript indicates or will indicate that the student was enrolled in the course; and
3. The student is not dropping the course in order to withdraw from the institution.

**Installment Payment Plan**

CTC accepts installment payments for fall and spring classes that are 16 weeks in length and on the Main Campus.

- To initiate a payment plan a promissory note must be completed and signed in the Business Office in building 119. Payment plans are not available online.
- A nonrefundable fee of $20 will be assessed each semester for use of the plan.
- Payment obligation is in the following manner: the nonrefundable processing fee plus 50% of the tuition and fees total must be paid at the time of registration with a promissory note executed for the balance; 25% of tuition and fees must be paid on or before October 5th for Fall semesters and March 5th for Spring semesters; and the remaining balance must be paid on or before November 5th for Fall semesters and April 5th for Spring semesters.
- All financial aid will be applied to the amount due before the payment plan is offered.
- A late fee of $25 will be assessed on any payment not made on or before the due date.
- Finance charges of 18% annually will be assessed on any account balance remaining after the final payment due date.
- A student who fails to make full payment of tuition and fees including any incidental fees by the due date may be prohibited from registering for classes until full payment is made. A student who fails to make payment before the end of the semester will be denied credit for the work done that semester until full payment is made.
- In the event of default on the installment plan, CTC has the right to employ a collection agency and/or any other legal means to collect this debt. The student will be required to reimburse CTC the fees of any collection agency which may be based upon a percentage at a maximum of 33% of the debt plus all costs and expenses, including reasonable attorney's fees that CTC may incur in such collection efforts.
- The installment plan is not available to a student who registers during late registration.

**Security Services**

**Safety and security:** Central Texas College police officers serve and protect our college and are fully-licensed and commissioned by the State of Texas. Crime prevention programs stress campus community awareness through the dissemination of materials and presentations to familiarize students, faculty, and staff of their individual responsibility to help reduce criminal activities.

The following crime prevention programs are available on central campus:

- **Operation Identification:** To discourage theft on campus, under this program, personal property items are engraved with the owner's personal identification number.
- **Campus Escorts:** Courtesy escorts are provided to anyone desiring the need for additional safety when walking to or from their class or vehicle.
- **Vehicle Assistance:** The campus police will assist you with your stranded vehicle by providing a courtesy jump start or unlocking it if you accidentally lock your keys inside. Campus police also carry compressed air in case you have a flat tire while on campus.
- **Child Identification:** Complimentary fingerprinting of your child and providing an identification kit in case your child is missing, has run away, or is kidnapped.

**Parking:** There is no fee for student parking, but students and employees are required to obtain a parking permit.

**Emergency Alerts:** When an emergency occurs on or within close proximity of campus, our Emergency Alert system will send e-mail, text messages and voice messages to students and employees in as little as 90 seconds. Students are automatically opted in based on the information provided on their initial enrollment application; but should log into WebAdvisor occasionally to change or add telephone numbers to ensure they receive these alerts. In addition, interior and exterior audible building alert messages may be utilized in the event of an emergency.

For more information on how to stay safe on campus, see our website at http://www.ctcd.edu/locations/central-campus/campus-safety-wellness.
