Course ID	Subject Area	Course Title / Description and Prerequisites (if any)	Term Length & Start Dates	Tuition Rate
ACCT2301	<i>Business - Accounting</i>	Principles of Financial Accounting This course is an introduction to the fundamental concepts of financial accounting as prescribed by U.S. generally accepted accounting principles (GAAP) as applied to transactions and events that affect business organizations. Students will examine the procedures and systems to accumulate, analyze, measure, and record financial transactions. Students will use recorded financial information to prepare a balance sheet, income statement, statement of cash flows, and statement of shareholders' equity to communicate the business entity's results of operations and financial position to users of financial information who are external to the company. Students will study the nature of assets, liabilities, and owners' equity while learning to use reported financial information for purposes of making decisions about the company. Students will be exposed to International Financial Reporting Standards (IFRS).	New terms start Every Monday Select Term Exact dates must appear on Tuition Voucher	\$250 x 3cr
ACCT2302	<i>Business - Accounting</i>	Principles of Managerial Accounting This course is an introduction to the fundamental concepts of managerial accounting appropriate for all organizations. Students will study information from the entity's accounting system relevant to decisions made by internal managers, as distinguished from information 13 relevant to users who are external to the company. The emphasis is on the identification and assignment of product costs, operational budgeting and planning, cost control, and management decision making. Topics include product costing methodologies, cost behavior, operational and capital budgeting, and performance evaluation. <u>Prerequisite</u> : Successful completion of ACCT 2301.	New terms start Every Monday Select Term Exact dates must appear on Tuition Voucher	\$250 x 3cr
ANTH2351	* CORE Course * <i>Language, Philosophy & Culture</i> (Choose one for Core Area 040 or for Component Area Option 090)	Cultural Anthropology The study of human cultures. Topics may include social organization, institutions, diversity, interactions between human groups, and ethics in the discipline.	New terms start Every Monday Select Term Exact dates must appear on Tuition Voucher	\$250 x 3cr

Course ID	Subject Area	Course Title / Description and Prerequisites (if any)	Term Length & Start Dates	Tuition Rate
PHYS1403		Stars and Galaxies This course is designed to give an overview of the visible universe. The objective throughout this course is to explain how astronomers know the many curious things they have learned about our universe. It brings the universe alive; in a sense; by showing the drama of the birth; evolution; and death of stars. What is the universe? Did the universe have a beginning? Will the universe last forever? These cosmological questions are answered in a qualitative way. The chances of life elsewhere in the universe; and how we might know about it are discussed.	New terms start Every Monday Select Term Exact dates must appear on Tuition Voucher	\$250 x 4cr
PHYS1404		Solar System This course is an introduction to Astronomy. The approach is very qualitative, but simple mathematics skills are required. The course is designed to explain the origin of the Solar System including the Sun and its nine planets, and smaller bodies - satellites (moon) orbiting the planets, asteroids, and comets. The students are also exposed to the basic idea of the function of a telescope. Prerequisites: None.	New terms start Every Monday Select Term Exact dates must appear on Tuition Voucher	\$250 x 4cr
PSYC2301		General Psychology Survey of the major psychological topics, theories and approaches to the scientific study of behavior and mental processes.	New terms start Every Monday Select Term Exact dates must appear on Tuition Voucher	\$250 x 3cr
PSYC2314		Life Span Growth and Development Life-Span Growth and Development is a study of social, emotional, cognitive and physical factors and influences of a developing human from conception to death.	New terms start Every Monday Select Term Exact dates must appear on Tuition Voucher	\$250 x 3cr
