I. Smoking and Tobacco Use Policy
Central Texas College prohibits all smoking and/or tobacco use on all campuses, which includes, but is not limited to, hookahs, smokeless tobacco, e-cigarettes, vaping apparatuses, and other such tobacco substitutes. The only exception to this rule is inside the enclosed cab of a person’s personal vehicle. Failure to comply can result in a campus citation. Repeat violators may be subject to fines and discipline pursuant to the Student Code of Conduct.

J. Drug and Alcohol Abuse Policy
1. Introduction:
   You are admitted to Central Texas College for the purpose of educational, social and personal enhancement. Substance and alcohol abuse disrupts the college environment and threatens not only the lives and well-being of students, faculty and staff, but also the potential for educational, social and personal enhancement.

   In recognition of the problems associated with substance and alcohol abuse, Central Texas College has a college-wide alcohol and substance abuse policy. The policy addresses not only disciplinary sanctions associated with substance and alcohol abuse, but also education, prevention, intervention, and treatment activities necessary to help eliminate problems that substance and alcohol abuse poses to the individual and college community.

2. Education, Prevention and Treatment:
   Central Texas College’s Student and Employee Assistance Program/Substance Abuse Resource Center (SEAP/SARC), located in Building 264, provides individual counseling and educational support programs which will assist in prevention of alcohol and substance abuse.

   Central Texas College recognizes the importance of treatment services in assisting students in overcoming substances and alcohol abuse problems. Assessment and intervention services for students are available through the SEAP/SARC. Active duty military and their dependents may seek assistance through the on-post Alcohol and Drug Community Activity Division. If further treatment is necessary, students may be referred to outside counselors and programs. Information related to outside agencies is available through the SARC office or the appropriate Campus Dean. Students attending at a site other than Central Campus, should contact the site location for information.

   Contact SEAP/SARC at **254-526-1166**

3. Health Risks:
   Controlled substances or dangerous drugs as defined by law include, but are not limited to marijuana, any narcotic drug, hallucinogen, stimulant, depressant, amphetamine, and barbiturate. Physical and mental health risks are associated with abuse of these substances. Depending on the drug of abuse, health risks include, but are not limited to:

4. **Legal Aspects:**
Faculty, staff and students of Central Texas College are required to abide by local, state and federal laws pertaining to controlled substances, to include the illegal use of approved drugs. CTCD prohibits the manufacturing, possessing, having under control, selling, transmitting, using any drug in an illegal fashion, or being party to any illegal drug activities, to include possession of drug paraphernalia on college premises or at college-sponsored activities.

Also prohibited is the manufacture, possession, use, sale, or being under the influence of alcoholic beverages or having alcoholic beverage containers in any college-owned or operated facility or at any college sponsored event except when pre-approved in writing and signed by the Chancellor or Board of Trustees of the College District.

The term “controlled substance” refers to those drugs and substances whose possession, sale, or delivery can result in criminal sanctions under the Texas Controlled Substances Act. Penalties for drug possession are governed by the Texas Health and Safety Code. Specific penalties may vary depending on the type of drug and amount seized. Additional information concerning other federal, state and local violations and consequences can be found at the Central Texas College Police Department.

5. **Institutional Disciplinary Action and Process:**
Institutional disciplinary action may be brought against students found by the College to have violated College regulations and/or local/state and/or federal laws concerning controlled substances or other criminal offenses. Violations of any state or federal law pertaining to controlled substances or any other criminal offense that occur during off campus activities may also result in College disciplinary action in situations in which the activity or continued presence of the individual is likely to impact or interfere with the educational mission and the orderly operation of Central Texas College.

College disciplinary proceedings will be in accordance with procedures outlined in this *Student Handbook*. Disciplinary action in cases involving drug or alcohol related situations by students may result in suspension or expulsion from the College for the first offense, depending on the nature and seriousness of the case. Participation in a substance or alcohol abuse educational program may be required in addition to other sanctions. Any disciplinary action imposed by the College is in addition to and separate from any penalty imposed by federal, state or local authority.
II. Introduction

Central Texas College is delighted that you have chosen to begin or continue your college career with us. This Student Handbook will provide you with useful information to aid in the development of communication between you and CTCD’s faculty and staff. The Student Handbook includes the institution’s policies and regulations relating to student conduct and activities. Other publications include:

A. College Catalog

The College Catalog (www.ctcd.edu/academics/catalog) is an official publication of Central Texas College (published online each year) containing the institution’s policies, regulations, procedures, and a schedule of tuition and fees. Central Texas College reserves the right to amend the contents of the Catalog at any time to reflect board policies, administrative regulations and procedures, state law requirements, and tuition and/or fee changes. Students are responsible for observing the regulations and policies contained in the Catalog.

B. Guide to Enrollment for New Students

Before each semester registration period, Guide to Enrollment for New Students is published online which provides a listing of activities and registration procedures. For administrative purposes, the Bulletin Guide to Enrollment for New Students becomes the official semester calendar for which it is published. The most current course listing may be found on Eagle Self-Service.

C. Student Communications

To keep students informed of college events, activities and support services the Central Texas College Marketing Department sends students email communication to the Eagle Mail accounts and posts updates to college Facebook, Twitter, and Instagram accounts. In addition, a college activities calendar is available on the Central Texas College website and via the Ellucian GO mobile application (app). To access EagleMail, students should visit the following link: www.ctcd.edu/eaglemail.

III. Academic Information

A. College Credit

Academic credit is measured by units called semester hours. One semester hour is earned by attending a class one hour per week for a full semester. Most classes meet three hours per week for 16 weeks; therefore, you will have earned three semester hours at the end of the course. Lab and clinical hours add to the semester hour value of a course.

B. Course Load

A full-time course load is 12 or more semester hours during the spring or fall semester and 8 or more semester hours during the ten-week Summer session. A student registering for at least four hours during the shorter Summer I and II semesters is also considered to be full-time; however, if receiving Financial Aid or VA benefits, please check with the appropriate office. If you wish to enroll in more than 18 hours during regular sessions, you must receive special permission from the Dean of Instruction or the Dean of Student Services.
C. Prerequisites
A prerequisite is a course that must be completed satisfactorily before enrollment in another course. Prerequisites can be found under the course description in the CTCD Catalog found at https://www.ctcd.edu/academics/catalog/. Prerequisites indicate what skills and knowledge you must have to succeed in the new course. You must have a grade of C or better in a prerequisite course. If you already qualified and want to skip a prerequisite or are unable to schedule a prerequisite course, you must obtain permission from the department. Don’t wait until registration to get permission–take care of this early!

D. Developmental Continuous Enrollment Requirements
A student is college-ready if he/she successfully completes the Texas Success Initiative Assessment (TSIA2) in English Language Arts & Reading (ELAR) and Mathematics. If the student is not successful in a section of the TSIA2, then they are not TSI Complete in that subject area and must enroll in co-requisite (“paired”) College course with a supplemental course or in a pre-requisite developmental course. With co-requisite courses, if a student drops the college course or its associated paired supplemental course, the student will be dropped from the other paired course as well. For example, if a student drops from a supplemental reading/writing course, which is paired with an English 1301 course, then the student will be dropped from the English 1301 course as well.

Class Attendance and Course Progress
Regular and punctual class attendance at all scheduled classes is expected. Each faculty member will inform students of the attendance policy and the course objectives at the initial class meeting.

Absence/Participation Policy/Census Date: The census date is the day that CTCD legally certifies with the State of Texas the number of enrollments in each course. This chart depicts the census date based on course length:

<table>
<thead>
<tr>
<th>Length of Class in Weeks</th>
<th>Census Date</th>
<th>Last Date to Withdraw from a Class</th>
</tr>
</thead>
<tbody>
<tr>
<td>3</td>
<td>2nd Class Day</td>

<td>9th Class Day</td>
<td>9th Week</td>
</tr>
<tr>

<td>12th Class Day</td>
<td>12th Week</td>
</tr>
</tbody>
</table>

Instructors are required to document attendance through the census date by requiring students to complete an academically related activity or to communicate extenuating circumstances to the instructor PRIOR to census. For all courses, including self-paced, lack of evidence of active student participation before census may result in the student being dropped from the course and having to pay tuition and fees. For blended or hybrid classes where the first class meeting is after census, completion of a graded activity is still required.

Students may be reinstated after certification date if they meet one of the exception rules listed below:
- It is the last class they need to graduate (determined by Student Services)
- They were on field duty in the military (with documentation)
- They had a death in the immediate family
- The course won’t be offered next term
- There was an institutional error

If students meet one of these exceptions, they must request reinstatement within 5 business days after the census date. THERE WILL BE NO REINSTATEMENTS AFTER THAT TIME FRAME. Students should contact their
instructor if one of the exceptions is applicable.
E. **Religious Holy Days**

If you need to be absent from classes for the observance of a religious holy day, you are required to submit a written request to each instructor prior to the absence for the religious holy day(s) that will be missed. Although you will be excused from classes, you will be responsible for make-up of all work or tests missed in the time frame specified by each instructor due to your absence on the religious holy day. The instructor will respond appropriately if you fail to satisfactorily complete the assignment or examination within the specified time frame. A “religious holy day” means a holy day observed by a religion that is exempt from taxation under the federal tax code. Please contact the Director of Student Life at 254-526-1259 should you have further questions.

F. **Withdrawal from Courses**

Faculty is prohibited from withdrawing students from a course after census. After the census date, students wishing to withdraw must withdraw themselves through the CTCD business office, Eagles on Call, E-Form (online). Contact your local site representatives or Eagles on Call if you have questions.

**NOTE:** For co-requisite classes a withdrawal/drop from one class will result in an automatic withdrawal/drop from the other cc-requisite class.

**Administrative Initiated Withdrawals:**

A student may be administratively withdrawn by a designated member of the Registrar’s Office under the following conditions:

- The student has been placed on Academic Suspension or Disciplinary Suspension;
- The student has an outstanding financial obligation owed to the college; or
- The student registered for a course without the required prerequisite or departmental permission.
- The college is under no obligation to refund tuition and fees, or other costs associated with a student who is administratively withdrawn.

G. **Grading System**

The grading system at Central Texas College is as follows:

<table>
<thead>
<tr>
<th>Grades</th>
<th>Grade Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Superior</td>
</tr>
<tr>
<td>B</td>
<td>Above Average</td>
</tr>

</tr>
<tr>
<td>N</td>
<td>No Credit</td>
</tr>
<tr>
<td>P</td>
<td>Completed</td>
</tr>
<tr>
<td>W</td>
<td>Withdrawal</td>
</tr>
</tbody>
</table>

H. **Incompletes**

An “IP” grade may be assigned by an instructor if a student has made satisfactory progress in a course with the exception of a major quiz, final exam, or other project. The “IP” grade may also be assigned for extenuating circumstances beyond a student’s control such as personal illness, death in the immediate family, military orders, or in the case of distance learning courses, technology failures and mail delays. Notice of absences with supporting documentation may be required by the instructor. Students should notify instructors in advance of absences whenever possible. The instructor makes the final decision concerning the granting of the incomplete grade. The instructor may set a deadline for completing the remaining course requirements. In no case will the
deadline exceed 110 days after the scheduled end of the course. It is the student’s responsibility to arrange with the instructor for the assignment of work necessary to complete the course and to change the “IP” within the time specified. An “IP” grade cannot be replaced by the grade of “W”. If a student elects to repeat the course, the student must register, pay full tuition and fees and repeat the entire course.

At the end of the 110 calendar days any unresolved “IP” will be converted to an “FI” and appear as an “F” on the student’s official transcript.

The IP grade is not used for developmental study courses and designated nontraditional, modular courses.

I. Academic Probation and Suspension

Information pertaining to Scholastic Probation and Suspension is located in the College Catalog.

Academic Probation

A student with 7 or more credit hours who achieves a cumulative GPA below 2.0 will be notified via EagleMail and placed on Academic Probation. Students on Academic Probation must achieve a term GPA of 2.0 or above the following semester.

Academic Suspension

Students on Academic Probation status who do not achieve a minimum 2.0 term GPA the following semester will be placed on suspension. Suspended students will not be permitted to register or take classes for one (1) long, sixteen week, semester (Fall or Spring) OR two (2) short semesters (Summer 1 & 2). Students can go through a process to appeal their academic suspension. Students should talk to an academic advisor and/or Student Success and Persistence for more information.

J. Grade Point Average (GPA)

Students are responsible for knowing their grade point average and when their grade point average affects their academic standing. Grades and unofficial transcripts are available online through Eagle Self-Service.

Grades of IP, W, N, XN or P and grades in developmental courses (A, B, C) are not included in the grade point averaging. Please note that a minimum GPA of 2.0 is required for graduation.

K. Dean’s Honor Roll

Students whose scholastic achievement is outstanding may qualify for the “Dean’s Honor Roll.” The Honor Roll includes the names of all students who have earned a grade point average of 3.5 in 12 or more semester hours of college-level credit taken concurrently during the regular semester or eight semester hours of college-level credit taken during the summer semester. Students completing 12 or more semester hours of college-level credit
during two consecutive eight-week terms that start and end within a fall or spring semester and achieve a grade point average of 3.5 or higher receive Honor Roll status. Please contact the Dean of Instruction at 254-526-1116 if a Texas student has any questions. For students outside of Texas, you can contact the Dean of Student Services at 254-526-1373.

2. **On Campus Counseling:**
   On Central Campus, mental health counseling is available, at no cost, through the office Student and Employee Assistance Program (SEAP). Students may make appointments with SEAP directly by calling 254-526-1166. Student Life will also refer students to SEAP as needed. SEAP affords ongoing oversight of student’s ability to function safely and effectively in the college environment. As a condition of continued enrollment, the student’s referred by Student Life will be required to comply with all recommendations and scheduled meetings with SEAP.

3. **Mandated Off-Campus Assessment:**
   The student may be required to complete a comprehensive assessment with an off-campus treatment provider. The purpose of the assessment is to determine the student’s competency to function safely and effectively in the college environment. As a condition of continued enrollment, the student may be required to comply with all recommendations of the assessment and requirements set by the college. The student will be responsible for all costs associated with the assessment and recommendations. A student required to complete an assessment and recommendations may, at the discretion of the College, be prohibited from being on campus, in college housing, and/or attending classes until such time that the assessment and recommendations are completed, and have been reviewed by Central Texas College.

4. **Removal from College Housing:**
   All students living in College Housing must be able to provide for their own personal care. In situations where it is believed that the student’s level of functioning is sufficiently impaired, the student may be removed from College Housing. This action can be short term (e.g. until a formal assessment is completed) or for a longer duration, depending on individual circumstances. Appeals shall be directed to the Dean for Student Success. Any refund of housing costs will be recommended by the Dean of Student Success and approved by the Deputy Chancellor of Academic and Student Success on a case by case basis.

5. **Emergency Withdrawal or Medical Leave of Absence:**
   The College reserves the right to immediately withdraw a student from the College. Such action will be taken when a student demonstrates the inability to continue as a student or presents an immediate danger to self or others, or significant disruption of Campus operations. Such action will be the responsibility of the Dean of Student Success or Campus Dean depending on whether the presenting issue is related the disciplinary and/or academic status of the student. (See Student Code of Conduct: Emergency Procedures)
After an emergency withdrawal or medical leave of absence, an evaluation from an appropriate, treating healthcare provider supporting the student’s return is required and must be submitted as directed to the Dean for Student Success and to the Director of Student Life, or Campus Dean prior to the student being reinstated in college. Such evaluation shall include written documentation from the attending mental healthcare provider substantiating competency to return to the demands of the College environment, to include coursework, campus life, and campus housing as appropriate, and documentation setting forth whether follow up with the psychologist/psychiatrist or other health care provider is required. On Central Campus, the student may be required to attend one or more re-enrollment meetings with the Director of Student Life and with SEAP prior to returning. For other Campuses, the student will be required to meet with the designated Campus administrator prior to returning.

Students may not return to Campus without appropriate documentation from a qualified health care provider or as required by the College, and with full participation in all re-enrollment meetings.

Should the physician’s documentation not be sufficient and the Dean does not allow re-enrollment, the student may appeal this decision to the Deputy Chancellor, Academic and Student Success, whose decision is final.

6. Disciplinary Action:
Although the primary purpose of this policy is to address and support the mental and emotional health needs of students, at times the behaviors exhibited may also be violations of College Policy. The College reserves the right to adjudicate such Policy violations through the established adjudicating bodies of the College. See the Central Texas College District Student Code of Conduct herein for more information on rule violations, disciplinary actions and the appeal process.

B. Mental Health Referral and Contact Information
• Disability Support Services (DSS) for class accommodations 254-526-1195
• Student Life 254-526-1258/1259
• Student and Employee Assistance Program
  Substance Abuse Resource Center (SEAP/SARC) 254-526-1166
• Campus Police 254-526-1427
• Housing Manager 254-526-1490
• Risk Management 254-526-1347

Liaison between the Director of Student Life, the SEAP, the DSS Office, the Campus Police Department and Risk Management can help determine the best course of action when students are reluctant or unable to acknowledge their mental health distress. This helps to ensure that such students are supported appropriately and that the institution’s duty of care to the student is upheld.

C. Health Services and Student Insurance
Each student is personally and financially responsible for their own health care needs. The College does not employ a medical nurse or physician. However, first aid kits for minor injuries only are available in each Central Campus building and the Student Life Office (Roy J. Smith Student Center, Room 130) or Campus Police Department.

If you have a psychological or mental health problem, consult the Director of Student and Employee Assistance Program/Substance Abuse Resource Center (SEAP/SARC) at 254-526-1166.

Central Texas College does not provide or recommend insurance programs for students. The Student Life Office maintains a list of health insurance possibilities for students but does not recommend any insurance company.
D. **Infections and Contagious Diseases – Duty to Notify**
Students are expected to report to the Director of Student Life and Activities and/or the Dean for Student Success and Persistence all contagious and infectious diseases including, but specifically not limited to COVID-19, Tuberculosis, Methicillin-resistant Staphylococcus Aureus (MRSA) and Bacterial Meningitis they may have or know of another having. Appropriate precautions will be taken as the circumstances warrant to ensure the safety and well-being of the entire College community. Designated staff will work with the student to make this situation as least disruptive as possible.

E. **Immunizations and Disease Prevention**
Immunization is an integral part of your personal health care. A crucial part of the process is prevention - do something for yourself before you become ill. Don’t be a part of the problem, be a part of the solution. Make sure that your immunizations are up-to-date. For more information on immunizations, contact a physician, public health clinic or military health services of your choice.

F. **Bacterial Meningitis Requirement**
New students and returning students who enroll in a Central Texas College Texas Site are required to provide proof of a bacterial meningitis vaccination during the previous 5-year period. Proof of vaccination or booster must be provided not later than 10 days before the first day of the term. Exceptions to the requirement may include students who enroll only in online or other distance education courses, who are 22 years of age or older, who have not had a break in enrollment of at least one fall or spring semester, and those who may be eligible to apply for an exemption as set forth in Texas Education Code 51.9192. Some of these exemptions may not apply to those that live in on-campus housing. For more information, see “Important Information about Bacterial Meningitis” herein.

1. **Important Information about Bacterial Meningitis:**
This information is being provided to all new college students in the state of Texas. Bacterial meningitis is a serious, potentially deadly disease that can progress extremely fast - so take utmost caution. It is an inflammation of the membranes that surround the brain and spinal cord. The bacteria that cause meningitis can also infect the blood, leading to 5-15 deaths among college students every year. There is a treatment, but those who survive may develop severe health problems or disabilities

2. **What are the Symptoms?**

| • High fever | • Severe headache |
| • Rash or purple patches on skin | • Vomiting |
| • Light sensitivity | • Stiff neck |
| • Confusion and sleepiness | • Nausea |
| • Lethargy | • Seizures |

There may be a rash of tiny, red-purple spots caused by bleeding under the skin. These can occur anywhere on the body.

The more symptoms, the higher the risk, so when these symptoms appear seek immediate medical attention.

3. **How is Bacterial Meningitis Diagnosed?**
- Diagnosis is made by a medical provider and is usually based on a combination of clinical symptoms and laboratory results from spinal fluid and blood tests.
- Early diagnosis and treatment can greatly improve the likelihood of recovery.
4. **How is the Disease Transmitted?**

The disease is transmitted when people exchange saliva (such as by kissing, or by sharing drinking containers, utensils, cigarettes, toothbrushes, etc.) or come in contact with respiratory or throat secretions.

5. **What are the Risk Factors?**
   - Living in close conditions (such as sharing a room/suite in a dorm or group home).
   - Sharing eating utensils, food or drinks.
   - Sharing cigarettes and toothbrushes.

6. **What are the Possible Consequences of the Disease?**
   - Permanent brain damage
   - Learning disability
   - Gangrene
   - Convulsions
   - Kidney failure
   - Hearing loss, blindness
   - Coma
   - Limb damage (fingers, toes, arms, legs) that requires amputation
   - Death (in 8 to 24 hours from exposure)

7. **Can This Disease be Treated?**
   - Antibiotic treatment, if received early, can save lives and chances of recovery are increased. However, permanent disability or death can still occur.
   - Vaccinations are available and should be considered for:
     - Those living in close quarters.
     - College students 21 years or younger.
   - Vaccinations take 7 - 10 days to become effective, with protection lasting from 3 to 5 years.
   - The cost of the vaccine varies so check with your health care provider.
   - Check with your health care provider for more information.

8. **How Can I Find Out More Information?**
   - Contact your own healthcare provider.
   - Contact the Bell County Health Office at 254-526-8371.
   - Contact web site: [www.cdc.gov](http://www.cdc.gov)

G. **Measles (aka. Rubeola, Red Measles, Hard Measles, 10-Day Measles)**

Measles is a highly contagious viral disease. Antibiotics are not available to treat persons infected with this organism. Recent outbreaks of this illness have included many hospitalizations and several deaths among college-aged persons; therefore, you should have two doses of the vaccine before beginning classes. Most young adults have had only one dose.

H. **Tetanus (aka. Lockjaw)**

Poison produced by tetanus bacteria causes an illness that is very difficult to treat once it occurs, and prevention is the most appropriate choice. The vaccine is effective for about 10 years and needs to be boosted at that interval. Older adults develop tetanus in the United States because many adults do not receive the recommended 10-year boosters.
I. Poliomyelitis
In the United States, polio immunization is not routinely recommended for persons 18 years of age or older. However, if travel to other parts of world is planned, a physician should be contacted for specific recommendations.

J. Acquired Immune Deficiency Syndrome
Any occurrence of harassment or discrimination against a person known or suspected of being infected with Acquired Immune Deficiency Syndrome (AIDS) or the Human Immunodeficiency Virus (HIV), is prohibited and will not be tolerated by Central Texas College.

K. Bloodborne Pathogens
Central Texas College District strives to provide the safest learning environment possible. However, you must accept responsibility for minimizing your exposure to blood-borne pathogens by reporting all potentially unsafe conditions and by practicing this universal precaution: Treat all human blood and certain human body fluids as infectious for the Human Immunodeficiency Virus, the Hepatitis B Virus, and other blood-borne pathogens.

A sharps container is available in the Department of Health Sciences in Central Campus, Nursing Labs, for those individuals having a medically documented need for injections while on Institutional grounds (i.e. insulin injections.) All contaminated needles or sharps are to be placed immediately, or as soon as possible, after use into a sharp’s container. Do not dispose of needles or sharps in trash containers.

L. COVID-19
The coronavirus pandemic is caused by a highly contagious virus and can cause severe acute respiratory distress in those who become infected. Symptoms include initial flu-like symptoms such as fever, coughing, breathing difficulties, fatigue and myalgia. The incubation period can be 1 to 14 days. Prevention tips include avoiding close contact with sick individuals, frequent hand-washing and other good hygiene practices, and social distancing. If a student thinks he/she is infected, please immediately see a doctor, get tested, adhere to self-isolation practices for at least 14 days and obtain doctor’s permission before returning to classes. Students should not attend face-to-face classes or be on campus. Please report your condition to the Director of Student Life or Dean for Student Success and Persistence. For more information, please see the Covid 19 page on the CTCD website https://www.ctcd.edu/covid-19-return-to-campus/.

XI. Security and Safety

A. Student Modes of Transportation
Although alternative modes of transportation on campus are encouraged, certain exceptions and regulations on their use apply.

Definitions:
Motor Scooter – a self-propelled vehicle with at least two wheels in contact with the ground during operation; a braking system capable of stopping the device under typical operating conditions; a gas or electric motor not exceeding 40 cubic centimeters; a deck designed to allow a person to stand or sit while operating the device; and the ability to be propelled by human power alone.

Bicycle – a device that a person may ride that is propelled by human power and has two tandem wheels at least one of which is more than 14 inches in diameter.

Rollerblades – shoe or device attached to a shoe, having a set of wheels (includes roller skates).
**Skateboard** – non-motorized device where two or more wheels are attached to a platform upon which a rider stands.

**Pedestrian** – a person on foot.

Motor scooters and bicycles on campus are subject to motor vehicle laws and regulations outlined by the Texas Transportation Code. Motor scooters must be registered and the operators licensed according to the Texas Transportation Code. All state laws concerning the operation, movement and storage to include parking of the above vehicles are in full force and effect while on college property.

Rollerblades and skateboards as defined, or any variance thereof, are strictly prohibited from being operated on all College property, to include all grounds and buildings owned or occupied by Central Texas College District unless otherwise posted. Vehicle operators shall yield the right-of-way to a pedestrian crossing a roadway in a crosswalk. A pedestrian shall yield the right-of-way to a vehicle if crossing a roadway at a place other than a marked crosswalk. The operator of a vehicle approaching from the rear of a vehicle that is stopped at a crosswalk to permit a pedestrian to cross a roadway may not pass the stopped vehicle. Anyone found in violation of these regulations may be subject to state law penalties and/or campus disciplinary action.

**B. Emergency Evacuation Procedures**

When an alarm sounds, immediately evacuate through the nearest exit, assisting individuals with mobility issues.

**DO NOT**:

- Delay to pack up and collect belongings.
- Use elevators.

Go to the designated meeting place for your class or department. Stay at least 300 feet from the affected building(s).

**C. Emergency Lockdown Procedures**

Comply immediately when instructed to lock down or take shelter.

1. **Violence on Campus:**

   Immediately get in a room, close and barricade the door, close windows and blinds, turn off lights, silence cell phones, and remain quiet. Quietly call 911 (if able) to report the emergency. **DO NOT** open the door to let others in or out until given the “**all clear**” by police or someone in authority known to you. **DO NOT** evacuate if fire alarm sounds, unless you know for certain a fire exists.

2. **Tornado/Weather:**

   Immediately move to an interior room with no windows, close door and stay in place until given the all clear by police or administration.

Students who fail to comply with the emergency evacuation and lockdown procedures will be identified; their ID card may be confiscated, and may be subject to disciplinary action.

D. Hazing
All forms of hazing are prohibited on all Campuses.

Definitions:

Hazing: According to state laws, “hazing” means any intentional, knowing, reckless act, or failure to report acts, occurring on or off the campus of an educational institution, by one person alone or acting with others, directed against a student, that endangers the mental or physical health or safety of a student for the purpose of pledging, being initiated into, affiliating with, holding office in, or maintaining membership in an organization. This includes, but is not limited to:

- Any type of physical brutality, such as whipping, striking, etc.;
- Physical activity, such as sleep deprivation, exposure to the elements, etc.;
- Any activity involving consumption of a liquid, alcoholic beverage, liquor, drug, or other substance that subjects the student to an unreasonable risk of harm or that adversely affects the mental or physical health or safety of the student;
- Any activity in violation of state or federal laws that intimidates the student with ostracism, that subjects the student to extreme mental stress, shame, or humiliation, that adversely affects the mental health or dignity of the student or discourages the student from entering or remaining registered in an educational institution, or that may reasonably be expected to cause a student to leave the organization or the institution;
- Any activity that induces, causes, or requires the student to perform a duty or task that involves a violation of any state of federal law, to include the Texas Penal Code.

Pledge: Any person who has been accepted by, is considering an offer of membership from, or is in the process of qualifying for membership in a club/organization.

Pledging: Any action or activity related to becoming a member of a club/organization.

Organization: A club, fraternity, sorority, association, corporation, order, society, corps, or service, social, or similar group, whose members are primarily students.

1. Personal Hazing Offense Under State and Federal Laws:
   A person commits an offense if the person:
   - Engages in hazing;
   - Solicits, encourages, directs, aids, or attempts to aid another in engaging in hazing;
   - Recklessly permits hazing to occur; or
   - Has firsthand knowledge of the planning of a specific hazing incident involving a student an educational institution, or has firsthand knowledge that a specific hazing incident has occurred, and knowingly fails to report that knowledge in writing to the Director of Student Life & Activities or other appropriate official of the institution.

   Failure to report firsthand knowledge of a hazing event violates state laws.

2. Clubs/Organization Hazing Offense:
   A club/organization commits an offense if the club/organization condones or encourages hazing or if an officer or any combination of members, pledges, or alumni of the organization commits or assists in the commission of hazing. An offense will be addressed administratively and criminally.

3. Consent Not a Defense:
   It is not a defense to prosecution of an offense that the person against whom the assault or hazing was directed consented to or acquiesced in the activity.
4. Immunity from Prosecution Available:
It is possible that in the prosecution of an offense the court may grant immunity from prosecution for the offense to each person who is subpoenaed to testify for the prosecution and who does testify for the prosecution. Any person reporting a specific hazing incident involving a student in an educational institution to the Director of Student Life & Activities or other appropriate official of the institution may be immune from civil or criminal liability that might otherwise be incurred or imposed as a result of the report. Immunity could extend to participation in any judicial proceeding resulting from the report. A person reporting in bad faith or with malice is not protected by this section.

E. Curfew and Loitering Policy
The safety of the entire college community is a primary concern of the Central Texas College District Administration. The Campus Police determine curfew times for certain restricted areas on Central Campus including, parking lots, housing, all parks, the duck pond and any other rural property owned or under the control of the college district. Curfew times for these areas vary with time change but are always enforced during the hours of darkness.

All camping, sleeping, sit-ins and overnight stays on college owned or controlled property, not previously authorized by College administration and campus police are strictly prohibited.

Loitering on college-owned or controlled property, including buildings and parking lots, is prohibited. Loitering on college premises is defined as lingering idly or aimlessly in any area of the campus without official authority. Creating or causing unusually loud and disturbing noises and/or wandering aimlessly about campus (especially around the residence hall) between the quiet hours of 11:00 p.m. and 6:30 a.m. is a violation of college policy. Anyone identified loitering on campus may be cited for violation of the loitering policy, asked to leave or arrested, and/or may be reported to the Director of Student Life Activities for disciplinary action.

F. Trespassing
It is unlawful for any person to trespass on the grounds of any state institution of higher education of Texas or to damage or deface any of the buildings, statues, monuments, memorials, trees, shrubs, grasses, or flowers on the grounds of any institution of higher education.

G. Unauthorized Persons; Refusal of Entry, Ejection, Identification
The governing board of a state institution of higher education or its authorized representatives, Campus Police and/or administrators, may refuse to allow persons having no legitimate business to enter on property under the board’s control, and may remove any undesirable person from the property on his/her refusal to leave peaceably on request. Upon request identification may be required of any person anywhere on the property at any time.

H. Emergency Warnings
The Central Texas College District’s Marketing & Outreach Department coordinates and manages all information and media communication involving events and activities relating to the college district.

This institution will immediately notify the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or staff on campus. Each student is enrolled in the no cost Central Texas College’s Emergency Alert System. This system is used to make notification in the event of a campus emergency and provide ongoing updates to the event.

Warnings may be withheld if they would compromise efforts to contain the emergency; however, every effort will be made to issue crisis warnings without any delay following confirmation of an emergency.
I. Emergency Messages
The Student Life Office or Central Texas College Police will deliver emergency messages to students who are in class. For more information, call 254-526-1258. If attending at another location, the personnel at the location will notify students of emergencies and actions required.

J. Timely Warnings
In the event that a situation arises, either on or off campus, that, in the judgment of the Central Texas College Administration or the Chief of Police constitutes an ongoing or continuing threat, a campus wide “timely warning” will be issued. The warning will be issued through the college faculty/staff email system, through the Central Texas College Emergency Alert Broadcast System (see above) and the Central Texas College Campus Police web page.

Depending on the particular circumstances of the crime, especially in all situations that could pose an immediate threat to the campus community and its individuals, the Office of the Campus Police may also post a notice on the Central Texas College website at: www.ctcd.edu, providing the college community with more immediate notification. In such instances, a copy of the notice is posted in Morton Residence Hall, Bldg. 203 and also available at the Office of the Campus Police. Anyone with information warranting a timely warning is to report the circumstances to the Campus Police, by phone 254-526-1427 or 254-526-1200 or in person at the Campus Police Department, Bldg. 211, directly behind Enrollment Center Bldg. 209 on Main Campus.

K. Zero Tolerance Policy
Central Texas College District is a Violence, Weapon, Discrimination and Harassment Free Zone.

A zero-tolerance policy is one which requires an appropriate penalty be imposed based on the individual circumstances. It is, as it states, intolerant of the prohibited behavior. As part of a “zero tolerance policy”, Central Texas College District will take appropriate disciplinary action for every illegal or unauthorized weapon, threat, incident of hazing, stalking, bullying, harassment, discrimination, sexual misconduct, and/or violent act that is reasonably substantiated through investigation. Central Texas College District may also take disciplinary action for certain violations reported off campus to the extent these violations may have an impact on the campus. This includes, but is not limited to violations that require action under state or federal law, pose an ongoing danger to students, or may cause harm to the campus community, including violent crimes, hate crimes, disturbing or threatening actions, sexual assault and/or misconduct and illegal conduct.

Inappropriate behaviors include, but are specifically not limited to:

- Verbal, written, or acts of harassment/discrimination to include sexual harassment/discrimination, and stalking
- Acts or actions which can be interpreted as physical assault, including sexual assault and/or sexual misconduct
- Hazing or dangerous initiations
- Threats or actions to harm someone or endanger the safety of others
- Behaviors or actions interpreted by a reasonable person as having potential for violence and/or acts of aggression
- Threats to destroy or the actual destruction of property
- Unlawful possession of firearms, knife, or any dangerous weapon, drugs, and/or alcohol (to include being under the influence of prohibited drugs or alcohol); and
- Violation of any local, state or federal law.
L. Weapons on Campus
Texas law prohibits the possession of illegal firearms, illegal knives and other prohibited weapons (as defined below) by those unauthorized to do so on the premises of an educational institution. Possession of an unauthorized weapon, firearm or an open carried hand gun on college premises is a third-degree felony; excluding authorized law enforcement officers in the actual discharge of his/her duties. See the CTCD website for additional information. If you are in a location outside of Texas, you must comply with the local rules and laws.

1. Simulated Weapons:
The limited use of simulated weapons under specific circumstances may be authorized for special events or use.

Simulated weapons shall be constructed of these materials only:
1. Corkboard
2. Cardboard
3. Foam
4. Soft plastic - i.e. plastic that cannot be used to injure another. Use of plastic is on a case-by-case basis as determined by the CTCD Police; and
5. Paper/paper–mâché

No simulated weapon constructed of wood, metal or metal parts will be allowed, including, but not limited to: any simulated weapon with a blade, simulated hand guns or simulated long guns.

All simulated weapons capable of firing projectiles must be rendered inoperable, excluding non-modified Nerf guns.

Pre-Authorization of Simulated Weapons
No less than five (5) business days in advance of the event or intended use, all simulated weapons must be inspected by Campus Police. Inspections may also be verified on the day of the event at CTCD’S discretion. Once approved, the CTCD Police will tag the simulated weapon and the weapon must show the most recent inspection date for the event or use.

All simulated weapons must clearly be imitation. All “real looking” simulated weapons are prohibited and subject to confiscation.

Any exceptions to the simulated weapons policy must be approved by the Campus Police and Risk Management at least fourteen (14) business days prior to the event.

2. Weapons on Campus Policy (Texas only):
In accordance with Texas Penal Code §46.03 or applicable state laws of the campus location or site, all use, storage, carrying or possession of a firearm or other weapon, concealed or otherwise, other than a concealed handgun as authorized under CTCD Safety Policy 131, is prohibited on campuses and at all college events. Safety Policy 131 can be found on the CTCD website on the Risk Management page: https://www.ctcfacstaff.cted.edu/sites/ctcfacstaff/assets/File/Risk%20Management/Safety%20Policy%20Section%201/131%20Campus%20Carry%20Firearms%20and%20Weapons%20Policy%20FINAL%202019.pdf

This policy does not apply to:
1. Licensed Law Enforcement Officers.
2. Students enrolled in, and while participating in, CTCD-authorized courses utilizing weapons.
3. Managers/supervisors and instructors authorized to utilize weapons for instructional purposes for CTCD-authorized courses.
4. To the extent there is a conflict, the CTCD locations on military installations, CTCD students shall follow the guidelines and procedures of the military installation.
5. A Texas-recognized handgun license authorizing the carrying of a concealed handgun may create an exemption to this policy. See CTCD Safety Policy 131 or Human Resource Policy 716 for concealed carry requirements on Campus.

3. **Student Information on Campus Carry (Texas):**
   
   Individuals, including CTCD students, may carry a concealed handgun while on campus unless prohibited by state or federal law, or by CTCD policy. Open carrying of handguns is always prohibited on CTCD campuses.

   Individuals who are otherwise prohibited from carrying a handgun in public in the state of Texas are also prohibited from carrying a concealed handgun on CTCD campus. All concealed handgun carriers are responsible for knowing areas where carrying a concealed handgun is prohibited to include locations on campus where notice is not required to be posted. No one is authorized to carry a concealed handgun on CTCD campus while intoxicated.

   Carrying a handgun on campus requires the handgun to be contained in a holster that completely covers the entire trigger guard area at all times. The holster must have sufficient tension or grip to retain it in the holster, even when jostled or shaken.

   All concealed handguns on campus must be carried on or about the person at all times in a secure and concealed manner, or secure the handgun in a concealed manner in a locked, privately owned or leased motor vehicle. In compliance with Texas Penal Code §46.035, a LTC Holder may not carry a handgun that is partially or wholly visible on campus, regardless of whether the handgun is holstered. Partially or wholly visible is defined as any portion of the actual handgun being visible, but does not include merely a visible outline of a handgun otherwise properly concealed.

   All concealed handguns brought on campus must be holstered and be on or about the LTC Holder’s person, which requires that at all times the handgun must be within arm’s reach of the LTC Holder without him/her materially changing their position.

   Storage of any weapon on CTCD property, including handguns, is prohibited, to specifically include any CTCD lockers. Handguns may only be stored, out of sight, in a personally owned or leased vehicle.

   **Display of a Concealed Handgun.** A partially or wholly visible handgun, the intentional or knowing display a handgun in plain view of another person, even if holstered, while on campus premises, including public driveways, streets, sidewalks or walkways, parking lots, or other parking areas is prohibited.

   **Requirement to Display License.** An LTC Holder must display his or her License to Carry a handgun when directed by a law enforcement officer in accordance with section 411.205 of the Texas Government Code.

   **Gun-Free Zones:** A location or area of campus, a building, or a room in which the possession of some or all weapons, specifically including a concealed handgun, is prohibited and such location is identified as a Gun-Free Zone in accordance with Texas laws.

   **Gun Free Zones by Law and/or CTCD Policy:**
   1. All locations used for early childhood education, daycare, Pre-K-12 school learning or activities, and all areas and CTCD events predominately visited by minor children.
   2. CTCD Mental Health care service locations, including individual and group sessions.
   3. Areas for all sporting or interscholastic events.
   4. Polling locations – to include early voting.
5. Locations where the Board of Trustees are meeting.
6. All Independent School District locations, Example: Shoemaker Center, Bldg. 244.
7. All other locations where the carrying of handguns is proscribed by Texas or federal law.
8. Mayborn Science Theater during events for minors, such as Cub Scout meetings, ISD events, minor’s birthday parties, etc.
9. Sole occupant offices at occupant’s discretion. Occupant must post a sign or give verbal notice to visitors that their office is a gun-free zone. An employee designating his/her office as a gun-free zone shall also be prohibited from having a handgun in that office. Occupant’s duties that require them to meet with an LTC Holder will make reasonable arrangements to meet them in a location in which the LTC Holder is permitted to possess a concealed handgun under CTCD policies and state law.
10. Locations used to discuss discipline with a student or employee or hear grievances.
11. Morton Hall residence housing is a gun-free zone as to all areas, with the exception of the study room, lobby and lounge, game room and T.V. room. This will not prevent the parents of dorm residents or CTCD staff frequenting Morton Hall to conduct CTCD business from carrying a concealed handgun into dorm rooms in accordance with this policy.
12. Locations where dangerous materials or chemicals are stored or used, such as science laboratories, facilities chemical storage locations, power plant, etc.
13. CTCD owned, rented or leased vehicles when used to transport only minors or for transportation for sporting or interscholastic events.
15. Areas where contractual or licensing obligations require exclusion of firearms.

A student who possesses an item or material in violation of the campus carry and weapons policies may be subject to discipline under the Student Code of Conduct, up to and including expulsion, for the first occurrence. Any person in violation of the policies, which also constitutes a violation of Texas or federal laws, may be subject to arrest and prosecution, in addition to CTCD disciplinary action. It is the responsibility of the LTC holder to be familiar with campus carry laws, gun free zones and required signs prohibiting the carrying of a concealed weapon.

A direct link to all campus carry information and policies can be found at: http://www.ctcd.edu/locations/central-campus/campus-safety-wellness/safety-and-security/campus-carry-implementation/

M. Off-Campus Criminal Activity
When a Central Texas College student is involved in an off-campus offense, or investigation, Central Texas College police officers may assist with the investigation in cooperation with local, state, or federal law enforcement. Killeen and Copperas Cove police routinely work and communicate with campus officers on any serious incidents occurring on-campus or in the immediate areas surrounding campus. Central Texas College operates no off-campus housing or off-campus student organization facilities. However, many students live in the neighborhoods surrounding the college. Killeen and Copperas Cove police have primary jurisdiction in all areas off campus. Central Texas College officers can and do respond to incidents that occur in close proximity to campus. If attending at another location, the police that serve that location will have jurisdiction.

Central Texas College police officers have direct communications with city police departments, fire departments and ambulance services to facilitate rapid response in any emergency situation. Any student who violates the Central Texas College Student Code of Conduct or local, state or federal laws off campus that impacts the College may be subject to disciplinary action up to and including expulsion from college. Students whose behavior constitutes a violation of the Student Code of Conduct and federal, state or local laws not otherwise enumerated herein may be accountable to both the College and civil/criminal authorities. Disciplinary action by the College will not be subject to challenge on the grounds that criminal charges involving the same incident have been dismissed, reduced, or are pending.
N. Campus Policy on Reporting Missing Residential Students

The establishment of procedures for the college’s response to missing residential students, as required by the Higher Education Opportunity Act (HEOA) of 2008 applies to all students who reside in any on-campus housing.

For purposes of this policy, a student may be considered to be a “missing person” if:

- The person’s absence is contrary to his/her usual pattern of behavior; or
- Some unusual or unexplained circumstance may have caused the absence.

Such circumstances could include, but are not limited to:

- Suspicion that the missing person may be the victim of foul play;
- Past expression of suicidal thoughts;
- Is or may be drug dependent;
- Has been with or is acquainted with persons who may endanger the student’s welfare.

1. Procedures for Designation of Emergency Contact Information:

   Students age 18 and above and emancipated minors

   Residential students will be given the opportunity after registering for classes and upon moving into on-campus housing, to designate individual/individuals to immediately be contacted by the college, but not more than 24 hours after the time the student is determined to be missing, in accordance with the procedures set forth below. Designations will remain in effect until changed or rescinded by the student.

   Students under the age of 18

   In the event a residential student who is not emancipated is determined to be missing, the college is required to notify a custodial parent or guardian immediately, but not more than 2 hours after the student is determined to be missing in accordance with the procedures set forth below.

   The Manager of Morton Residence Hall shall maintain up to date emergency contact information for all on-campus residential students, and shall be aware of and comply with the requirements of the procedures for reporting missing residential students as required in Higher Education Opportunity Act (HEOA).

2. Official Notification Procedures for Missing Residential Students:

   Any individual on campus who has information that a residential student may be missing is to notify the Campus Police immediately.

   The Campus Police will gather all essential information about the residential student from the reporting person and from the student’s acquaintances (physical description, clothes last worn, where student might be, who the student might be with, vehicle description, information about the physical and mental wellbeing of the student, an up-to-date photograph, class schedule, etc.). Appropriate campus staff will be notified to aid in the search for the student. The Central Texas College District Administration shall be notified immediately after the report is received.

   If the above actions are unsuccessful in locating the residential student or it is immediately apparent that the student is actually missing (e.g., witnessed abduction, signs of foul play), the Campus Police will initiate a missing person report and take charge of the investigation.

   The Campus Police or the Director of Student Life Activities will notify the emergency contact person (for students 18 and over) or the custodial parent/guardian (for students under the age of 18) that the student is believed to be missing.
3. **Campus Communications about Missing Residential Students:**
   In cases involving missing residential students, Campus Police shall coordinate with the Central Texas College District Office of Marketing & Outreach, who are best situated to provide information to the media, to elicit public assistance and information in the search for a missing residential student. Information regarding missing residential students will be initiated and verified by Campus Police and pertinent information disseminated through the Office of Marketing & Outreach, unless other arrangements are warranted. All inquiries to the college regarding missing students, or information provided to any individual at the college about a missing student, shall be referred to Marketing & Outreach, who may refer such inquiries and information back to Campus Police. Contact shall also be made with the Central Texas College District’s Office of Marketing & Outreach to initiate a campus wide emergency broadcast alert message.

4. **Issuing a Timely Warning:**
   Once a report of a missing person is received, the Chief of Police may disseminate a campus wide “timely warning” should the circumstances potentially place other members of the campus community in danger.

4. **Parking and Campus Vehicle Registration Information:**
   The Texas Education Code and the Central Texas College District Board of Trustees give the Central Texas College Police Department the authority to regulate parking and traffic on Central Campus and to issue parking permits and citations. Each person operating a motor vehicle or motorcycle as defined by the Texas Transportation Code, on campus shall be held responsible for obeying all campus parking regulations as well as all state parking and traffic laws. Central Texas College considers the use of a vehicle on Central Campus a convenience and is not obligated to furnish unlimited parking to accommodate all vehicles. Central Texas College will, however, attempt to provide a reasonable number of parking spaces in keeping with available resources. Reserved parking rules are enforced 6:00 a.m. - 6:00 p.m. Monday through Friday only.

   **Individuals parking on campus, park at their own risk. Central Texas College does not assume any liability for motor vehicles while on campus.**
5. **Motor Vehicles and Parking:**

The entire vehicle must be within the boundaries of the marked space indicated by the painted yellow or white lines. Reserved parking spaces are limited to full-time employees only. The vehicle owner/driver will be responsible for finding a legal parking space, and the lack of parking spaces close to where the student or staff member works or attends class is not a valid excuse for violating any parking regulation. Students are never allowed to park in “Reserved”, “Maintenance”, “Visitor”, “Official Use” or “Adjunct Faculty” spaces between the hours of 6:00 a.m. and 6:00 p.m.

Vehicles parked in violation of any state law, rule or regulation regulating parking on campus will be cited and can be immobilized or towed to a storage facility, all charges incurred become the responsibility of the vehicle owner or operator. Motorcycles must obey all parking regulations; parking outside lines provided, on grass, on a cement median, in drainage ditches or at the end of a row of parking spaces in a striped off area is strictly prohibited.

Outside of Central Campus, you should follow the law and regulations of that location. Please ask the Central Texas College staff at that location to clarify any questions you may have.

6. **Handicapped Parking:**

Only those persons who have an official disabled person placard hung on the rearview mirror, or an official disabled person license will be allowed to park in a disabled space. By law those individuals who are Veterans of the US Military and have Disabled Veteran license plates may legally occupy handicapped spaces on campus. Those individuals who misuse disabled parking privileges will be issued a Justice of the Peace Citation. The Campus Police reserve the right to verify the identification of the owner of a handicapped placard or disabled plate.

7. **Parking Permit:**

All students (full or part-time) attending Central Texas College at Central Campus in Killeen, Texas, including continuing education and distance education students who test on campus, who park a motor vehicle on either the Central Texas College Central Campus and/or the Fort Hood Campus, regularly or occasionally, and all CTCD faculty and staff members are required to obtain a parking permit for each vehicle they may drive and park on campus, including motorcycles. Parking permits are available anytime during normal business hours and can be obtained at the CTC Police Department, Building 211, directly behind Enrollment Center, building 209. Motorcycles are also required to display a parking permit and park in accordance with current campus parking rules and regulations. In other locations, please refer to the policy at the site.

Students and staff may park in any of several parking lots across Central Texas College Main Campus. Parking spots marked “Reserved”, “Official Use Only (OUO)”, “Adjunct Faculty”, or special reserved spaces for an individual or activity are restricted from use by all students during normal business hours. From 6:00 pm to 6:00 am Monday-Friday, and all-day Saturday and Sunday, all reserved parking spaces are available for use by everyone on a first come, first served basis. Parking spots marked “For Official Use” or “Official Use Only” are intended for CTC staff members only and require a special parking placard displayed on the dash board of the vehicle at all times when parked in an OUO space; with time limited for use to no more than two hours.
All CTC students, faculty and staff members, including adjunct faculty, are required to obtain a parking permit for any vehicle they drive and park on campus, including those having a reserved parking space. State vehicle registration documents, current CTC ID card, and a valid driver’s license are required to register a vehicle to park on campus. Parking permits are issued at no charge; however, failing to display a CTC parking permit, as required, can result in a $25 fine.

**CTC Students, Faculty and Staff at Central Campus are required to:**
- Register all their vehicle(s) with the CTC Police Department (permits are free).
- Properly display and/or affix the parking permit to the vehicle, as instructed.
- Become familiar with and abide by parking and traffic rules and regulations on campus.
- Report any temporarily disabled vehicle to the campus police office at 254-526-1427.
- Obtain a temporary parking permit when using a temporary means of transportation such as a rental car or when driving a new vehicle with temporary license plates.

**8. Display of Parking Permit Required:**
Parking permits shall be placed on the outside lower-left corner of the vehicle’s rear window, clearly visible to the officer and not obstructed. Motorcycles shall display the parking permit on the front fork or windshield of the vehicle. Parking permits are not transferable from one vehicle to another. Permits are available anytime during normal business hours at the CTC Police Department, Building 211, located behind the Enrollment Center (registration) Building 209.

**9. Traffic or Parking Violations and Fines:**
Persons found to be in violation of Texas traffic laws on campus will be cited for those violations and issued a Campus or Justice of the Peace citation to the appropriate county (Bell or Coryell) in which the offense occurred. Those fines will be assessed by the appointed Judge in the Justice of the Peace court. Students accumulating three citations during their enrollment at Central Texas College may be placed on disciplinary probation. Continued parking offenses will lead to suspension of campus driving privileges and may result in the student’s dismissal from college. Referrals for repeated campus citations are directed to the Director of Student Life and Activities.

Upon receipt of a Campus parking citation, individuals must contact the Central Texas College Police Department, Building 211 within 10 working days of the date of the citation to make arrangements to pay the fine or submit a written appeal. Failure to pay parking fines will prevent the student from registering for class, receive copies of transcripts or grades, or obtain a degree from Central Texas College. Late fees will be assessed if the citation goes unpaid after the initial due date. Payment extensions can be approved by calling the campus police office at 254-526-1427, prior to the due date. Payment plans for overdue citations are not accepted.

The following parking violations will be assessed a fine of $25.00 for *each* violation cited on a campus parking citation: (this list is not all inclusive)
- Parked within 15 feet of a fire hydrant
- Parked blocking handicapped ramp
- Parked in a cross walk
- Parked in red/fire zone
- Parked in a loading zone
- Parked blocking drive-way or thoroughfare
- Improper/Unsafe parking
- Parked left wheel to curb/more than 18” from curb
- Parked in a reserve space (6:00 a.m. – 6:00 p.m. M-F)
- Parked within 20 feet of an intersection
- Parked outside lines provided
- Parked in a maintenance space, or Official Use Only space
- Parked on the grass or landscaping

Multiple violations will reflect an aggregated total amount due. For example, parked in a reserved space ($25) and parked outside lines provided ($25) = total amount due is $50.

Speed limits on campus vary and are posted accordingly. Speed limits in all parking lots shall not exceed 10 miles per hour. All Campus Police vehicles are equipped with operational speed detection devices (radar). A student, faculty or staff member or guest guilty of violating a posted speed limit on campus will be assessed a fine of $25 plus $1 per mile for each mile in excess of the authorized speed limit if issued a campus citation. Speeding violations in excess of 10 miles per hour over the posted speed limit will be referred to the applicable Justice of the Peace court for disposition.

If the student has the same family name or home address as the registered owner of a vehicle for which a campus citation has been issued, the citation and accompanying violation charges and fees will be recorded in the student’s name.

Unpaid charges for parking violations are recorded in either:
- The name of the person who has previously paid parking citation charges on the same vehicle;
- The registered owner or driver;
- A member of the same household, current or former student/employee, or
- Any combination of the above.

10. Appeal Process (Central Campus Citation Only):
If a person receives a citation and believes it is unwarranted, he/she may enter a plea of Not Guilty at the Central Texas College Police Department and complete an appeal form. All appeals must be requested in person and filed prior to the citation due date. All appeals will be reviewed by the Chief of Police or his/her designee for disposition. Upon an appeal being denied by the initial authority, further appeals must be requested at the Campus Police office by the date indicated on the appeal decision letter.

Students have the right to further appeal any parking citation to the Director of Student Life and Activities, who has final determination of the appeal. No further appeals are available beyond the Student Life and Activities Director’s review. If an appeal is not submitted within the above prescribed time, the recipient loses his/her right to appeal his/her campus citation.

11. Justice of the Peace Citations:
Appeals or pleas of not guilty to a Justice of the Peace citation must be presented to the appropriate Justice of the Peace Judge in the court designated on the bottom of the J.P. citation and according to the Court’s rules.

12. Racial/Bias-Based Profiling:
Central Texas College has adopted a Racial/Bias-Based Profiling policy to reaffirm our commitment to unbiased policing in all its encounters between officer and any person. Please contact the Police Department if you would like to make a compliment or a complaint regarding your motor vehicle stop. To access the Central Texas College policy on racial/bias-based profiling, visit: https://www.ctcd.edu/locations/central-campus/campus-safety-wellness/safety-and-security/campus-police1/campus-rules-regulations-and-policies/racial-profiling/

13. Abandoned Vehicles:
Vehicles left on Central Campus for a period of 48 hours or more will be considered abandoned unless prior approval for overnight parking is given by the Campus Police. The vehicle will be tagged and if
not removed within the specified time period, it will be inventoried and towed to a vehicle storage facility for further disposition. All towing and storage charges incurred will be the responsibility of the owner.

P. Crime Prevention
Crime prevention and awareness at Central Texas College requires the involvement of all members of the college community. The Central Texas College Police Department strives to provide leadership and direction for this effort through programs ranging from crime prevention seminars to on-site inspections. Central Texas College police officers participate in many crime prevention and awareness presentations each academic year.

Central Texas College Police Department crime prevention programs stress campus community awareness through the dissemination of materials and presentations to familiarize students, faculty, and staff of their individual responsibility to help reduce criminal activities. Presentations, posters and handouts are utilized in an effort to make all members of the campus community aware of the potential for crime. The campus online student newsletter “In the Loop” and the Central Texas College staff NEWSLINK are used for presenting crime information to the campus community, which includes the occurrence of serious crimes on the campus. Security awareness and crime prevention programs are based upon a dual concept of eliminating and minimizing criminal opportunities, when possible, and encouraging students, faculty and staff to share safety responsibilities. Crime prevention and sexual assault prevention programs are presented on campus each semester.

Topics covered in these presentations include:

- Sexual offenses, including sexual misconduct, harassment, and stalking;
- How to report offenses;
- Who to contact;
- How offenders choose victims;
- Prevention practices;
- Parking lot safety;
- What to do if assaulted;

XII. Title IX, Sexual Assault and Other Prohibited Violence

A. Purpose
CTCD is dedicated to creating an environment free from sexual misconduct in any form and providing a safe and reliable environment for reporting all acts in violation of the Title IX regulations. Title IX of the Education
Amendments of 1972 is a Federal civil rights law that prohibits discrimination on the basis of sex in educational programs and activities that receive Federal funds.

B. Scope
This policy applies to all CTCD employees, students, contractors, volunteers and guests at all CTCD locations in the United States that occur while participating in or attempting to participate in a CTCD educational program or activity on or off campus.

CTCD prohibits all forms of sexual misconduct. Such behavior violates the values of the institution and disrupts the living, learning, and working environment for students, faculty, staff, and visitors.

C. Definitions

Actual Knowledge: Notice of sexual misconduct or allegations of sexual misconduct to the Title IX Coordinator or any official of the College who has authority to institute corrective measures on behalf of the College.

Complainant: The individual who alleges to be the victim of conduct in violation of this policy.

Consent: An affirmative, unambiguous, voluntary and conscious decision by each involved participant engaging in a specific agreed-upon sexual activity. Consent can never be implied.

The consent has to be “ongoing” throughout the sexual contact and can be revoked at any time and for any reason. Consent to one form of sexual activity does not imply consent to other forms of sexual activity. Previous relationships or consent does not imply consent to future sexual acts. Consent is active, not passive and silence or the absence of resistance alone is not sufficient to be interpreted as consent. Consent can be given by words or actions, as long as those words or actions generate mutually understandable permission regarding the conditions of the sexual activity. Instances involving intoxication, lack of consciousness, or drug use of any of the involved participants renders consent null and void. Incapacity to provide effective consent may also result from mental disability, intellectual disability, unconsciousness or sleep. A person giving consent must be of legal age (17 in the state of Texas), sound mind, and fully cognizant of their surroundings and the situation.

Examples of indicators that a person is incapacitated and does not have the ability to give proper consent include, but are not limited to:

- under the legal age limit;
- consumption of alcohol, medication or drugs;
- imbalanced or stumbling;
- slurred speech;
- lack of consciousness or inability to control bodily functions movements, or vomiting;
- low intellectual capacity.

Dating Violence: Violence (including but not limited to emotional, physical, sexual, and financial abuse or threat of abuse) between two people who are or have been in a social relationship of a romantic or intimate nature. The existence of such a relationship will depend on the length and type of the relationship and the frequency of interactions between the persons involved.

Domestic Violence: Violence between two people who are or have been in an intimate or romantic relationship, who share a child in common, or who live or have lived together as spouses or intimate partners. Violence against any person by that person’s caretaker or guardian (such as abuse against an elderly, young, or disabled person) may also be considered domestic violence. Examples of domestic violence include but are not limited to physical, emotional, sexual, and financial abuse or threat of abuse.

Formal Complaint: A document filed by the complainant or signed by the Title IX Coordinator alleging sexual
misconduct against a respondent and requesting that CTCD investigate the allegation of sexual misconduct under this policy.

**Respondent:** The individual who has been reported as the perpetrator of conduct that could constitute a violation of this policy.

**Sex Assault:** Any physical sex acts perpetrated against an individual without consent, to include when a person is incapable of giving consent due to alcohol, drugs or disability. A number of acts fall into the category of sexual violence, including rape, sexual assault, sexual battery, and sexual coercion. The following are general descriptions and legal definitions and violations may differ by jurisdiction:

- **Forcible Rape** – Penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim. and includes rape and sexual assault, sexual misconduct, and sexual violence.

- **Fondling** – Intentional touching, no matter how slight, whether clothed or unclothed, of another person’s private body parts (primarily genital area, groin, inner thigh, buttock or breast) with any object or body part of the perpetrator, without consent and/or by force. It also includes forcing the victim to touch the intimate areas of the perpetrator or any contact in a sexual manner even if not involving contact of or by breasts, buttocks, groin, genitals, mouth or other orifice. The victim may also be incapable of giving consent due to age or temporary or permanent mental incapacity and includes sexual battery and sexual misconduct.

- **Incest (Non-Forcible)** – Unlawful sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

- **Statutory Rape** – Unlawful sexual intercourse with a person who is under the statutory age of consent. Seventeen is the legal age in the state of Texas. Campuses outside of Texas are to adhere to local jurisdiction requirements for age of consent.

**Sexual Coercion:** The use of manipulation, intimidation or threat to engage in sex with another person. Coercion transpires when sexual activity occurs devoid of legal and appropriate consent. Coercion may include behaviors that intimidate, isolate, manipulate, humiliate, coerce, frighten, blame or hurt someone.

**Sexual Exploitation:** A situation in which a person takes non-consensual or abusive sexual advantage of another person or violates the sexual privacy of another when consent is not present. This includes, but is not limited to, the following actions (including then they are done via electronic means, methods or devices):

- Sexual voyeurism or permitting others to witness or observe a person undressing, using the bathroom, or engaged in sexual or intimate activity without that person’s consent;

- Taking pictures or video or audio recording of another person engaged in sexual or intimate activity, or in any private activity without the consent of all involved in the activity, or exceeding the boundaries of consent (such as allowing another person to hide in a closet and observe sexual activity, or disseminating sexual pictures without the photographed person’s consent);

- Prostitution or trafficking, to include recruiting, harboring, transporting, providing, or obtaining another person for the purpose of sexual exploitation;

- Administering alcohol or drugs (such as “date rape” drugs) to another person without his or her knowledge or consent regardless of whether prohibited sexual conduct actually occurs;

- Exposing one’s genitals in non-consensual circumstances.

**Sexual Harassment:** Includes unwelcome sexual advances, requests for sexual favors, quid pro quo harassment, hostile environment based on gender, and other physical or verbal conduct of a sexual nature and is defined as:

- any instance of sexual assault, dating violence, domestic violence or stalking as defined in the Violence
Against Women Act; and

that is so severe and pervasive and objectively offensive to a reasonable person to effectively deny a person equal educational access.

**Sexual Misconduct:** Sexual misconduct as defined in this policy encompasses a range of behavior used to obtain sexual gratification against another’s will or at the expense of another, and any other conduct of a sexual nature that is unprofessional and/or inappropriate for the educational and/or working environment, or has the effect of threatening or intimidating the person against whom such conduct is directed.

**Stalking:** Engaging in a course of conduct directed at a specific person that would cause a reasonable person to (1) fear for his/her own safety or the safety of others and/or (2) suffer substantial emotional distress. A course of conduct means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person’s property.

**D. Policy**
CTCD prohibits discrimination and harassment on the basis of sex, gender identity, pregnancy, and parental status. CTCD also prohibits all forms of sexual misconduct, including but not limited to, sexual harassment, sexual assault, sexual exploitation, dating violence, domestic violence, sexual coercion, and stalking.

All interpersonal relationships and interactions – especially those of an intimate nature - must be grounded upon mutual respect, open communication, and clear consent. *Sexual activity must be consensual; otherwise, it is sexual assault.*

**1. Reporting and CTCD Response Process**
   a. The first priority of an individual who believes s/he is the victim of sexual assault/misconduct is to get to a place of safety and then obtain the necessary medical treatment. The individual should inform his/her health care provider that he/she is the victim of a sexual assault to ensure medical evidence is preserved. Victims should not wash, douche, change clothes, or use the restroom if possible prior to being examined by their health care provider or meeting with the Police.

   b. CTCD Police Officers are trained in the proper handling of sexual assault/misconduct victims and associated medical evidence. Individuals reporting a sexual assault/misconduct on the Central or Ft. Hood Campuses are encouraged to immediately contact CTCD Police for assistance. Filing a report with the CTCD Police will ensure:
   - Receipt of necessary medical treatment and tests at no expense to the victim;
   - Protection of vital evidence;
   - Access to CTCD Student and Employee Assistance Program (“SEAP”) counselors, and referral to Victim Assistance Programs and trained sexual assault counselors.

   c. CTCD Police along with CTCD SEAP counselors, Associate Deputy Chancellor, Human Resources Management, Dean, Student Success & Persistence or other appropriate personnel, will offer assistance to the victim in police reporting, obtaining counseling, and other necessary services.

   d. CTCD employees and contractors who have reason to know of or suspect sexual misconduct has occurred on a CTCD campus or sponsored event are required to promptly report all incidents related to sexual misconduct to any of the following:

   Title IX Coordinator

Upon notice of such an event at all other CTCD campuses, CTCD will cooperate fully with all investigations conducted by local or military base law enforcement and other appropriate agencies. The CTCD Police may also investigate as deemed necessary.

h. As warranted, the Director, Risk Management, CTCD Police Chief, Associate Deputy Chancellor, Human Resource Management, Dean, Student Success and Persistence, and/or Director of Student Life will call a Threat Assessment Team meeting as prescribed in CTCD Safety Policies & Procedure Manual, policy # 310.
Title IX Process- Student Case: this flowchart helps students understand how cases of sexual misconduct can be handled.

A possible sexual misconduct complaint is received by CTC and forwarded to Title IX Coordinator for review.

Title IX Coordinator decides if the case is a Title IX case and if so, how it will be investigated.

If case is classified as Title IX, case is assigned to a Title IX investigator. If case is NOT classified as Title IX, case is assigned to Student Conduct Officer.

Title IX Investigator investigates the case and recommends adjudication based on Title IX procedures and Code of Student Conduct.

Student Conduct Officer investigates the case and adjudicates based on Code of Student Conduct.

If the recommendation of the Title IX investigative report is not accepted by both the complainant and respondent, then the case will be adjudicated via a live hearing.

If recommendation of the Title IX investigative report is accepted by both the complainant and respondent, then the recommended adjudication in the report becomes final.
2. Confidentiality
CTCD cannot guarantee confidentiality of any report of sexual misconduct and must investigate all such reports. If a victim chooses to make a disclosure to CTCD personnel, the victim will be informed in writing by the Title IX Coordinator to ensure informed expectations concerning privacy and confidentiality. CTCD will however, treat all reports and information relating to a violation of this policy with the utmost sensitivity and protect the information to the extent possible as required by state and federal law, while carrying out its duties to investigate, handle, and report to state and federal authorities such situations. Generally, information will only be reported to the appropriate CTCD personnel on a business need to know basis only. However, CTCD shall not prohibit the parties from discussing the allegations or gathering evidence.

Licensed health care providers, mental health counselors and pastoral counselors are, under many circumstances, required to keep a victim’s information confidential unless permission is provided by the victim. Please check with your health care provider/counselor as to the confidential nature of your discussions with them. Expect that all other CTC employees have a duty to report any violation of this policy.

3. Retaliation
Any attempt to penalize or take adverse actions against an individual for reporting and/or participating in a complaint, investigation, legal and/or administrative proceedings, including litigation, regarding allegations of sexual misconduct, is strictly prohibited. Violation of this anti-retaliation provision may lead to discipline up to and including termination or expulsion from CTCD.

Bringing Student Code of conduct charges or charges based on violation of Human Resource policy for materially false statements by a party, witness or other participant during the course of a Title IX process under this policy, is not retaliation.

5. Remedies and Discipline
No discipline related to Title IX situations shall be administered under this policy prior to a formal complaint being filed.

Discipline imposed due to a final finding of misconduct under this policy will be in accordance with the Student
Code of Conduct for students (See Student Handbook), and CTCD Human Resources policies for employees.

Students, employees, and all third parties violating this policy, including the failure to make a required report, could be subject to appropriate disciplinary action as determined by CTCD up to and including termination, expulsion, trespass from CTCD campuses, and/or referral to civil or criminal authorities as warranted for violations of state or federal laws.

If a formal complaint is not filed or the formal complaint does not constitute a true Title IX violation after review by the Title IX Coordinator or at the conclusion of an investigation, CTCD will determine if there has been a violation of other CTCD policies and will take appropriate action.

### B. Central Texas College Code of Conduct

Enrollment at Central Texas College creates a responsibility for all students for the following:

1. Knowledge of, and compliance with, all CTCD published policies, rules, and regulations, including parking. Copies of such documents are available in the Student Life Office and on the CTCD website. A copy of the Central Texas College Student Handbook that outlines many CTCD policies, rules, and regulations can be accessed using the following link: [www.ctcd.edu/sites/ctcd/assets/File/Student%20Life/studenthandbook.pdf](http://www.ctcd.edu/sites/ctcd/assets/File/Student%20Life/studenthandbook.pdf)

2. Compliance with federal, state and local laws, and compliance with and support of duly constituted civil authority.

3. Knowing and complying with all guidelines, policies, and procedures that are required for academic and career training programs.

4. Respect for the rights of others and cooperation to ensure that such rights are maintained, whether or not one agrees with the views of those exercising such rights.

5. To exercise disagreements in a responsible manner and within a framework compatible with an orderly resolution of differences.

### C. Disciplinary Procedures and Appeals

Students accused of misconduct have certain rights to contest the allegations and appeal discipline imposed. There are two disciplinary tracks that can be pursued by Central Texas College based on the circumstances: Academic and Non-Academic Misconduct. A student may be subjected to one or both based on the circumstances.

**Nothing in this Code of Conduct, including disciplinary hearing procedures and a student’s right to appeal, shall preclude a faculty member from requesting a disruptive student to immediately leave a class or activity for that class period. If the student fails to comply with the request, the faculty member may seek assistance from the Campus Police. Such actions taken on a one-time basis shall not be subject to appeal.**

1. **Academic Misconduct:**

   Students are expected to maintain the highest academic standards while enrolled in CTCD classes. We have provided some resources to include an online academic misconduct quiz which is required of all students. Students are required to take the quiz and follow the instructions from their instructor or on their syllabus for correct submission.

   Students guilty of academic misconduct or fraud or scholastic dishonesty may be administratively dropped from the course or courses and receive a grade of “0” by the responsible Dean, and/or may be subject to disciplinary action, up to and including suspension or expulsion.

   Most examples of academic misconduct fall under the general category of cheating. **Cheating** involves the unauthorized use of information, materials, devices, sources, or practices in completing academic activities.

   Cheating includes, but is not limited to:
   - Copying another student’s coursework, test, research paper or term paper.
   - Using materials during a test that are not authorized by the test administrator.
   - Collaborating with another individual on coursework when not authorized by the instructor or during a test without permission.
• Obtaining, recording, using, buying, selling, stealing, transporting, soliciting, sharing, or making available the contents of a test or coursework, to include course assignments and academic work, not explicitly authorized by a professor.
• Taking a test or preparing academic work for another student.
• Having another person prepare academic work or take a test on behalf of the student.
• Altering or falsifying coursework or test results after they have been evaluated by the instructor and returned to the student.
• Falsifying or altering any College document, to include transcripts.
• Sharing of passwords and log in information to complete course work.
• Plagiarism

Plagiarism: a type of cheating that includes the presentation of another person’s work as your own, without proper acknowledgement of the source, with or without the creator’s permission, intentionally or unintentionally. By taking CTCD courses, you agree that all required papers, exams, class projects or other assignments completed for credit may be submitted to SafeAssign or similar third parties to be reviewed and evaluated for originality and intellectual integrity. Plagiarism.org is a free website for information on what plagiarism is and how to prevent plagiarism in your writing. Another good resource is Purdue Online Writing Lab (OWL).

Collusion: The digital age has given students new ways to commit collusion and cheating. Collusion happens when more than one person contributes to a piece of work that is submitted as the work of an individual student. Collaboration becomes collusion when the intention is to deceive. Examples of collusion and cheating include, but are not limited to, manipulating quizzes and exams to obtain the correct answers or extend time limits, asking or compensating a third party to complete your coursework, or Googling questions as you are testing.

Ghostwriting: although acceptable in the business and political world, is not an acceptable practice in college. Ghostwriting is defined as “writing something (usually this is a paid service) which will appear under someone else’s name” – like a celebrity who wants to see their name on the cover of a book but didn’t do the actual writing. In college courses, ghostwriting is considered a type of collusion and is also known as “contract cheating.”

Although the digital age has given students new ways to cheat, it has also given instructors and institutions new ways to identify and verify collusion and cheating instances. In addition to using SafeAssign to check for plagiarism, CTCD uses Biometric Signature ID (BioSig-ID™) as a way to verify that the student who registered for the class is the person who is submitting coursework and taking exams. Part of this process involves the tracking of Internet Protocol (IP) addresses. An IP address identifies the host or network interface and the location.

It is against CTCD academic policy for students to commit any of the acts described above or to

• share passwords and other log-in information to Blackboard or BioSig-ID.
• mask IPs, use Virtual Private Networks (VPNs), or otherwise disguise location.

The instructor will examine documentation related to the alleged misconduct and any student who is determined to have committed such misconduct is subject the CTCD disciplinary process for academic misconduct.

The Academic Misconduct Process

First offense: The instructor will assign a grade of 0 for the assignment or examination where academic
misconduct is determined to have occurred. The student will remain in class at this time and have the ability to appeal the grade as set forth herein. Should the student wish to appeal the decision after being notified of the grade, the appeal must be filed, as set forth below, within three (3) business days.

**Second offense:** If academic misconduct is detected a second time in the same or different course regardless of the term in which either misconduct occurred, the instructor will assign a grade of 0 for the assignment and the student will be placed on disciplinary probation. Should the student wish to appeal the decision after being notified of the grade, the appeal must be filed within (3) three business days. The student is allowed to remain in class until the appeal process is completed.

**Third offense:** If a third academic misconduct occurrence is determined in any courses at any time throughout the student’s tenure at CTCD, the student will face discipline up to and including misconduct suspension or expulsion. Should the student wish to appeal after being notified of his/her misconduct, the appeal must be filed within (3) three business days. Because this action is on misconduct, it does not fall under the 180-day rule for academic grade disputes as cited in the CTCD Student Handbook.

2. **Academic Appeal Process:**

CTCD faculty and staff maintain an open-door policy for all students attending Central Texas College. This means that any student problem should, if possible, be worked out between the student and the faculty or staff member directly involved with the problem. If the student feels that he/she cannot address the issue with the faculty or staff member and/or the problem remains unsolved, he/she should immediately consult the Department Chair, or for online courses, the Online Manager. The student may also contact the Director of Student Life or the Dean or Associate Dean for that campus for direction as to next steps.

A faculty member will not be required to respond to a complaint, regarding academic issues, such as grades, that is not in writing and, when appropriate, does not have specific documentation such as dates, times, materials, etc.

An appeal allows a student to make a formal request for a review of the decision made by an instructor. The appeal is reviewed by a higher authority, where a student can request a change to the decision made by the instructor. A full appeal has the following steps, but it can be resolved at any step:

**Level 1:** In order to file an appeal, the student must present his/her case in writing to the instructor. The instructor or student may request a meeting, either virtually or in-person, or the process can continue solely in writing via email. Regardless of whether the process has included meetings or not, the instructor must provide his/her decision to the student in writing.

**Level 2:** If the student wishes to continue the appeal process, within (3) three business days of the date of the instructor’s written decision, the student must contact, the Online Manager (online courses), Department Chair (face-to-face, SVL, or blended courses), or Site Director in writing to state his/her case. If no Online Manager is assigned, the student may directly contact the Department Chair or Site Director. The Online Manager, Department Chair, or Site Director will review all documentation and provide a written decision to the student with a copy to appropriate supervisors.

**Level 3:** If the student is not satisfied with the Level 2 response and wishes to appeal the decision, the student can appeal in writing to the Academic Misconduct Committee (AMC) through the responsible Dean. This is the last level of appeal. This appeal must be received by the Dean no later than (3) three business days following the date of the Level 2 decision. At this level, the responsible Dean will ask the Online Manager, Department Chair, or Site Director to gather all documentation related to the case and
submit it to the responsible Dean, so it can be provided to the AMC for further investigation. The responsible Dean assembles an AMC composed of Student Success department staff and faculty. After reviewing all documentation, the recommendations of the AMC are compiled by the Committee Lead and provided to the responsible Dean. The Dean reviews everything and approves/disapproves. If the Dean approves, the response is sent to the student with a copy to the Online Manager, Department Chair, or Site Director and the instructor. If the Dean disapproves, the Dean writes recommendations on the response and sends it back to the AMC to reconsider until a final consensus is reached and a response can be sent to the student. This response is final.

Please note that some departments, such as Nursing, have other discipline-related accreditation standards which may require them to have additional approvals, steps, or timelines to the process while still being congruent with the institution’s policies. For example, Nursing will always have the Director of Nursing included in the appeal process. Students should be sure to check with the specific department to ensure that they fully understand any differences in the process.

**Timeline**

The student has (3) three business days to appeal at each level and the respondent has (10) ten business days to reply with a decision. The Academic Misconduct Committee recommends the final determination, which receives review and approval or modification by the Dean. The Dean shall respond in writing to the student within 10 business days of receipt of the AMC’s recommendation. If the appeal process is not complete by the time the course ends, an IP will temporarily be issued in place of a grade until the process is finished. This completes the appeal process and the appeal decision is final.

**Process for Students to Address Academic Issues:**

3. **Non-Academic Misconduct:**

Each student is expected to act in a manner consistent with the College’s functions and goals as an institution of higher education. The following examples of misconduct constitute an interference with the lawful and orderly use of college premises, facilities, and/or activities for which students may be subject to disciplinary action, up to and including expulsion. v. Unauthorized use of drones. (See CTCD Safety Policy # 153 found on the CTCD website under Faculty & Staff and the Risk Management tab).

w. All other violations of local, state or federal laws, CTCD or CTCD departmental policies or procedures.

   General Policy:

   a. Any individual violating the Student Code of Conduct may be subject to disciplinary action. Disciplinary procedures will be coordinated by the Director of Student Life or designated Student Conduct officer. If flagrant violations of policy cause sufficient disruption, tension, or danger to the order, safety, or well-being of the institution or other persons, the Dean of Student Success is authorized to take necessary action. (See Emergency Procedures).

   b. Students whose behavior constitutes a violation of both the Student Code of Conduct and federal, state or local laws may be accountable to both the College and civil authorities. Disciplinary action at the College will not be subject to challenge on the grounds that criminal or other charges involving the same incident have been dismissed, reduced, or are pending.

   c. Instructional departments which offer a professional certification/licensure may separately initiate a disciplinary action based on violation of a professional code of conduct. Discipline due to a violation of a professional code of conduct will be handled by the respective department chair who may perform those investigative and disciplinary functions normally reserved for the Director of Student Life. (See Discipline Involving Professional Code of Conduct Violations).

Procedure for Investigation of Misconduct (excluding Title IX investigations):

   a. Upon notification of an alleged violation of the Student Code of Conduct, the student may be summoned by the Director of Student Life/ designated Student Conduct officer. If a student fails to report according to the date and time specified in the summons, the student may be disciplined up to and including expulsion from the College.

   b. After meeting with the student involved and reviewing the allegations, specifying the charges, investigating, obtaining the necessary information, and explaining the disciplinary procedures, the Director of Student Life and/or designated Student Conduct officer may exercise the following options as applicable to the situation:

      • Issue a formal warning or impose disciplinary action as set forth below. No appeal is allowed for issuance of a formal warning. If disciplinary action is imposed by the Director of Student Life and/or designated Student Conduct officer, the student will be given a written statement of the charges and the student will be informed of his/her right to appeal, to include appeal submission deadlines.

      • Should the student appeal the discipline in a timely manner; convene a Disciplinary Committee to hear the charges.

      • Carry out the determination of the Disciplinary Committee to include dismissal the charges brought against the student as warranted.

   c. After the meeting with the Director of Student Life and/or designated Student Conduct officer, the student may exercise one of the following options as it relates to the imposition of formal discipline:

      • Accept the decision of the Director of Student Life and/or designated Student Conduct officer.

      • Request a hearing before a Disciplinary Committee for the purpose of allowing the Committee to hear and determine the validity of the charges, and determine disciplinary action, if any.

      • If a student has admitted guilt but disagrees with the disciplinary sanction imposed, the student may request a hearing with the Disciplinary Committee to appeal the sanction recommended by the Director of Student Life. and/or designated Student Conduct officer

   Disciplinary Actions:

   Disciplinary Actions that could be imposed for misconduct include:
• **Disciplinary Probation** - An official notice that the student’s conduct is in violation of the Student Code of Conduct. Probation serves notice to the student that while his/her conduct is not sufficiently serious to warrant suspension or expulsion, further misconduct could result in suspension or expulsion. The duration of the probation will be for a specific designated time, up through the student’s tenure at CTCD.

• **Suspension** - Exclusion from attending the College for a definite period of time, not to exceed twelve (12) months. Conditions may be imposed that the student is required to fulfill prior to or upon returning to the College. The conditions of readmission, if any, will be stated in the dismissal order.

• **Expulsion** - Termination of student status for an indefinite period of time. The conditions of readmission, if any, will be stated in the dismissal order.

**Additional Actions:**

**a.** In addition to the disciplinary actions that could be imposed for misconduct, additional actions may be imposed by the Director of Student Life and/or designated Student Conduct officer or a Disciplinary Committee and may include, but are not limited to one or a combination of the following:

• **Admonition and Warning** - A written statement to a student that he or she is violating, or has violated, the Student Code of Conduct and may be subject to disciplinary action should misconduct continue.

• **Loss of Privileges** - The withdrawal of specified privileges for a definite period of time.

• **Referrals** - Required attendance in a group or individual program that is deemed necessary.

• **Central Texas College Community Service** – A student may be required to complete a specified number of hours of community service.

• **Restitution** - Required reimbursement for damage to or misappropriation of property. Reimbursement may take the form of monetary repayment, service to repair, or replacement at CTCD’s discretion.

• **Withholding of Transcript or Degree**. A hold may be placed on a student’s account which prevents the issuance of a transcript and/or degree.

• **Marking of a Transcript with a Disciplinary Notation** - A hold may be placed on a student’s account which requires that any transcript that is printed/ sent electronically will have disciplinary expulsion or disciplinary action pending marked at the bottom of the student transcript.

**b.** The issuance of one form of discipline may be used in combination with another and shall constitute one disciplinary action (i.e., student is suspended with the requirement of a referral and community service).

**c.** Prior misconduct (academic and non-academic) may be considered at the time of adjudication of the discipline.

**d.** Disciplinary actions will only be considered after a finding of fact has been made. The more serious the violation of the Student Code of Conduct the lesser impact any mitigating circumstances may have. The following will be dually considered when determining an appropriate disciplinary action:

• past case precedent;

• past disciplinary action;

• whether the actions were directed at another’s race, gender, ethnicity, disability or other protected class;

• seriousness of harm or injury caused by the actions; and

• responsibility assumed by student throughout disciplinary proceedings.

Nothing in this code precludes the College from pursuing any and all remedies available under this Student Code of Conduct and/or those available by law.
5. Appeals, Non-Academic Misconduct (Other than Professional Violations and Title IX issues): Disciplinary Committee:
   a. The purpose of the Disciplinary Committee is to provide students an opportunity for a hearing when they feel there has been an unfair imposition of non-academic disciplinary action. A Disciplinary Committee will not be convened for an action involving Admonition and Warning or Probation.
   b. The Disciplinary Committee shall be composed of two (2) faculty members, one (1) staff member, and two (2) students. The Disciplinary Committee may not convene unless all five (5) members are present for a hearing.
   c. The student must submit a timely written summary of their appeal to the Director of Student Life. The Director will forward the written summary to the members of the Disciplinary Committee for their review. In case of disciplinary actions involving probation during a pre-hearing, the Committee may decide by simple majority vote if the appeal merits convening the Committee for an in-person hearing. The Disciplinary Committee will offer to the accused student a hearing for all cases involving suspension or expulsion. The Director of Student Life will then contact the student with the Committee’s decision, informing the student of the date and time of the hearing, as applicable. It is at the Disciplinary Committees sole discretion whether to require the accused and witnesses to be present at the hearing or to allow the accused and/or witnesses to appear via telephone.
d. The Disciplinary Committee is empowered to uphold the disciplinary action or modify some or all of the discipline ranging from no action to permanent expulsion from the College. If the committee chooses to lower the disciplinary action imposed by the Director of Student Life, the committee may do so during the pre-hearing if it chooses. No enhancement of a penalty shall be given absent a Committee hearing where the accused and witnesses are given an opportunity to present their case and speak.

e. The student may appeal the committee’s decision to the Deputy Chancellor of Academic and Student Services.

**Disciplinary Hearing Procedures:**
a. The Director of Student Life will notify the student of the date and time of the disciplinary hearing and furnish a complete statement of the charges to be considered. Whenever possible, at least three (3) business days will be allotted for preparation between the time of notification of the student and the hearing date. Unless the Director of Student Life determines unusual circumstances exist, the hearing should be held within ten (10) business days of the request for an appeal.

b. The hearing will be facilitated by the Disciplinary Committee, and conducted on campus in “closed session.” The student shall present his/her case without representation from others. The session will be closed to the public, attorneys, press and others. Only those persons, whose presence is required, as determined by the Disciplinary Committee, will be permitted to attend. In circumstances of allegations of violation of a state or federal law including Title IX, that require the College to allow students to bring a representative, the student may, but is not required to, bring a representative of their choice to the hearing.

c. The hearing proceedings will be recorded. The student may obtain a copy of the hearing by providing written request to the Director of Student Life prior to the hearing and provide an empty USB drive.

d. Any person, including the student charged, who disrupts a hearing shall be excluded from the proceedings and may be subject to discipline in accordance with the Student Code of Conduct.

e. The failure of the student to appear at the scheduled hearing and/or be present at all times while the hearing is in session shall be deemed a waiver of the right to a hearing and the Committee shall proceed and make its decision based on all of the information provided up to that point.

f. Any witness who is asked to testify at the hearing is expected to do so. It is expected that all statements made to the Disciplinary Committee will be true. Students giving false statements may be subject to discipline in accordance with the Student Code of Conduct. The student may bring witnesses who have factual information about the underlying incidents, and may have up to two (2) character witnesses, testify at the hearing.

g. All witness shall wait outside of the hearing room until it is their turn to address the Committee.

h. The Committee, Director of Student Life and the student charged, may ask the witnesses questions.

i. If one or more witnesses are to appear on behalf of the student, a list of names and a brief statement of what information the witness is expected to provide, must be provided by the student to the Director of Student Life at least twenty-four (24) hours before the hearing. The student is responsible for insuring his/her witnesses attend the hearing. If a witness does not report in time for the hearing the hearing will continue as scheduled and the witness may be excluded at the Committee’s discretion.

j. With the exception of the student’s absence pursuant to paragraphs d and e above, all evidence against the student will be presented in his/her presence. Both, Central Texas College and the student will be permitted to rebut the statements of any witness after all evidence has been presented, or as directed by the Committee.

k. The Disciplinary Committee may impose limits on the number of witnesses and the amount of cumulative evidence that may be introduced.
l. The Director of Student Life will present charges and information supporting the charges at the disciplinary hearing. The Director of Student Life shall present any witnesses and evidence in support of the charge.

m. At the hearing, the student may review the information presented to the Disciplinary Committee by the Director of Student Life.

n. When the Disciplinary Committee is satisfied that all non-cumulative, relevant, available evidence has been presented, the hearing will be adjourned. The Disciplinary Committee will immediately meet privately to consider the evidence and to reach a decision. The Director of Student Life and student shall remain available in the vicinity of the hearing room during the deliberation to clarify any issues the Disciplinary Committee may have, but shall not participate in the deliberation.

o. Deliberations of the Disciplinary Committee will be confidential and will not be recorded.

p. Except as specified in section “e.” of Disciplinary Procedures, the decision reached by the Disciplinary Committee will be based on the information received at the pre-hearing and hearing. The information shall consist of the record of the Disciplinary Committee’s proceedings, and all written reports, documents, and other material submitted to the Disciplinary Committee.

q. The Disciplinary Committee will reach its decision by a majority vote.

r. The Disciplinary Committee will present its decision in writing to the Director of Student Life. Each member will sign the decision and within five (5) business days the Director of Student Life will prepare a typed copy of that decision for the record.

s. The Director of Student Life shall verbally inform the student of the Disciplinary Committee’s decision, and will deliver to the student a copy of the written decision once it is typed.

t. Within five (5) business days following the Disciplinary Committee hearing, the Director of Student Life shall by hand-delivery, US mail, or Eagle Mail give written notification of the Committee’s decision to the student. If disciplinary action is upheld or newly imposed, the student will be informed.

Appeal of Hearing Committee’s Decision:

a. The student may appeal the decision of the Disciplinary Committee by submitting a written request to the Director of Student Life within the time limit specified in Notice and Time Limits in this Student Code of Conduct. The request will then be submitted to the Deputy Chancellor of Academic and Student Success.

b. The Deputy Chancellor, or his or her designee, will decide whether to reconsider the charges and/or action taken and will notify the student in writing. At the Deputy Chancellor’s sole discretion, he/she may meet with the student, assign a designee, or make a decision based on the records. The Deputy Chancellor has full authority to uphold, set aside, increase, or reduce the action of the Disciplinary Committee. **The decision of the Deputy Chancellor or his/her designee is final.**

Non-Academic Discipline Process:

1. Director of Student Life or Assigned Conduct Officer Receives and Addresses
2. Student May Appeal Decision to Disciplinary Committee Hearing
3. Final Appeal is Directed to the Deputy Chancellor of Academic and Student Success.
6. **Disciplinary Procedures Involving Professional Code Violations:**
   Individual fields of study, such as Nursing, EMT, Aviation, Protective Services, may have their own licensing and professional Codes of Conduct. These kinds of violations may be handled within the department. All time limits for performance of each step of the process for Professional Code Violations are as specified in C.5 above and in Notice and Time Limits in this Student Code of Conduct C.8 below.
   - The departmental process shall at a minimum include an examination of all evidence and a hearing of the student’s and witnesses’ version of events prior to a decision by the Department Chair.
   - The Department Chair may verbally inform the student of his/her disciplinary decision, but will deliver to the student a copy of the written decision.

7. **Appeal Procedures Involving Professional Code Violations**
   - The student may appeal the decision of the Department Chair by submitting a written request to the Dean of Instruction.
   - The Dean will decide whether to reconsider the charges and/or action taken and will notify the student in writing. At the Dean’s sole discretion, he/she may meet with the student or make a decision based on the records. The Dean has full authority to uphold, set aside, increase, or reduce the action of the Department Chair. **The decision of the Dean is final.**

8. **Notice of Time Limits (Non-Academic and Professional Code Violations):**
   All notification under this section will be in person or by US mail to the student’s current address on file with Central Texas College or Eagle Mail. It is the student’s responsibility to keep his/her address updated. Once mailed, it is the student’s responsibility to obtain and respond appropriately and **within all specified time limits as set forth herein.**

   A notice that is hand-delivered to the student requires receipt by Central Texas College of the student’s response within five (5) calendar days of the date that the notice was given to him/her.

   A notice sent to the student by US mail requires receipt by Central Texas College of the student’s response within eight (8) calendar days from the date of mailing the notice.

   **Failure to act within specified time limits is a waiver of student’s rights under this section.**

D. **Emergency Actions**
At any time warranted and after review of the situation and facts, the Dean of Student Success or Dean for Respective Campus may take immediate temporary action to protect the student, College and/or the public. This emergency action will take place in instances which involve apparent danger to the health or safety of the individual, students, staff, the community, the public, or which involve disruptions of normal College operations. These actions may include, but are not limited to the following:
   - Barring the student from the campus or any part of the campus.
   - Removing the student from a particular class or classes.
   - Prohibiting the student from participating in a College-sponsored activity, on or off campus.
   - Interim suspension pending completion of investigation, hearing, and/or appeals process.

Such emergency actions are temporary in nature and designed to handle an urgent situation and provide Central Texas College administration time to review the student’s conduct. Administrative review shall occur as soon as practicable and without unwarranted delay. Once such review has occurred, the student shall be given written notice of the action by the Dean of Student Success and Persistence and a statement of the reasons for any continued action designed to keep the student out of class or off campus.

The student may appeal the Dean’s decision to impose emergency action to the Deputy Chancellor of Academic and Student Services or his/her designee. The appeal will be limited to the emergency removal from the campus, classes, activities, and suspension.
If the Deputy Chancellor, or his/her designee determines that the facts do not warrant emergency action, he/she will notify the Dean of his/her decision, and the emergency action will be terminated. The Director of Student Life and the student will then follow the policy as defined above in section C. Disciplinary Procedures and Appeals.

When emergency action is taken, the Director of Student Life and all parties will take steps to expedite the procedures to provide the student with an opportunity for a hearing of the underlying disciplinary charge as soon as practicable.

Nothing in this Student Code of Conduct shall preclude a faculty or staff member from requesting a disruptive student to leave a class, activity, or location immediately as a one-time removal. If the student fails to comply with the request, the faculty or staff member may seek assistance from the Campus Police. A one-time removal from a class, activity, or location shall not be subject to appeal under this section on “Emergency Actions.”

I. Campus Running Policy
Central Texas College District maintains a paved trail and a track surrounding the football field located behind the Natatorium & Physical Education Building. M. Closed-Circuit TV and Web Camera (CCTV) Monitoring
The Central Texas College District is committed to enhancing the quality of life of the campus community by integrating effective practices of policing by the use of closed-circuit television monitoring and recording. It is recognized that CCTV can be an effective crime prevention program when it is part of a broader crime prevention and community safety strategy.

The Central Texas College Police Department oversees and coordinates the use of CCTV in sensitive areas on campus. Central Texas College Police Department also uses CCTV to monitor public areas in order to deter crime and to assist the College in providing for the safety and security of individuals and property belonging to the college district.

Video monitoring for security purposes will be conducted in a professional, ethical, and legal manner. Monitoring individuals based on characteristics of race, gender, ethnicity, sexual orientation, disability, or other protected classification is prohibited. Monitoring of the CCTV recordings will be based on suspicious behavior, not individual characteristics. Information obtained through video monitoring will be used exclusively for safety, security, and law enforcement purposes. Recorded images will be stored in a secure location with access by authorized staff members only.

Signage giving notice of the College’s possible CCTV monitoring of public areas may be posted as deemed necessary to enhance the crime prevention value of the CCTV system but is not required. The lack of signage in areas under surveillance is not a representation by the College that monitoring is not taking place.
CCTV systems are used regularly in the hallways and common areas of the dormitory and in any area on campus deemed “sensitive” by the Central Texas College Administration. An area may be considered sensitive by the nature of the college property, monies stored in, or the use of the area under surveillance.

Information obtained through video surveillance will only be released when authorized by the Central Texas College District Legal Counsel, or Central Texas College Administration or the CTCD Chief of Police, after consultation with CTCD Legal Counsel. Those recorded devices which are no longer needed for criminal justice or administrative purposes will be destroyed or electronically erased.
