

## CLEP Examinations with CTC Credit Recommendations

Last Updated 4-2015

The College Level Examination Program sponsored by the College Board is a nationally recognized examination program that helps individuals earn credit for what they already know. Central Texas College (CTC) awards credit based on the American Council on Education (ACE) credit recommendations and CTC institutional guidelines. CTC does not award credit for exam scores that are older than 10 years at the time the request is submitted. If there is a difference in the score for an exam listed in the chart below and the ACE recommended score on the official CLEP transcript, credit will be awarded based on the ACE recommended minimum score.
