

Central Texas College District
Associate of Arts in Art (AA-ARTG2) (AA-ARTS)
 Fort Hood, TX

Degree Objective- Prepares graduates for transfer to university programs of study by introducing a broad base of concepts in the humanities, social/behavioral sciences, mathematics, and natural and physical sciences. Graduates receiving the associate of arts degree will be prepared for further study at the university level in the performing arts, service professions, and related fields. The degree plan comprises 60 semester credit hours of which 42-43 are in general education courses and 18 are in visual arts courses. This degree is appropriate for transfer into a bachelor-level degree program.

ARTS	2366	Watercolor I	3	X					
Total Credits			60 SH						

- Notes:**
- 1) An "X" in a column indicates that the Institution guarantees to accept credit from the source shown for at least part of the requirement.
 - 2) This column indicates whether a school accepts transfer credit for courses taken through distance learning. It does not mean that the school offers the course through distance learning.
 - 3) A course may be used toward one requirement only.
 - 4) Only lower-level courses are accepted in transfer.
 - 5) The student is responsible for meeting course prerequisites. It is recommended that the student take placement tests prior to enrolling in mathematics, reading-intensive, and writing courses. Based on scores, the student may be required to take a series of developmental study courses.
- *Texas four-year colleges and universities require a physical activity course in the core general education area in the AA degree program. If the student transfers to a Texas college or university to complete a bachelor-level degree program, the student who was awarded physical education credits based on a military service school may be required to take a physical activity course.
- **The student is required to complete a minimum of 6 SH, which may be taken by selecting two courses from the list (6 SH) or by taking comparable lower-level, non-duplicating visual arts courses at another college alone or in combination with CTC courses.

Date Effective:	1-Jul-20
Term Effective:	T790
