## Central Texas College District

## Associate of Applied Science in Applied Management - Military Science Specialization (AAS-BMS14) (AAS-BUAMM) Europe: All Locations

Degree Objective- Prepares graduates for management/leadership positions with emphasis on military organizations. The degree plan comprises 60 semester credit hours of which 36 are in military science and leadership, management, business, and related subjects. This degree may be appropriate for transfer into a bachelor-level degree program.				POINT OF CONTACT         Debbie Hansen, Director of Evaluations & Graduation         P.O. Total Credits	60 SH							

Notes:

1) An "X" in a column indicates that the Institution guarantees to accept credit from the source shown for at least part of the requirement.

2) This column indicates whether a school accepts transfer credit for courses taken through distance learning. It does not mean that the school offers the course through distance learning. 3) A course may be used toward one requirement only.

4) Only lower-level courses are accepted in transfer.

5) A student opting to take the higher number of credits in a requirement area with a range of credits may request an override to exceed the maximum number of credits required for degree.

Date Effective:	1-Jan-20
Term Effective:	T770
