Notes: 1) An "X" in a column indicates that the Institution guarantees to accept credit from the source shown for at least part of the requirement.

2) This column indicates whether a school accepts transfer credit for courses taken through distance learning. It does not mean that the school offers the course through distance learning.

3) A course may be used toward one requirement only.

4) Only lower-level courses are accepted in transfer.

5) The student is responsible for meeting course prerequisites. It is recommended that the student take placement tests prior to enrolling in mathematics, reading-intensive, and writing courses. Based on scores, the student may be required to take a series of developmental study courses.

6) Soldiers electing to take the high end semester hour range of a degree requirement area will need to request an ESO override if the total degree credits exceed 60 semester hours.

*CRIJ prefix courses are academic courses generally transferable to a four-year degree program. CJCR/CJLE/CJSA prefix courses are workforce technical courses for students seeking a terminal two-year degree.
