

Central Texas College District
Associate of Applied Science in Medical Laboratory Tech (AAS-MLAB5) (AAS-MLAB)
Fort Hood, TX

Degree Objective- Prepares graduates for jobs in public and private laboratories serving the health care sector. Degree plan comprises 60 semester credit hours, of which 32 are in laboratory procedures in phlebotomy, clinical microbiology and chemistry, hematology, urinalysis, and clinicals. Upon completion of the program, students are eligible to take a national credentialing examination.

Academic Residency- 15 semester hours

Total Credits				60 SH					

- Notes:**
- 1) An "X" in a column indicates that the Institution guarantees to accept credit from the source shown for at least part of the requirement.
 - 2) This column indicates whether a school accepts transfer credit for courses taken through distance learning. It does not mean that the school offers the course through distance learning.
 - 3) A course may be used toward one requirement only.
 - 4) Only lower-level courses are accepted in transfer.
 - 5) A student opting to take the higher number of credits in a requirement area with a range of credits may request an override to exceed the maximum number of credits required for degree.
- *Credit in Science courses must have been received within five years prior to enrollment in MLAB 1201/1211.

Date Effective:	1-Jul-20
Term Effective:	T790
